Characters that kids just love

# Safe sounds for

Little ears need protection from loud sounds that can permanently damage their hearing as it develops. That's why these Planet Buddies headphones have a safe 85 decibel volume limit.

Limited  
**85** dB

For little ears

**We work with RePurpose, the  
World's leading Plastic Action  
Platform, bringing together 270+  
brands, consumers, innovators, and  
policymakers to collectively combat  
the plastic waste crisis.**

# We support worldwide conservation

WORLD  
LAND  
TRUST

Planet Buddies are proud to partner up with the World Land Trust whose rangers, Keepers of the Wild, perform essential work on the frontlines of conservation worldwide.

We donate 1% of proceedings to support them in protecting our wildlife and environment.

So far they have:

Protected over  
11,600 species

Secured more than 2,6 million  
acres of threatened habitat

Co-funded a further  
3.1 million acres

Planted 2,7 million trees
