We are thrilled to unveil our brand-new Summer 2025 | Winter 2025/26 Cruise Brochure, a curated collection showcasing just a glimpse of the thousands of unforgettable voyages we can offer you.

After two transformative years, we are delighted to announce the return of cruises departing from Limassol! Beginning in April and continuing through October, the Discovery 2 of Marella Cruises, operated by the renowned TUI Group, will set sail every Wednesday on captivating eight-day journeys to the enchanting Greek islands and the vibrant coasts of Turkey.

- Rome on the elegant MSC Seaview
- Malta aboard the groundbreaking MSC World Europa

As we look to the horizon of 2025, the cruise industry welcomes 15 spectacular new ships to its fleet. Among these are innovative vessels such as MSC World America, Norwegian AQUA, Celebrity Xcel, Star PRINCESS, Star of the Seas, and the much-anticipated additions to Disney Cruise Line: Disney Adventure and Disney Treasure.

Whether it's your first time or your fortieth, we're always striving for new ways to perfect your paradise, wherever we sail.

THE BOLDEST SHIPS AT SEA

Ever seen a robotic bartender? What about ice-skating in the middle of the ocean? Or a night time acrobatics display illuminated over the waves? Our ships are the most innovative on the seas with experiences beyond your wildest dreams.

AWE INSPIRING DESTINATIONS

From island hopping in the Mediterranean, to the thrill-fuelled, chill-filled Perfect Day at CocoCay in the Caribbean, now featuring the exclusive Hideaway Beach and the rugged beauty of Alaska. On Royal Caribbean you can explore the world's most sought-after shores, in any corner of the globe.

HOME AWAY FROM HOME

Would you rather gaze out to the open sea, or into the epic amphitheatre? We've got grand rooms, cosy rooms, and even some family rooms with a slide! Whatever your budget, there are more options than you can dream of. Every stateroom on board our magnificent ships has all the comforts you need to settle down and rest up for the night.

WHAT'S INCLUDED

Where else can you ride the tallest slide at sea, indulge in ice cream by the pool and catch an award-winning West End musical – all without your wallet ever making an appearance? Our cruise holidays truly are a thrill-filled ride of adventure and you'll never stop being surprised by the outstanding dining, entertainment and activities included in your booking.

ENTERTAINMENT & GUEST ACTIVITIES

Where else can you twist and turn down 10 storeys and go for a spin in a dodgem without spending a penny. How about catching a wave in the morning and skydiving in the afternoon. From aqua shows to West End shows and everything in between, epic family entertainment is always free with Royal Caribbean.

FAMILY VENUES & OFFERINGS

With free waterparks, mini golf, surfing, a Boardwalk, an Adventure Ocean kids club and even a dedicated space for teenagers included, we've got you covered. So whether you're looking after your kids, want to hang out with your kids, or desperate to escape your kids, it won't cost you a thing.

DINING

Ever had French pastries on tap in the Mediterranean, exquisite seafood out at sea or more ice cream than you can shake a flake at? When it's time to dine with Royal Caribbean the complimentary choices are endless. From steaks to shakes, there's a menu for everyone, day or night.

SPORTS FITNESS & WELLNESS

With so much incredible food on offer, you might feel compelled to burn off some calories. It goes without saying we have a fully equipped gym, but if that's a bit too run-of-the-mill, how does a climbing wall, basketball court or 2,000ft running track sound? If that's too much then how about a nice leisurely game of pool in our sports bar. It's still a sport.

SHARED EXPERIENCES

Picture yourselves basking in the warm sun on a private balcony, sipping cocktails with the endless sea as your backdrop. With no to-do lists or schedules to follow, you can spend your days lounging by the pool, enjoying spa treatments, or sharing quiet moments on secluded deck corners. Royal Caribbean provides the perfect setting for couples to unwind, connect, and create memories together.

ΣΗΜΑΝΤΙΚΕΣ ΓΕΝΙΚΕΣ ΠΛΗΡΟΦΟΡΙΕΣ

Ποια ταξιδιωτικά έγγραφα είναι απαραίτητα: Διαβατήριο σε ισχύ για τουλάχιστον 6 μήνες ή ταυτότητα ανάλογα με τους προορισμούς επίσκεψης του κρουαζιερόπλοιου, το εισιτήριο της κρουαζιέρας και θεώρηση διαβατηρίων (βίζα) εφόσον απαιτείται από τις χώρες που θα επισκεφθείτε. Σε πελάτες που δεν διαθέτουν τα απαραίτητα έγγραφα, δεν θα επιτραπεί να επιβιβαστούν στο κρουαζιερόπλοιο, γεγονός για το οποίο τόσο εμείς όσο και η εταιρεία κρουαζιέρας, δεν φέρει καμία ευθύνη ούτε υποχρέωση επιστροφής χρημάτων.

