DESIGN OFFICE

Rectangular Units

Rectangular units can be manufactured to have multiple people working at with plenty of room.

Executive glass shelves & kick plates can be added to prevent tampering.

Radial Units

Radiused units manufactured at various angles to allow for a more sweeping configuration.

Curved units are ideal for a single person reception incorporating an office wall for privacy.

Two tone receptions can be created by adding a contrasting modesty panel finish.

finesse modular

Finesse is the latest addition to our modular reception counter offering. Available in a choice of 3 heights to offer added privacy where required. Choose from a selection of décor panel styles to customise your reception from our comprehensive colour palette.

Depending on your vision for the interior, choose between a cozy melamine, or a luxurious veneer finish. Various front and top combinations are also available. Using the same finish on the top, base and front will create a solid and minimalistic reception unit. On the other hand, introducing a different-coloured top or decorative inserts will allow you to subtly reveal the elegance of this reception unit.

aster

Aster is characterised by rigorous and elegant lines, which combine style and functionality in a modular product. Aster develops with imposing volumes, which furnish without being overbearing. The range features nice plexiglas inserts which add a playful touch to these pieces of furniture.

Change to existing ranges

If you have have an interest in an item of reception furniture but require minor modification in size, finish or colour, please contact us and we will look to initiate a solution. Our aim is to make sure that you can adapt our office furniture to your space as much as possible and create the look you want.

Custom-made reception furniture

Customer reception areas usually require customised solutions that can convey the unique image of the company's brand. For this we may ask you to share your ideas, preliminary drawings or images that inspire you, if you have them. We can then assess your request, advise you and, if possible, help you realise your idea.
