WORKSHOP SERVICE MACHINE SERVICE

At the JMA UK head office in Berkhamsted we offer the opportunity to have your JMA machine serviced.

We can change cutters, brushes and check calibration on-site for customers who are unsure how to do this themselves.

Quiet, safe, compact and unique looking

Quiet, safe, compact and unique looking, the WeLase is the perfect machine to increase traffic in your store!

Create a greater engagement and spark your customers' curiosity by letting them see the engraving appear in front of their eyes!

The wide range of WeLase accessories allows personalising jewellery (rings, bracelets, pendants...), gifts (perfumes, leather goods, pens...) and many more products.

Engrave names, images, dates or messages in white, black or shades of grey.

This gift and jewellery laser engraving machine can also be used for e-commerce to deliver high-volume online sales of unique items.