Ενδυμασία: Συνιστούμε αναπαυτικά παπούτσια για περπάτημα και ρούχα ανάλογα με τις καιρικές συνθήκες που θα επικρατούν στις χώρες που θα επισκεφθείτε κατά την διάρκεια της κρουαζιέρας σας. Στις βόρειες περιοχές, πάρτε μαζί σας πουλόβερ, ομπρέλα και αδιάβροχο. Σε πλείστους θρησκευτικούς χώρους, δεν επιτρέπονται κοντά παντελόνια και μπλούζες χωρίς μανίκια. Δεν επιτρέπεται να κυκλοφορείτε με μαγιό στην τραπεζαρία. Μια ελαφριά ζακέτα συνιστάται, καθώς όλοι οι χώροι είναι κλιματιζόμενοι. Για τις επίσημες βραδιές συνιστάται κουστόμι για τους κυρίους και βραδινό φόρεμα για τις κυρίες. Για τις άλλες βραδιές συνιστάται ανεπίσημη ενδυμασία. Κάποιες εταιρίες σε κάποια δρομολόγια πραγματοποιούν τα λεγόμενα White nights, Red nights or Pyjama parties, στα οποία οι ταξιδιώτες προτρέπονται να φορούν ανάλογη ενδυμασία.

Αποσκευές: Παρόλο που δεν υπάρχει περιορισμός στον αριθμό των αποσκευών, να έχετε υπόψη σας ότι ο χώρος της καμπίνας σας, όσο ευρύχωρη και αν είναι, είναι περιορισμένος. Υπολογίστε για κάθε δίκλινη καμπίνα δύο βαλίτσες και δύο χειραποσκευές στις οποίες θα πρέπει οπωσδήποτε να τοποθετήσετε το ειδικό καρτελάκι με τα στοιχεία σας το οποίο συνήθως βρίσκεται στα εισιτήρια της κρουαζιέρας σας. Δεν επιτρέπεται να φέρετε πάνω σας ή στις αποσκευές σας αντικείμενα που είναι επικίνδυνα ή παράνομα. Μην δεχθείτε να μεταφέρετε αποσκευές ή δέματα τρίτων. Σε περίπτωση απώλειας πρέπει να ενημερώσετε άμεσα το Γραφείο Εξυπηρέτησης Επιβατών του κρουαζιερόπλοιου.

Επιβίβαση: Στο τερματικό του κάθε λιμανιού επιβίβασης υπάρχει προσωπικό της εταιρείας κρουαζιέρας για να σας διευκολύνει. Θα πρέπει να έχετε εύκαιρα το διαβατήριο και το εισιτήριο σας. Η ώρα της επιβίβασης σας αναγράφεται στο εισιτήριο της κρουαζιέρας σας. Συνήθως η επιβίβαση κλείνει 3 ώρες πριν την αναχώρηση του πλοίου.

Αντικείμενα Αξίας: Συνιστούμε να μην τοποθετείτε χρήματα ή αντικείμενα αξίας στις αποσκευές σας ούτε να τα αφήνετε εκτεθειμένα στην καμπίνα σας. Στα περισσότερα κρουαζιερόπλοια υπάρχουν θυρίδες για τη φύλαξη των τιμαλφών ή μικρό χρηματοκιβώτιο στην καμπίνα σας. Η εταιρεία με την οποία ταξιδεύετε, δεν φέρει καμία ευθύνη σε περίπτωση απώλειας.

GENERAL TERMS

1. Your Trip

Your travel contract is made with the company TOP KINISIS TRAVEL PUBLIC LTD, as a selected partner of cruise companies, which undertakes to provide you with various services that are part of your trip. A reservation is considered valid only when the relevant deposit is paid, and the relevant service receipt is printed. Only then is there a contract between you and our company. We recommend that you request from the travel consultant who serves you a list of the full terms of the Cruise Company that govern the cruise or ask them to indicate the website where you can read them.

