Welcome to the Fair!

The Honorable Bill Lee
Governor of the Great State of Tennessee

We are proud to welcome you to the 2024 Wilson County Fair - Tennessee State Fair. From Memphis to Mountain City, Tennessee has a rich tradition of agriculture, education, and history. When you first enter the fairgrounds until you pack up to head home, you will live the theme of **Sow the Fun, Harvest the Memories - 95 Reasons to Celebrate Tennessee.**

The fair is a beloved annual event that brings together visitors from Tennessee and beyond to celebrate our cultural and community heritage. Known as the state's largest outdoor classroom, all ages can learn a lot from exhibits, demonstrations, and hands-on activities. This is the **Year of Wheat and Small Grains** to highlight Tennessee's most important and enduring agricultural commodities.

With entertainment across 15 stages, 150 livestock shows, more than 60 thrilling amusement rides, and motor sports every

night, you are bound to find something to appeal to every member of the family. And make sure you come hungry. There are nearly 100 concessions, so you can snack on all of your fair food favorites.

Back for its second year, bigger and even better, the Pick Tennessee Products Experience is a one-stop-shop for anyone who wants to sample delicious and unique local products. A full schedule includes programs, live demonstrations, and free bites to allow fairgoers to appreciate the flavors and stories of Tennessee.

The Volunteer State comes to life in the Made in Tennessee building with displays from all 95 Tennessee counties. While there, be sure to explore the phenomenal exhibits in the Best of Tennessee State Champion competition where winners from all county fairs vie for top honors. Awards and bragging rights can be yours with statewide competitions for flow-

ers, fruits, vegetables, honey, canned goods and more. There are also separate contests for youth and adults from Wilson County to showcase their talents.

Stroll over to Fiddlers Grove Historic Village to learn about days gone by. Artisans are demonstrating blacksmithing, basket weaving, wood carving, cast iron cooking, soap making, and so much more. Make sure you visit the General Store for a Coke float and a fried bologna sandwich. You can take in the fair sights and sounds from the front porch or enjoy music at the Back Porch Stage, Opry Stage, and Melrose Church.

There is so much to experience that you can't see it all in just one visit. We invite you to come back over and over again during the best 10 days of summer, August 15-24, 2024. We will see **you** at the Fair.

Plans to give you hope
and a future...

With Tennessee's Human Life Protection Act it is estimated that more than 1,000 babies are being saved from abortion each month in our state! How blessed we are to live in a state that protects the lives of the most vulnerable citizens among us!

We know that an unplanned pregnancy can be scary and many women make decisions to abort their babies when they are afraid and stressed. We also know that after some time of thinking about it, many women wish they could change their minds about a chemical abortion.

After taking the first abortion pill, the baby could still be saved! For help, contact reversethepill.com or call **877-558-0333**.
