"**Stronger Together**" expresses the core of what this yearbook is all about: bringing together shared experiences and memories. As another school year comes to a close, we can't help but be grateful for the many great experiences and opportunities for growth that we've had together. This year has demonstrated the power of community and the strength that comes from working together to achieve a common goal or simply supporting one another through difficult times.

The theme reminds us that when we come together, we can achieve great things that would have been impossible alone. Just like the Scrabble tiles, when we join forces and combine our unique skills and perspectives, we can create a beautiful mosaic of diversity, strength, and resilience.

Through our collective efforts, we've accomplished so much this year. We've broken down barriers, challenged ourselves to be our best selves, and created a culture of inclusivity, compassion, and respect. As we look through this yearbook, we'll see the faces of our community and the memories we've made together. We'll remember the laughter, the joy, and the moments of celebration that have defined our school year.

Thank you for being a part of this incredible journey. We are truly "Stronger Together" and we can't wait to see what we'll accomplish next.
