General Information

MINIMUM ADVERTISED PRICE POLICY

Pursuant to our commitment to preserving the premium value proposition of Lexora's product offerings and ensuring a level commercial playing field for our esteemed channel partners and resellers, Lexora has implemented a Minimum Advertised Price (MAP) policy.

This MAP policy mandates adherence to the minimum advertised pricing thresholds delineated in our official price guide, encompassing both the product cost and any associated shipping charges. The advertised pricing must be readily verifiable at the point of transaction, requiring only the provision of a zip code and precluding the need for user authentication or additional personal information. While the judicious application of promotional incentives such as coupons, store discounts, or card-based rebates may be permissible, the ultimate advertised price for any Lexora product must not transgress the established MAP threshold. Lexora reserves the exclusive right to adjudicate whether a particular advertising practice contravenes the MAP policy, given the multifarious nature of product promotion and marketing strategies.

Any suspected violations of the MAP policy should be promptly reported to orders@lexorahome.com (Dealers) / cs@lexorahome.com, whereupon our dedicated team will conduct a thorough investigation and mandate appropriate remedial action. In the event that a MAP violation is substantiated, the offending party will be issued a directive to rectify the non-compliant pricing without delay. Persistent disregard for the MAP policy or failure to implement the mandated pricing corrections may precipitate the suspension of shipping privileges and could potentially culminate in the termination of the commercial relationship.

DELIVERY POLICIES

RETURNED GOODS:

Pursuant to the terms and conditions governing the return of merchandise to Lexora, it is hereby stipulated that no goods shall be accepted for return without prior written authorization from Lexora. The issuance of a Return Merchandise Authorization ("RMA" shall be strictly limited to merchandise purchased within thirty (30) calendar days from Lexora. A valid purchase order issued within the preceding thirty (30) days shall be required as evidence of purchase prior to the issuance of an RMA. Only merchandise originally sold by Lexora that is in clean, resalable condition, including original packaging, shall be eligible for consideration of return. A restocking/handling charge of twenty-five percent (25%) of the original invoice price shall apply to all returns unless otherwise expressly noted in writing by Lexora. Returned product must be retrieved by the carrier within thirty (30) calendar days following the issuance of the RMA number. Return shipping fees shall be the responsibility of the customer. In the event that the shipment has not been retrieved by the carrier within thirty (30) calendar days of issuance of RMA, the return shall be deemed void and of no further force or effect. Credit, less applicable shipping fees, shall be issued upon receipt and inspection of the returned goods confirming compliance with the aforementioned requirements. RMA email address: orders@lexorahome.com (Dealers) / cs@lexorahome.com

SPECIAL ORDER MATERIALS:

Orders for special non-stock items are non-cancelable and non-returnable.

CLAIMS / DAMAGES:

It shall be the sole and exclusive responsibility of the customer to inspect incoming shipments for damage before signing the receipt of shipment. In the event that a shipment is damaged, the bill of lading/delivery receipt MUST be signed as damaged, photographic evidence MUST be taken, and both MUST be sent via email to the RMA department. Shipment should be refused at the time of delivery for obvious damage to the packaging. If a shipment is refused, a Customer Service Representative will confirm with the carrier that the shipment or item has been refused. Once refusal has been confirmed, Lexora will, in its sole discretion, either place an order for replacement or provide credit. If shipment is not refused at the time of delivery, the

customer must report damage within seventy-two (72) business hours to the RMA department and must provide the following:

- Purchase Order number of the order
- Tracking number and Carrier Information
- Signed Proof of Delivery, notated of the damaged shipment.
- Model numbers and detailed description of the issues.
- Photographic evidence of all damages and include photos of the packaging of the damaged item. If possible, photographs of the pallet with the boxes still on the truck will limit the customer's liability.

TRUCK DELIVERIES / COMMON CARRIERS:

Pursuant to the terms and conditions governing the sale and delivery of the product(s), any claims pertaining to errors, damages, and/or shortages must be submitted within seventy-two (72) hours following the receipt of the product(s). Failure to comply with this time limitation shall render any subsequent claims inadmissible and incapable of being processed. Furthermore, it is imperative that the bill of lading/delivery receipt be accurately annotated to reflect any visible damages at the time of delivery. Neglecting to document such damages shall result in the automatic denial of any damage claim. Merely noting "subject to inspection" on the bill of lading/delivery receipt shall not be deemed sufficient to preserve the right to file a claim upon the discovery of damage after the opening of the packaging.

**Please note the carrier driver can decide if customer must refuse the entire shipment or partial shipment.*

SHORTAGES:

In the event that one (1) or more boxes are missing from the shipment. The customer is obligated to make a notation on the bill of lading/delivery receipt, explicitly indicating the number of missing boxes. Failure to comply with this requirement shall be construed as an acknowledgment of receipt of the full shipment, thereby precluding Lexora from replacing any missing items, as a claim cannot be processed with the carrier. In the event that items are determined to be missing, the customer shall promptly contact cs@lexorahome.com. Upon notification, the carrier will be instructed to conduct a thorough search for the missing items at the dock facility. If the missing items are not located within seventy-two (72) hours, Lexora reserves the sole discretion to either provide a replacement item or issue a credit to the customer's account.

CONCEALED DAMAGE:

Claims of damages to product upon opening of packaging must be made within thirty (30) days after receipt of product. The following information must be sent to the RMA department within such thirty (30) days or the claim will not be processed

- Purchase Order number of the order
- Tracking number and carrier information
- Date of delivery
- Signed Proof of Delivery
- Model numbers and detailed description of the issues.
- Photographic evidence of all damages and include photos of the packaging of the damaged item. If there is outer packaging damage, concealed damage claim WILL BE DENIED.

Lexora reserves the right to send the part. Lexora offers touch-up kits, parts, in most instances. RMA email address: orders@lexorahome.com (Dealers) / cs@lexorahome.com (The undersigned has read, understands, and agrees to the policies stated above.
