

***TAKK FOR
STØTTEN***

FORORD AV VILLY KLEPPE

Musikk har kraften til å knytte mennesker sammen, helbrede og inspirere.

Som uavhengig artist skaper jeg musikk fra hjertet og står selv bak hvert steg på reisen.

Som en stille takk til deg som velger å støtte arbeidet mitt, deles denne eksklusive samlingen med lyttere som støtter musikken min gjennom Support Villy, med et minimumsbidrag på \$3.

Din støtte er med på å holde uavhengige musikalske arbeid levende og gjør det mulig for den å nå videre til dem som finner trøst og glede i den.

Tusen takk til alle som lytter, støtter og går denne veien sammen med meg.
