Application of knowledge	Doctrinal focus, applied via theological reasoning—MODERATE TO STRONG	✓ Moderate to Strong
Planning and self-direction	Fully independent study format---STRONG	✓ Strong
Communication and teamwork	Not formally evaluated--LIMITED	△ Limited
Practical ministry application	Covered theologically, not peer-reviewed or practised---THEORETICAL ONLY	△ Theoretical only

Summary Evaluation

- The Crossroads' program **clearly satisfies** most Level 6 expectations in terms of **content, scope, depth and structure**.
- It surpasses typical AQF Level 6 programs in **volume and breadth**.
- While limited in formal ministry practicum and peer interaction, it is effective for foundational ministry training and theological instruction.

Conclusion:

The Crossroads International Bible College program represents a highly structured, theologically sound, and pedagogically progressive course of study that aligns strongly with the academic rigour and expectations of AQF Level 6. Through its 46 systematically arranged teaching units—spanning over 2,500 pages of core doctrinal content—it delivers a clear and coherent theological framework suitable for serious students of the Word who are preparing for ministry or academic progression.

The inclusion of rigorous multiple-choice examinations, undertaken according to integrity-based protocols using only the Bible, provides a credible means of assessing knowledge retention and Biblical literacy. While the course does not include traditional essay-based writing or peer-reviewed ministry practicum, its strength lies in its high-content, self-paced delivery – making it ideal for a global, digitally-connected student base.

Furthermore, the curriculum's Pentecostal distinctives are not isolated doctrinal statements, but are instead embedded in a broader theological narrative that reinforces the spiritual, intellectual and missional dimensions of Christian faith. The method of progressive repetition – where topics are revisited later in the course for deeper exploration—reflects best practice in adult learning and doctrinal development.

While lacking in face-to-face mentorship or pastoral fieldwork components, the course does not present itself as a substitute for such. Rather, it provides the intellectual infrastructure upon which ministry practice can be built—either through local church supervision, denominational credentialling, or further study at AQF Level 7 (Bachelor level).

In light of its theological depth, structural soundness, doctrinal coherence, and the spiritual intentionality of its design, the Crossroads' program is best described as a **robust equivalent of an Advanced Diploma in Theology**. For institutions or bodies considering recognition, articulation (granting subject exemptions or credit in relation to further theological training), or pathway development, this course would serve as a strong candidate for credit toward Bachelor-level studies or ministry credentialling.

Crossroads International Bible College Evaluation of Multiple Choice Assessment Methodology

Purpose: This document provides a third-party analysis of the multiple-choice question sets used across the 46-unit curriculum at Crossroads International Bible College. It evaluates the theological depth, pedagogical soundness and academic comparability of the assessments.

Strengths Observed

1. Doctrinal Alignment

Each assessment is integrated with the theological content of the corresponding study unit. The questions reflect strong Pentecostal doctrine and demand familiarity with the specific teachings.

2. Critical Thinking Encouraged

Many questions go beyond basic recall and assess for doctrinal discernment. Students are often required to distinguish between subtly incorrect theological positions and Biblically grounded truths.

3. Hermeneutical Integration

Questions frequently examine students' grasp of proper Biblical interpretation (literal vs symbolic, exegesis vs eisegesis, etc.), demonstrating an emphasis on Biblical accuracy and sound hermeneutics.

4. Comprehensive Theological Scope

The Crossroads' course demonstrates a wide-ranging and systematically layered theological framework, progressively developed across all 46 units. Each unit is supported by structured doctrinal teaching and multiple-choice questions, designed to test relevant and specific Biblical understanding.

The curriculum systematically addresses major fields of theology, including:

- **Bibliology** – The Bible and Its Authorship, Inspiration, Canon
- **Theology Proper** – The Nature of God, the Trinity
- **Christology** – The Deity, Humanity and Work of Christ
- **Pneumatology** – Baptism in the Holy Spirit, Gifts of the Spirit, Empowerment
- **Soteriology** – Salvation, Regeneration, Grace, Sanctification
- **Hamartiology** – The Fall of Man, the Sin Nature, Redemption
- **Ecclesiology** – The Church, Ministry, Ordinances, Leadership
- **Eschatology** – The Rapture, the Return of Christ, End Times
- **Covenant Theology** – God's Covenants across Scripture
- **Christian Living & Discipleship** – Prayer, Worship, Purpose, Authority

The scope of this curriculum mirrors and aligns with the doctrinal and theological categories covered in formal Bible college programs at the diploma and undergraduate level, particularly those within Pentecostal-Charismatic traditions.

