I was playing a video game and then I saw a door in my house that was never there before. I went through the door and it was really dark at first and the door closed suddenly behind me. As I turned around there was a big tiger staring at me. Thankfully, she did not attack me. She let me pet her and then she walked away. I was in a jungle and I walked north and found a snake. He attacked me, I quickly dodged it and ran away. As I was walking, I found a pretty crystal and the tiger and she let me into her home. She had two cubs who were super cute. The dad Tiger came into the house and he was startled, but he did not attack me. He cuddled with the cubs and went to bed. I was so tired I accidentally fell asleep. When I woke up in the middle of the night I was starving so I made a weapon and went hunting for a deer. Then I got a pile of sticks and lit them on fire and cooked the deer over the fire. All of a sudden an owl came attacking me. I ran through the jungle and found the door back to my home. The end.

Levi Boston's Journey ...

Once upon a time
I saw a door with panda ears. I opened
the door and saw a bamboo forest. I walked through
the forest and found a panda paradise.
They were all so adorable. I even saw a
baby panda. Then I saw a beautiful flower garden.
"This is the most magical place on earth
I yelled." I love it. I am in Paradise.
Pandalama is the best place on
earth. I love this place. I
wish I could stay for ever
but I can't. I'll come again

once there was a door. It had a imagination behind it. I saw it and I opened it. I saw a candy land. I saw a candy forest. I was walking through the forest and seen a chocolate river there was a boat I stepped into. Down the river I saw a castle but not just any castle it was a candy castle. I went to the top trying not to get caught by the queen. When I finally got to the top I found a jewel. I took it and jumped and fell on a plane. I went into the clouds. The clouds were made of cotten candy! I seen a giant plane I tried to jump on it but when I jumped I was only holding by my hands! I barely had grip then I seen a guard it grabed me and put me in a cage! "The cage is locked how will I get out" I said

crying. But just then a bird with the Key. The bird gave me the Key. I put the key in the slot and turned the key. "I got out!" I said with joy. I jumped off the plane and landed on the bird's back. I was flying through the air! When the bird landed I got off of the bird. The bird landed on a island. When I looked at the sky there was a sunset with colors purple and pink. "I can't believe my eyes." I said. Then, I looked at a palm tree there was a door. I walked through the door I was back in the real world. I was in my bedroom. But from then on, I never knew what happened that day.

I enter through a magic door. Then I go into a world that's amazing! There are beautiful plants and flowers. There are a lot of hopping bunnies all around! A bunny came up to me and I picked her up. I will name you Lilly."Let's go on an adventure," I told Lilly. After a little while I found a pretty cabin! It had twinkling lights and plants growing around the cabin. I put Lilly inside and my bag in the cabin. In the back yard there were blueberries and strawberries. I picked some up for Lilly and I fed them to Lilly.

I looked out the window and there was an injured bird! I wanted to help. I named her Cece. I put a bandage on her hurt leg. I found some bird seed to feed her! I grabbed Lilly and Cece and we went to a beach and swam. Then something pulled me! I was back in my lonely room again but then I heard a noise. It was Cece and Lilly under my bed! THE END

Once upon a time I went through a magical door then I see a locker room early in the afternoon. It was empty and quiet. I was setting up things for the football players. I was putting towels at all the lockers just in case they sweat. The players started walking into the locker room and they called me coach Robbins! The football players were putting on their football gear on. Then the Colts football players went onto the field. Then the kickoff started we were receiving the ball.

Owen Schmitt's Journey ...

I opened a magical door and I saw a forest. It looked magical and cool. It led me to the ocean. I started sailing across the crystal blue water. It was so warm! I sailed to a secret island with a castle. Then I rode a magic carpet. Then I saw a purple bird and got stuck in the cage with it, it was so scary! The bird started circling me. I drew muscles on myself and broke free. Then the bird flew me home and I went to bed. I wish I could do this everyday!

BR YWRV

's Journey ...

I see a door. I go in and then I see a dog. He barks at me. Then I see a note and I read it. The note says the dog doesn't like loud noises and it can turn into a monster creature. Then I see a hallway and go through it. There are a lot of rooms, I enter one that looks like a classroom. There's a spider, he's playing loud music. I hear growling and footsteps, and I peek outside the classroom to see what it is. I see an exit door and run for it. I open the door and I'm back in my room. I guess it was all a dream!

