Bridge

Specification

BISLEY

Bridge by Bisley, the modern credenza that brings together storage, stowage and room division in one seamless system.

Inspired by the traditional meeting room credenza, but re-imagined for the contemporary office and work styles, Bridge connects flexible spaces together.

At Bisley, we understand your workday needs to flow. With the ability to provide multiple functions in multiple spaces, Bridge can be used as an unobtrusive space divider, a meeting room credenza, a ‘skyline’ style welcome setting, or a spontaneous breakout area.

Its breadth of steel colours, wood textures and vibrant fabrics means that the fun is in creating exactly what you imagined. With quality stowage at its heart, Bridge bridges the gaps in your working day.

DIGITAL BY DESIGN
The Impressionists at Home

Features

Available as pre-defined settings or build your own.

Bases available in three widths and two depths.

Choice of four legs and two handle styles.

Choice of 37 paint colours, 45 laminate finishes and over 100 fabric options.*

Choice of back panel options.

Ability to mix materials.

Soft-close doors.

Smart rebate joint detail.

Option to add discreet cable management.

Concise range of accessories available.

Option to add a lock to top drawers.

Five-year guarantee.

Made in the UK.

*where fabric options are required

Benefits

Customisable – Create a unique design with a choice of paint, laminate, fabric and leather finish options for each module on your Bridge unit.*

Configurable – Configure your own unique Bridge unit to fit the needs of your workplace.

Colourful – Breadth of paint and laminate finishes gives you unlimited possibilities whether in a causal or more formal settings.

Specify - The range of closure options provides storage, stowage and display capabilities.

Multi-purpose – Bridge can be configured to support multiple functions in the workplace. Whether that be a welcome area, meeting room credenza or as a room divider.

Secure – Option to specify locked top drawers for safe storage of office and personal items.

Provides perch points – The addition of a seat pad module supports impromptu catchups, waiting areas or a space to take five.

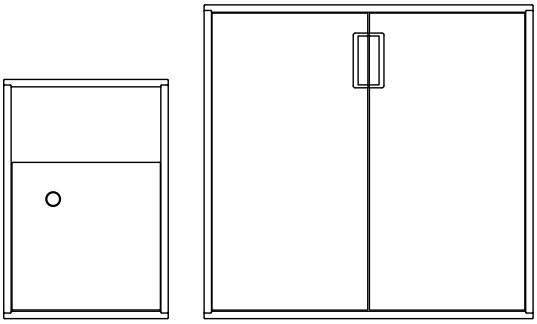
*where each module allows

Range Overview

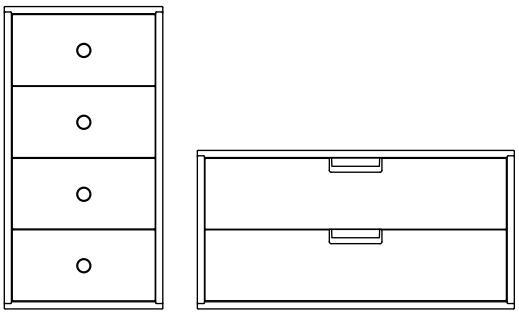
Bridge is available as a range of pre-defined suggested settings, or you can create your own unique configuration. A choice of drawers, cupboards, shelves and a seat pad unit provide storage, display and a handy perch point.

Below is a range of all the closure options available. All modules are available in a range of heights, widths and a choice of both handle options where applicable.

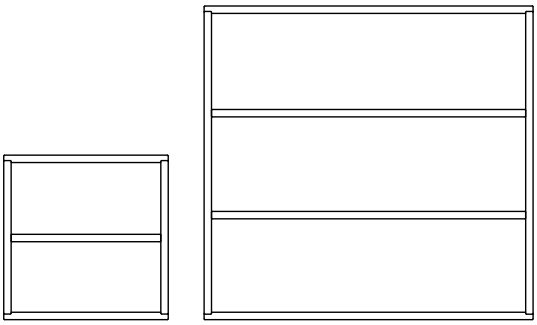
Cupboard Modules



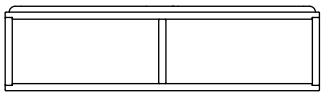
Drawer Modules



Shelving Modules



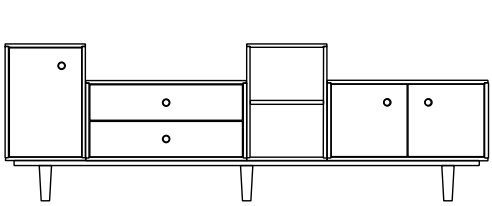
Seat Units

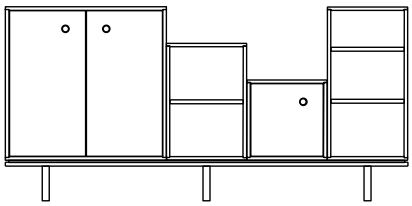


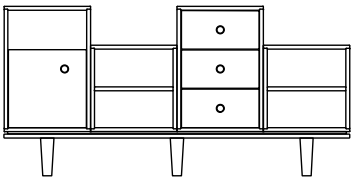
Our suggested settings are split into three categories:

Space Divider

Utilise the dual facing nature to create division and wayfinding.

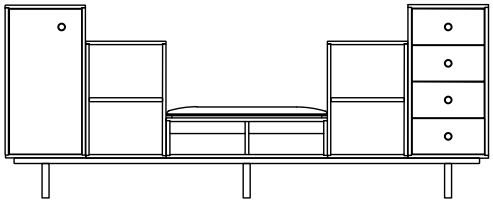


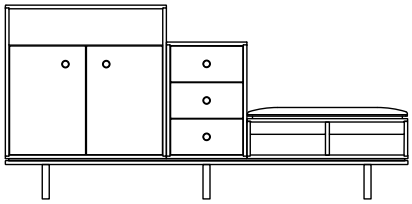


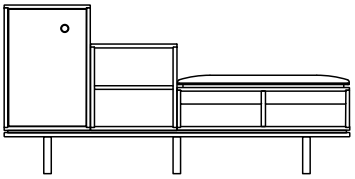


Skyline

Ideal for welcome areas and ‘breakout zones’.

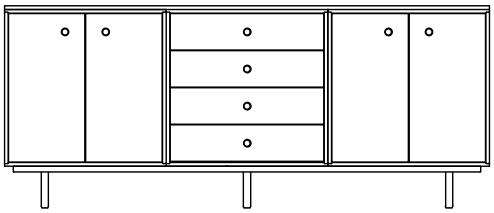


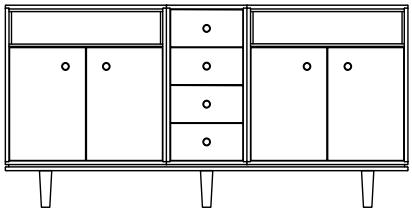


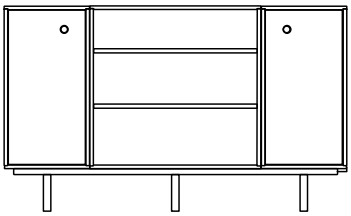


Credenza

Inspired by the traditional meeting room credenza for the contemporary office.







Bases - Full Width

D: 400mm (15.7”)

Product Code	Description	Width
BRB16FW	Full width base	1600mm (63”)