5. Integrity Safeguards

All assessments require a **student declaration** to reinforce academic honesty, spiritual accountability, and the personal responsibility of study. This safeguards both the **credibility of the certificate** and the **genuine development of the student**.

Before accessing any multiple-choice assessment, each student must agree to the following declaration:

Student Declaration

"I declare that I have spent 40 hours or more studying the content of this teaching unit before answering these questions. I commit to answering these questions from the Bible alone. I will not refer to this Study Unit or any external sources. I may use a standard Bible that includes cross-references, headings, or basic study helps. My answers will reflect my personal study of God's Word".

-YES, I confirm this is true, and I declare it honestly before God.

This declaration serves **two purposes**:

-  It upholds **exam integrity** by ensuring the student does not rely on notes, guides or external help.
-  It promotes **spiritual accountability**, reminding the student that their learning is done before God, not merely in accordance with an academic establishment.

This standard helps ensure that all assessments are not only fair but also reflect genuine spiritual growth and theological comprehension.

Academic Comparison

- The multiple-choice question sets, in combination with the curriculum, reflect the academic level of an **Advanced Diploma** or **Associate Degree** in theology.
- The structure, content and doctrinal focus are comparable to **undergraduate Year 1–2 coursework** at Bible colleges.
- When administered with declared integrity and paired with your unit content (2,500 A5 pages of study material), these assessments meet a credible, internal academic standard.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice assessment system that aligns with serious theological education. While non-accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration i.e. its structure and quality may allow other colleges to consider granting recognition in relation to their own accredited programs. It could therefore function as a pathway to further accredited theological training.

Online Delivery Strategy

Due to the college's global reach and limited personnel, all study units and assessments are delivered **online. The course is structured specifically to accommodate thousands of students around the world.**

"Due to the scale and reach of Crossroads International Bible College, all assessments are delivered through doctrinally rigorous multiple-choice questions. This format allows scalable, consistent and Biblically grounded evaluation while remaining accessible to thousands of global students. Assessment integrity is maintained by a declaration system ensuring only the Bible is used during testing."

This approach ensures that assessment remains pedagogically effective and logistically sustainable for a decentralised student body.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice question assessment system that aligns with serious theological education. While non-accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration.

Final Assessment

The Crossroads International Bible College program represents a **highly structured, theologically rich, and pedagogically coherent** course of study that aligns strongly with the academic rigour and expectations of **AQF Level 6 (Advanced Diploma in Theology)**.

Though the 80+ study booklets do not add to the total page count, they serve as an **intentional instructional design tool**, segmenting the 46 teaching units into **accessible, topic-focused components**. This improves the **clarity, navigability and engagement** of the material—especially important in an **online, self-directed global learning model**.

The full program includes:

- Approximately **2,500 A5 pages** of systematically organised doctrinal teaching
- Approximately **850 A5 pages** of carefully constructed, Bible-only multiple-choice questions
- **Doctrinal progression** where core topics are revisited later in the course with greater depth and theological interconnectivity
- **Pentecostal distinctives** are embedded throughout the structure rather than being isolated in a few units
- A delivery model designed for **scale and accessibility**, reaching thousands of global students online

While the course does not incorporate peer dialogue, formal academic writing, or supervised ministry placement, it was never designed to substitute those elements. Instead, it offers the **doctrinal and intellectual infrastructure** needed for further ministry preparation, academic advancement, or integration with local church-based mentoring and denominational credentialling processes.

Academic Equivalency Statement

Based on its content volume, structure, progressive theological depth, and distance-education delivery model, the program is best described as being **equivalent to an Advanced Diploma of Theology (AQF Level 6)**.

It is a strong candidate for:

- **Credit transfer or articulation** into Bachelor-level theological programs (AQF Level 7)
- **Entry-level credentialling pathways** for pastoral and teaching ministries

- **Recognition by faith-based institutions** as intellectual preparation for pulpit and doctrinal teaching ministries

*This evaluation confirms that Crossroads International Bible College delivers a **credible, academically sound and spiritually intentional theological education** for a broad global audience—especially those pursuing a ministry calling through online platforms.*