2. Changes to the Trip Before or After Departure

We believe that we can offer you all the services we have scheduled for your specific trip at the time of your registration. However, because we book various services long before your departure date and use the services of many independent suppliers such as airlines, cruise companies, hotels, etc., over which we do not have direct control, there is a possibility of changes. Most of these changes are of minor importance. If there is a CHANGE OF GREAT IMPORTANCE, we will try to contact you before departure, either directly or through the supplier who made the reservation. Changes of GREAT IMPORTANCE are considered those in which the airline or cruise company changes, the departure time (more than 12 hours), or the hotel category or cabin category (to a lower one). In the event of a CHANGE OF GREAT IMPORTANCE, you have three alternatives:

A) To accept the change
B) To purchase another trip from our company (paying the difference if it is more expensive)
C) To cancel the trip, with the simultaneous return of all the money you have already paid. The company is not responsible when, after the departure of a trip, a regular flight of an airline or a scheduled cruise is not performed, or for other events beyond our control and despite our care and diligence that we cannot avoid, such as changing an aircraft to a smaller capacity, changing a cruise ship, changing an itinerary, delays due to technical failure, war, terrorism, social unrest, natural disasters, strikes in various sectors, natural phenomena, epidemics, embargoes. In matters of transportation by ships, planes, and trains, as well as in ensuring accommodation, our liability in all cases is limited to the relevant International Transport Terms. Decisions regarding delays or changes in itineraries may be made by various government or other agencies or airlines, resulting in delays, changes in itineraries, or flights. Our company cannot control or foresee such actions, and therefore, we cannot assume responsibility for specific cases.

3. Changes in Hotels/Cabins

Because we do not have control over hotel rooms in every city, it is possible that we will be informed that the room we booked for you is not available on the day of your arrival. If this happens, we will make every effort to offer you another hotel of the same category in the same city. In the case of cruises, cruise companies have the right to change the cabin originally assigned to you but are obliged to offer you another cabin in the same or higher category.

4. If We Cancel Your Trip

We reserve the right to cancel your trip for any reason. We will not cancel your trip 7 days before departure, unless there are reasons beyond our control (as mentioned in paragraph 2). If we are ultimately forced to cancel your trip, you have the following alternative solutions:

A. To purchase another trip with the reservation that if a higher selling price applies, this difference will be borne by you.
B. Full refund of the money you paid.

5. Our Contractual Obligation to You for the Details of Your Trip

In matters of air, sea, and train transportation, as well as for ensuring accommodation, our liability in all cases is limited to the relevant International Transport Terms. Decisions regarding delays or changes in itineraries may be made by various government and other organizations or airlines, resulting in delays, changes in itineraries, or flights. According to the Cypriot Law on Organized Trips, Vacations, and Tours Law 51(1)98, our company has secured its professional liability for the non-execution or defective execution of the contract on our part, as well as for the refund of the amount paid and repatriation in case of bankruptcy.

6. Accuracy of our brochure

Great efforts are made to correctly list various elements and details in our brochure. Both in general and specifically for cruise ships, schedules, etc., until the time we deliver the brochure to the printer on 1/2/2024. However, cruise companies may change one or more details. Changes in flight times, arrival and departure times of cruise ships may occur. Excursions, guided tours, or safaris may change due to local reasons. Under similar or climatic conditions, seasons, etc., it is possible that some of the details we have recorded may not be available to the public or may not be possible to carry out, and our description in the brochure may not correspond to reality.

7. Hotels

Stays at all hotels, unless otherwise stated explicitly, are in standard rooms. Worldwide, rooms are available for use from 15:00 (regardless of the traveler's arrival time). At the same time, the traveler must vacate the room by 10:00 to 12:00, regardless of the departure time from the hotel. In some cases, one can keep the room beyond 12:00 if there is availability at the hotel and the corresponding extra cost is paid.

8. Delays and Changes in Cruise Schedules

We cannot guarantee that a cruise ship will visit all ports as advertised. Cruise companies and the ship's captain have the exclusive right to omit a port, visit a different port, or add a port, change the route, change the departure or arrival time, and replace the ship at their absolute discretion. This may occur due to weather conditions, emergencies, technical issues, or force majeure.

9. Arrival/Departure Times

The departure and arrival time of a cruise ship varies depending on the itinerary the ship is undertaking. Details of your arrival time at the departure port and boarding time on the ship will be indicated on the ticket we provide or in the web check-in you do on the cruise company's website. Changes in the arrival/departure times of cruise ships are made for the safety of passengers.

10. Double Cabins

Most cruise ships have beds that can be converted from a double to two singles. You should indicate your preference during the reservation. We will make every effort to secure this but cannot guarantee it 100%.

11. Single Occupancy

Almost all cruise companies charge a 100% additional fee for using a cabin by a single person. There are sometimes offers with a reduced surcharge rate.

12. Breakfast

The majority of cruise ships offer buffet-style breakfast with a wide variety of foods and beverages.

13. Meals

Meals are included in your cruise at the main restaurants and buffet. Most cruise ships have "specialty restaurants" for which there is an additional charge. There is no refund for meals that someone does not take.

