Established since 1948

With a focus on luxury and high-quality, Wilcox has crafted funeral vehicles for over 70 years. Their largest selection of new and used funeral vehicles draws on the grace and renowned heritage of Bentley, Jaguar and Mercedes; and the formidable tech of Volvo, Nissan, Peugeot and Ford.

From Wigan and The Midlands, with love.

With over 70 staff across two locations, and second and third generation family members, Wilcox provides an innovative and visionary nod to the future with the Nissan All- Electric, and the Mercedes Petrol Hybrid.

A British contender on the international stage.

The core British styling fused with savvy tech has propelled Wilcox all over the world
