BLUR THE LINES BETWEEN INDOORS & OUT AND BRING NATURE HOME WITH BEACH HOUSE COLLECTION.

Bring a touch of paradise to indoor and outdoor spaces with Beach House by BAGNODESIGN and GYMKHANA. In an exciting debut collaboration, both brands have teamed up to present a unique luxury lifestyle collection like no other.

Beach House creates a cool and contemporary retreat, bringing tropical island living home with a range of beautiful products designed to work in harmony with nature and create a seamless indoor-outdoor environment.

EXPERIENCE THE PEACEFUL SERENITY OF A MALDIVIAN RETREAT.

The BEACH HOUSE Bathroom Collection

Seeking inspiration from the archipelago's tranquil beauty, Beach House brings a touch of paradise to both indoor and outdoor bathroom spaces, creating a cool and contemporary retreat in the comfort of the bathroom environment.

Defining the very essence of tropical luxury island living, Beach House answers the call for indoor-outdoor continuity with a range of products designed to harmonise with nature. While outdoor shower columns rejuvenate and connect one to the simplicities of nature, sunkissed teak furniture, stone composite BAGNOQUARTZ basins and bathtubs, shimmering metallic brassware and whitewashed wood-effect tiles make for a complete bathroom solution that transports you to another world.

Constructed from Grade 316 stainless steel, Beach House mixers and shower columns guarantee lasting

durability for outdoor use. Weather-resistant PVD finishes in Brushed Stainless Steel, Oyster, Armour Truffle and Armour Cocoa add a touch of sophistication, and are perfectly complemented by travertine accessories reminiscent of soft sand beaches. Light hues open up a space, mimicking the outdoor bathrooms of private Maldivian villas while organic, curvilinear shapes advocate for moments of self-care. From stylish terrazzo and integrated basins to sleek natural wood vanity units and illuminated LED mirrors, every element is crafted to enhance the spa bathroom experience. To further enhance the unique lifestyle look, select the coordinating Beach House tiles and outdoor furniture.

Embrace that dream destination feeling every day with Beach House.

A COASTAL ESCAPE BEACH HOUSE

The BEACH HOUSE Outdoor Collection

Bringing the tranquillity of the Maldives to your outdoor spaces, the Beach House collection by GYMKHANA complements the BAGNODESIGN bathroom range to connect the indoors with the outdoors.

This stunning new range embodies what it means to live in a tropical-luxury environment. Indoor and outdoor areas merge with a dialogue of natural materials, curved organic shapes, and a coastal colour palette of sand and blue that creates an overall calming vibe.

Crafted from weather-resistant materials and crisp-soft Agora outdoor fabrics that you can custom mix and match to your liking, the collection includes solid teak armchairs, sofa sets, modular sofas, poufs, dining chairs, bar stools, tables, sunbeds, and towel racks, with cushions made from springy, quick-dry foam for ultimate protection and comfort. With a complete range of seating options, Beach House lets you create distinct zones for lounging, dining and relaxation.

With options to personalise your space through a choice of four cushion fabrics ranging from muted tones to bold cabana stripes, as well as the option to select from four stone-effect porcelain tabletops with complementing bases—you can make Beach House truly your own. Perfect for patios, pool areas, balconies and verandas, the range is ideal for residential, commercial and hospitality projects. To ensure your time is well spent outside for longer, the collection is built to endure the elements while retaining its beauty for years to come.

Bask in the warmth of the afternoon sun and relax in your luxury island-inspired haven with Beach House.
