GREAT BOWLING EVERYONE!

CONGRATULATIONS TO OUR INCOMING 2021-2022 PBC OFFICERS

Our 1st Annual Officers Induction Ceremony was held on Saturday August 21st at Maggianos Little Italy in Long Island. There was great food and entertainment throught the whole lucheon thanks to our in-house DJ/MC Kevin Veluya, and singers Maureen Reyes and Karen Dayoan. However, this whole event would not have been possible if not for the courtesy and consideration of our incoming President Cindy Custodio.

On behalf of your fellow officers, we thank you Madame President for allowing us to enjoy this moment, as we embark on our journey together in the upcoming winter season.

Meet our OFFICERS Q & A

With President Cindy Custodio & VP Maureen Reyes

Q: When did you first start bowling and who taught you how to bowl?

Cindy: "I first started learning to bowl when I was 9 years old and my father tried to teach me. I didn't take to it then so when I was about 18 years old I began to teach myself."

Mau: "2010 I joined PIBC through Darlene Imperial. There I met my friend Laura Pura who introduced me to PBC. My first team was with Tito Rai & Tita Ding. I was not a fan of bowling. I quit, and came back after a year when I saw my husband bowl. I kind of liked the way he bowled. Hook a-lot. He stands from far left, and then BOOM...split. I mean strike."

Q: What are some of your high scores/achievements/wins?

Cindy: "My highest series is a 715. The closest I got to a perfect game was a 290 – I left a stone 10 pin and spared it."

Mau: "Sanctions double league – 245 scratch, MVP with Young & Who-Bad, and MIP with Puzzles."

Q: What are your current bowling goals?

Cindy: "My personal bowling goal is to shoot a perfect game and hopefully one day an 800 series. My goals as PBC President is to find other Filipinos and attract them to the sport so that we can widen our connection with other bowling leagues in the U.S."

Mau: "To be in elite 235 club."

Q: Why do you like bowling with PBC?

Cindy: "What made me so happy to bowl in PBC when I first started in 2001, is that I loved the camaraderie between other Filipino bowlers. It felt special to belong to a club amongst my peers."

Mau: "PBC is like a 2nd family to us. I am always looking forward to Saturday bowling. I meet a lot of friends. PBC is very warming, pleasant, and very interesting league. We have our ups and downs but when we compete with other countries or teams, we bring our very best."
