Sick of rising health and dental premiums?

Chambers Plan has the cure.

Chambers Plan Employee Benefits

Real benefits for your business

Chambers Plan's not-for-profit structure, combined with pooling among its 30,000 members, equals one of the industry's lowest average renewals, at 3.9% over the last decade.

Stable rates

You are not alone. Chambers Plan connects over 30,000 Canadian businesses to help everyone's premiums remain manageable and predictable. **Chambers Plan's** average renewal over the last decade has been 3.9%.

24-Hour medical support

All Chambers Plans Extended Health options include access to Teladoc® telemedicine services at no additional cost. Your employees can consult with a certified physician on non-urgent medical issues within one hour, 24/7, anywhere in Canada and the U.S.

Not-for-profit program

Because the Chambers Plan is not-for-profit, all surpluses stay in the program to help lower premiums and maintain stable rates, year after year.

Guaranteed coverage and renewal

There are no health questions or medical exams separating you from a benefits program. There is guaranteed coverage for businesses with as few as one or two people*, and all eligible companies are guaranteed renewable, regardless of claims experience.

*Minimum 3 people for guaranteed coverage in Quebec.

Business Assistance Services

You don't need to be an expert in everything. Every Plan includes free access to professional accounting, legal and human resource experts, who understand the challenges business owners face, along with an extensive library of HR materials.

All the essentials, and so much more

Chambers Plan includes all employee benefits you expect from health to disability and dental to critical illness. But additionally, your employees gain access to Teladoc Medical Experts, and you get access to resources and telephone advice for HR, legal, and financial decisions.

A close-up photograph of several white trillium flowers with bright yellow centers, surrounded by large green leaves. The background is a soft-focus forest floor with brown leaves. A white rounded rectangle is overlaid in the center, containing the word "Opportunities" in black text.

YWCA to bring 170 delegates to Muskoka for National Conference

The event represents an investment of over \$300,000 into Muskoka

YWCA Muskoka has won a bid to host the 132nd Annual Members Meeting of YWCA Canada. The event will bring 170 delegates from across the country to Muskoka from June 4-7, 2024. Delegates will represent 29 YWCA and YM/YWCA associations from across 9 provinces and 2 territories. The national conference represents an investment of over \$300,000 into Muskoka.

“This is more than a business meeting. It is a forum where YWCA leaders from across Canada will make critical decisions on a national level that will impact the entire YWCA movement for years to come,” said Hannah Lin, Executive Director of YWCA Muskoka. “It is an opportunity to share knowledge, best practices, discuss emerging trends, and to strategize on collective actions for the betterment of women’s lives.”

About the Bracebridge Chamber of Commerce

The Bracebridge Chamber of Commerce is a membership-based, politically independent, not-for-profit organization that supports businesses of all sectors to convene, collaborate, advocate and create solutions for the regional economic prosperity of Muskoka. We enable this by providing our members with exclusive business opportunities, networking events, a united voice for improving business competitiveness across all sectors, and access to innovative insight and relevant solutions. The Bracebridge Chamber of Commerce knows that vibrant competitive & economically sustainable business communities are the foundation for a *prosperous Muskoka*.
