Customisation techniques

Embroidery is the most popular and effective way to customise headwear.

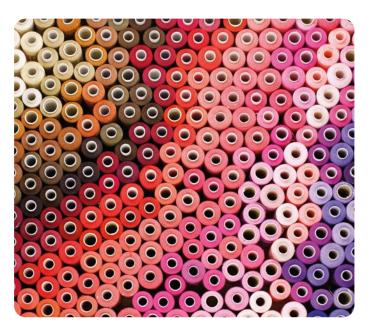

Choosing the right thread quality and colours is key, these small details make a big difference on the final look and feel of your headwear. Since embroidery is one of the most used techniques, we offer a wide selection of threads to ensure a clean and professional finish.

Our embroidery is done with high-quality polyester threads, ensuring both strength and durability for long-lasting results. These threads maintain their vibrant colour and resist fading, even with frequent wear and washing.

Wide range of thread colours

Logos can be embroidered using up to 8 colours. We offer 60 (and counting) colour options from stock and can accommodate any specific request within our yourChoice offer, thanks to our selection of 500 available colours.

Multiple printing techniques possible
