NSW All Schools Welcome Message

With the best of the best players from the Catholic, Government and Independent sector descending on the spiritual home of Netball in NSW for the 2024 NSW All Schools tri-series, we are excited to witness the extremely high standard of Netball in NSW firsthand!

This is a momentous year for the NSW All Schools program, with the 15 years & under NSW All Schools netball team coming off a gold medal performance at the School Sport Australia Games. Adding to this momentous occasion, this was the first group of Netballers to represent NSW under the updated and unified NSW All Schools brand.

The vision of the NSW All Schools program is to have schools valued as an integral part of the athlete pathway and events such as this tri-series goes a long way towards achieving this vision. A huge thanks to all the staff involved in coordinating this event, particularly our host sector Netball convener, Regan Tweddle (NSWCHSSA), who has been ably supported by Alex Butt (NSWCIS) and Karen Ross (NSWCCC), for all the work that goes on behind the scenes to host an event at this level.

Good luck to all participating teams!