CUSTOMER OBLIGATIONS

1. Payment/Settlement of Your Trip

The confirmation of your reservation is made with a 30% advance payment of the total cost. The amount of the advance payment may vary if immediate airline tickets need to be issued. By making the reservation, you are deemed to accept the participation terms set by the cruise company you have chosen to travel with. We recommend that you ask your travel advisor who served you for a list of the full terms. The payment of the remaining amount must be made at least 30 days before departure. Payment terms differ from company to company. Some cruise companies require payment more than 30 days before departure. Exact payment and cancellation terms will be communicated to you during the reservation.

2. Cancellation of the Initial Reservation

If you or someone from your group/family cancels their participation, you need to notify us of your decision in writing. The cancellation will be effective from the day we receive your cancellation decision in writing (with proof). In this case, you will incur cancellation fees, which vary from company to company. The usual cancellation fees are as follows:

a) Cancellation up to 75 days before departure, a fee of €50 per person for operational expenses.
b) Cancellation of participation 75-46 days before departure, a fee of 30% of the trip's value.
c) Cancellation of participation 45-31 days before departure, a fee of 50% of the trip's value.
d) Cancellation of participation 30 days and up to departure, the entire amount of the trip's value will be withheld.

3. Reservation Transfer

If you are unable to travel, it is possible to transfer your reservation to another person. However, any change must be within the same framework and will be accepted if all suppliers, such as contracted airlines, the cruise company, and hotels, agree to the change. Charges may apply from all or some suppliers. Where the change is accepted, there will be an additional administrative fee from us, €50 per person.

4. Passport, Visas, and Health Declarations

It is your responsibility to have a passport valid for at least six months after departure and to secure the visas required for all countries you will visit. If you have a foreign passport, you must inform us during your registration and verify with us the necessary visas (processing time, photos, fees, etc.). If you fail to have the required documents and are denied entry into the country you are visiting or boarding the cruise ship, our company is not responsible. We will try to assist you, but any effort on our part will be a goodwill gesture. In this case, we reserve the right to request expenses that may arise from your non-participation.

5. Complaints

If you have a reason to complain while on a cruise, you should contact the ship's customer service (conciierge) department and your travel advisor, who will attempt to address your request. It is not reasonable to make a complaint upon return without raising any issues during the cruise, so we can rectify any issues that contradict our initial agreement. In any case, if a problem is not resolved, you should submit a written complaint to our company within ten days of your return to Cyprus.

6. Health

If you have health issues, you should obtain clearance from your doctor before traveling. Explain to them exactly which country you are going to, the mode of transportation (e.g., airplane, ship, or bus), and the duration of the trip. If you have a disability, be sure to inform us in writing during your registration. We will make every effort to accommodate your situation. However, our company cannot be held responsible for any issues arising from your health condition. Regardless of any peculiarities of your health, it is relatively common for even plain water to cause minor or major stomach problems in various places, and therefore, it is advisable to create a small pharmacy with preventive medications for various situations that may arise during a trip. Pregnant women should not be beyond the 24th week of pregnancy to participate in a cruise and must provide a certificate from their doctor allowing them to travel.

7. Baggage

Due to the fact that each airline has its own regulations for the transport, size, and weight of baggage and hand luggage, consult our travel advisors. If you happen to lose a suitcase during an airline trip, the airline will make efforts to find it, and in rare cases where it is lost, they will compensate you. Always have 2-3 essentials for an overnight stay on hand, just in case. Generally, your luggage is not insured. Although we make every effort to take care of them, it is possible that one may be lost, damaged, or something else may happen. If you want to be 100% sure in this regard, make sure to insure them. Regarding baggage on the ship, see the General Information that follows.

8. Boarding on Cruise Ships

Travelers must board at least 2 hours before the departure time at the embarkation port and 1 hour before the departure time at the ports visited by the ship. In case a passenger misses the scheduled departure due to their own fault and is offered an alternative itinerary, any expenses incurred, including visa fees, meals, accommodation, transportation, and repatriation, will be borne by the traveler.

9. Special Requests

If there is a special request, such as a specific diet, room/cabin location, or a particular service that is important for your registration on a trip, you should notify our company in writing during your registration. Every effort will be made to accommodate reasonable requests, but our company cannot guarantee them.

10. Persons with Special Needs

Our company is pleased to provide instructions to individuals with special needs for various destinations, in order to meet their expectations. It should be noted that many destinations do not have even the most basic services (e.g., ramps, wheelchair-accessible seats, elevators, etc.). Therefore, it is necessary to inform us in writing of any special circumstances and the services you require.

11. Traveler's Responsibilities

Each traveler is responsible throughout the trip for the safekeeping of their travel documents (passport or ID), money, airline tickets, etc. In particular, in hotels/cruise ships, it is common international practice for them not to take responsibility for money or valuables left in the room/cabin. There are special small safes for such cases against a fee.
