Create a Family History Through Captured Moments of Photos and Audio Recordings

Voiced  Memories

 Treasured Photo Collections

10% OFF

Imagine stumbling upon an old photograph tucked away in a drawer or buried deep in your computer files. It's a beautiful image—perhaps a family gathering, a family reunion, or a candid moment that captures laughter or love. You look at it and appreciate its beauty, its composition, its timelessness. But that's where it ends.

The faces or the places seem familiar, yet the specifics are lost in the sands of time. Who took the photo? What was so funny that everyone was laughing? Why was it significant enough to capture in the first place? Without its story, the photograph is a mute witness to a moment long passed, its deeper meaning and context lost to you and certainly lost to anyone who wasn't there.

Here's a solution for you! Give the gift of family stories this holiday season with [Voiced Memories](#).

 Capture the voices and memories behind your photos with this unique storytelling platform. Use code **Holiday10** for 10% off your first year. Code is valid until January 31, 2025

Pass down memories, not just 'stuff'

Complimentary Concierge Session

Got 'stuff?' We all do, and [Artifacts](#) can help!

Some of it is really important or valuable. We know it by looking at it. Other stuff is important, but no one would know unless we told them.

At some point, as you move, redecorate, or update your insurance policy or estate plan, you have to ask yourself, "Why do I have this thing?"

If you don't ask yourself, and you don't tell anyone, all the seemingly insignificant details, all that history that represents you could be lost or forgotten.

How It Works:

- 1 Choose an object.
- 2 Take a picture.
- 3 Add a story.
- 4 Save and enjoy!

Holiday Special: Complimentary Concierge Session

Get a complimentary 30-minute virtual concierge session with one of Artifacts' founders for each Arti Lite or Arti Unlimited memberships purchased using the **TPM2024 promo code**. Code is valid until December 31, 2024