Bella

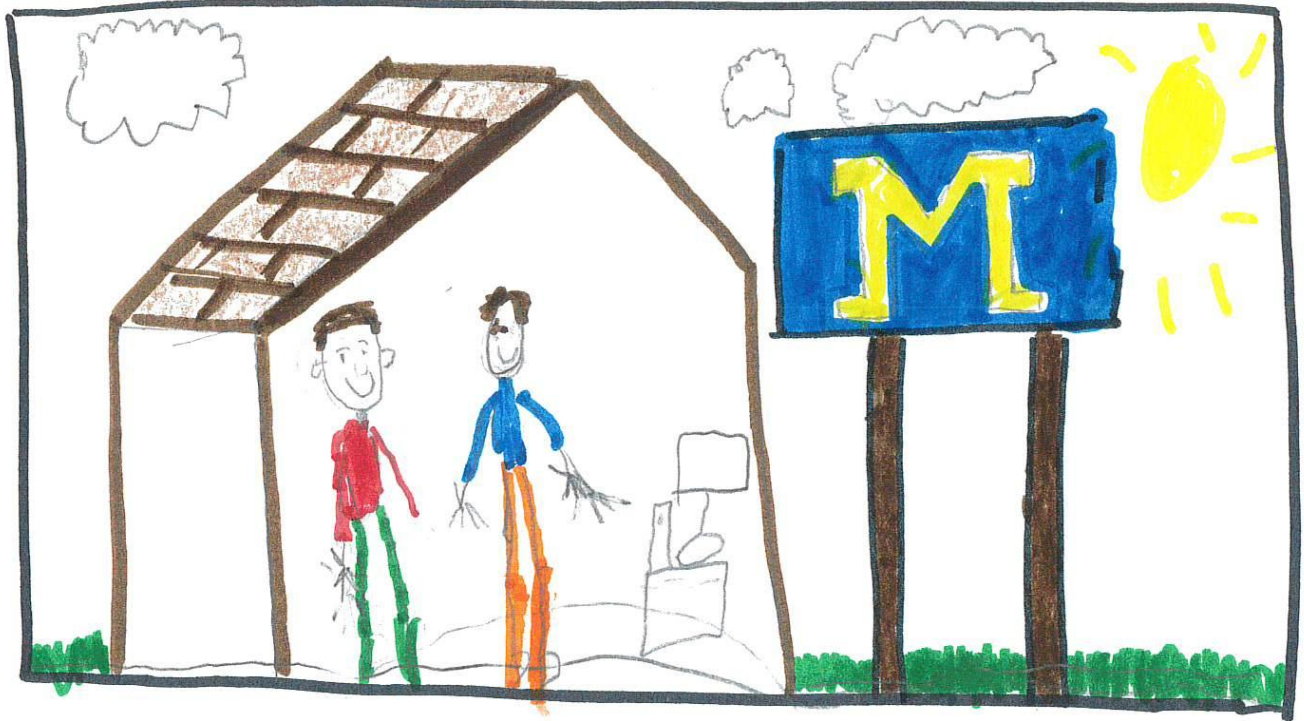

's Journey ...

Once upon a time me and my mom were going on our bikes for a little ride. Soon or later I stopped to see a door that was next to the woods. I was confused because there was nothing behind it leading to anywhere. Mom said "Bella, do you want to keep going?" For some reason I couldn't hear her because I was way too focused on the door. I reached to open the door and seen a lot of glowing green lights. It started sucking me and my mom in. All of a sudden I saw a lot of things I loved, like the movies I really like, and characters I like, even giant dancing pickles. Out of no where a rainbow ice cream fell into my hands from the sky.

I go to my friend Jayden's house and we play video games with his brother Tanner. We go the store and get some snacks and stay up all night. We went to the arcade and we ate pizza. We go back to my friends and play the X-Box and watch a movie. We go for a walk in the dark. All of a sudden I see my house. I see a ladder and climb up the steps to my bedroom window. I sneak into bed and go to sleep, The End!

I stared outside my window, blank. Boring. I want something cool, and there it is! A flaming door! Beautiful colors, red, yellow, orange! I pop outside and open it. I slide down a dark tunnel and popped out. The first thing I saw was a dragon. Then I felt scorching hot. The dragon giggled and gave me flamebreaker armor.* Then I looked up. It was a tall, rocky hill with a ladder. On the hill were some shops. I looked at the dragon. He nodded. Then I had a blast!

When I got home I was surprised to see a pheonix behind me! It had a note that said: I FINALLY HAVE A FRIEND. YOU CAN HAVE A BIRDIE. - dragon. I was so happy. The only problem: I have two live animal-loving cats. I can fix that later, though. For now I named the pheonix Jared. He was so fun and cute! Even though I knew it wouldn't be this fun in a while, I was happy.
