DRAUGHTMASTER

WELCOME TO THE DRAUGHT BEER REVOLUTION

The compact DraughtMaster system uses compression rather than CO2 to keep beer fresh for longer, reduce wastage and improve the profitability of your business. Where we show the brands, can we add something like: DraughtMaster is available on the following brands.

UNRIVALLED QUALITY

The beer stays fresher 6 times longer (30 days) once opened.

NO CO2 NEEDED

Air compresses the kegs to dispense beer. No need for any CO2.

75% LESS LINE CLEANING

Lines only need to be cleaned every 4 weeks.

SAVES SPACE

The system has a small footprint and uses lightweight and stackable kegs that compress during use.

WIDE RANGE

A portfolio of kegs that are all identical and use the same modules. Rotate brands easily, no need to change connectors.

LESS WASTE

Our kegs stay fresh down to the last pint with minimal left when empty. Changeover is simple and efficient.

**BEAUTIFUL BEERS
SINCE 1985**

At Wye Valley Brewery, we only use the highest quality ingredients including Maris Otter barley and whole hop cones. In fact, we have some of the nation's finest hop growers on our doorstep, and over half of the hops we use come from within 10 miles of our brewery.

As a result, our beautiful cask and keg beers are adored by pub regulars, pub landlords and anyone who tries them!

HEREFORDSHIRE CIDER

At Newton Court, our ciders and perry are crafted from carefully selected Herefordshire fruit, grown on our family estate and sourced from trusted local growers. Each is pressed and fermented on-site, ensuring quality from orchard to bottle.

Working with traditional bittersweet and dessert apple varieties, we create balanced, orchard-led ciders and perry that reflect freshness, structure and a clear sense of regional provenance.

DUNKERTONS ORGANIC CIDER

ORGANIC TO THE CORE. CRAFTED TO LAST.

Since 1980, Dunkertons has made cider the way a vineyard makes wine working with the seasons, never against them. The UK's first Soil Association certified cider producer. 12+ months maturation. Naturally fermented. Always British. Never Concentrate. For customers who appreciate quality.

STOCK UP ON OUR RANGE OF THATCHERS CIDER

Thatchers Zero 0.0% is a golden, medium dry, crisp, alcohol free cider. Great for when you want something alcohol-free, but don't want to compromise on taste.

Thatchers Katy is elegant; a light and sparkling medium dry cider. Crafted from the finest Katy dessert apples, its unexpected strawberry aromas are music to the nose and tastebuds.

Our nocturnal companion has inspired Rascal, a full-bodied amber cider with a rough complexity. It takes a real craftsman to make something this crafty.

ADVICE

Whether over the telephone, or when we visit in person, it is crucial for us to give you friendly, down-to-earth advice at whatever level you require. We recruit people who already have an interest in wine, food and travel and then put them through our own training course as well as their Wine & Spirit Education Trust examinations. At a company the size of Tanners, it is easy for staff to taste regularly, to have regular contact with the buying team and to travel to the vineyards on whatever trips are available. And if your questions cannot be answered immediately, our many long-serving staff provide a vast bank of wisdom to draw upon.

YOUR RESTAURANT LIST

Our Area Sales Managers are well qualified to advise on and manage your list for you. We can prepare and print your wine list, if you are buying your wines from us. Descriptions on every wine that we sell are available.

ALLERGENS AND VEGETARIAN WINES

We are happy to provide allergen information on all our products to confirm whether they contain sulphites, wheat, barley, egg and milk products or other allergens. Please contact us listing the products you are interested in. Likewise, we can advise if they are suitable for vegetarians or vegans.

ODDMENTS LIST

Our Oddments List, which contains small parcels of interesting wines, Ports and spirits can be sent on request or found online at www.tanners-wines.co.uk. This is an excellent source of fine wine for the top end of your list.

CORPORATE CUSTOMER SERVICES

Whether you require wines for corporate events, incentives, gifts or other uses, we can cater

for your individual needs. For details of our services to businesses and institutions, please telephone our sales team on (01743) 234455. Visits by our Area Sales Managers can be arranged if appropriate.

TITLE TO GOODS

The title to the goods shall remain vested with Tanners Wines Limited (“Tanners” or “the Company”) until payment in full of the selling price and shall not pass to the customer until such payment has been received by the Company in cleared funds. Until such payment has been made the customer shall store the goods in suitable premises and, until such payment has been made, the Company or its agent may (without prejudice to its other rights) recover the goods and may enter the said premises for this purpose. Please see below for details reservation of title.

RESERVATION OF TITLE

1. Title to the goods shall not pass to the customer until Tanners has received payment in full (in cash or cleared funds) for:

(i) The goods; and

(ii) All other sums (including interest) which are, or which become, due to Tanners for, or in connection with, sales of the goods to the customer.

2. Until title to the goods has passed to the customer:

a. The goods shall remain Tanners’ property and the customer shall store the goods separately and/or keep them in such a way that they can be readily identified as being Tanners’ property. The customer shall ensure the goods shall be kept free from charge and/or encumbrance.

b. Notwithstanding any inconsistency (if any) with any other provision of these conditions the customer acknowledges and admits that until full payment for the goods has been made it holds all goods in a fiduciary relationship as Tanners’ bailee.

c. Subject to (e) and (f) below, the customer shall be at liberty to sell the goods in the ordinary course of business provided always that the customer shall have no authority to enter into any contract of sale on Tanners’ behalf and any contract of sale should accordingly be concluded in the name of the customer.

d. Where the goods have been sold by the customer, the customer shall at Tanners’ request and expense assign to Tanners its rights against the sub customer.

e. Without prejudice to any other remedy that Tanners may have, Tanners may at any time revoke the customer’s power of sale by notice to the customer if the customer is in default in payment of any sum whatsoever due to Tanners (whether in respect of the goods or any other goods supplied at any time by us to the customer or for any reason whatsoever) or if any bill of exchange, cheque or negotiable instrument drawn or accepted by the customer in Tanners’ favour at Tanners’ request is dishonoured on presentation for payment or if Tanners has a bona fide doubt as to the solvency of the customer.

f. The customer’s power of sale shall automatically cease if any administrative receiver is appointed over any of the assets or the undertaking of the customer or if the customer goes into voluntary liquidation (otherwise than for the purpose of re-contruction or amalgamation) or calls a meeting of or makes any arrangement of composition with creditors or commits any act of bankruptcy.

- g. Upon determination of the customer's power of sale under clause (e) and (f):
- (i) All amounts payable in respect of the goods that have been re-sold shall immediately become due, notwithstanding that any period of credit permitted under the contract may not have expired.
 - (ii) The customer shall immediately place the remaining goods at Tanners' disposal and Tanners shall be entitled to enter upon any premises of the customer for the purpose of removing the same from the premises. Such return or retaking of possession shall not cancel or otherwise affect this contract of sale relating to such goods or the obligation of the customer to complete the purchase and to pay the purchase price in respect thereof (where the same remains outstanding).
- h. Tanners may maintain an action for the price of the goods notwithstanding that the ownership of them has not passed. For the purpose of this condition "the goods" shall mean all goods which are the subject of any contract of sale of supply between Tanners and the customer.
- i. Tanners shall allocate any cash received against the outstanding debt in any manner they decide. Any sums associated may be re-allocated to different invoices at a later date. Payment for specific invoices does not prevent collection of the remaining goods pertaining to those paid invoices.
- j. Please note all accounts beyond our credit terms will be passed to our debt collection agency. All accounts, without exception, will be subject to a surcharge of 15% plus VAT to cover our costs in recovery. These accounts will also be subject to any legal costs incurred in obtaining settlement.
