VERITAS

SOFT TOUCH TERRY TOWEL

Crafted from ultra-soft cotton, this towel delivers a plush, comforting feel with exceptional absorbency. The dense terry weave creates a luxurious hand while remaining breathable and quick-drying, making it ideal for everyday use. Designed to feel thick, cozy, and indulgent, it wraps the skin in warmth and softness after every bath or shower. Durable and long-lasting, the towel maintains its plush texture and clean appearance wash after wash. With its balanced weight and timeless design, it brings a hotel-inspired sense of comfort to the bathroom elevating daily routines with effortless, everyday luxury.

THE FEEL

Plush and indulgent, with exceptional softness and a comforting, spa-like touch. Designed to feel thick yet breathable, offering high absorbency and lasting comfort against the skin.

THE LOOK

Clean and timeless, with a refined terry texture that adds subtle depth and quiet elegance. A modern essential that brings a relaxed, hotel-inspired aesthetic to any bathroom.

SOFT TOUCH TERRY TOWEL

Essential terry towel showcases a subtle and classic terry texture for a clean, timeless look. Crafted from high-quality cotton, it offers exceptional softness and absorbency, wrapping the skin in everyday comfort. The dense yet breathable terry weave allows moisture to be absorbed quickly while remaining lightweight and fast-drying. Designed for durability and long-lasting performance, the towel maintains its plush feel and refined appearance wash after wash. Its understated texture and balanced weight make it an ideal choice for both home bathrooms and hotel-inspired spaces. Effortlessly elegant and endlessly versatile, this towel brings a relaxed resort sensibility to daily routines.

SQUARE TOWEL

SQUARE TURKISH COTTON BATH TOWEL

A signature texture reimagined for everyday bathing, now crafted from 100% organic Turkish cotton. Each yarn in this bath towel set is double-spun using an air-lofted process to create a dimensional waffle weave that feels softer, more resilient, and highly absorbent. The breathable, midweight construction delivers lasting comfort while drying efficiently between uses.

THE FEEL

Soft and cushioned with a rich, textured hand and a breathable, midweight balance that feels comfortable and restorative.

THE LOOK

Modern and refined, defined by a distinctive waffle texture that adds depth and quiet sophistication to the bath.

SIGNATURE PIPED TOWEL

Timeless Elegance, Pure Comfort

Crafted from 100% organic cotton, these towels deliver exceptional softness and superior absorbency for everyday luxury. Their breathable structure allows for quick drying while maintaining a fresh, clean feel against the skin. The naturally smooth texture of organic fibers makes them ideal for sensitive skin.

Designed with refined piped edges, the towels retain their shape over time while adding a subtle, sophisticated frame to the design. The minimalist aesthetic is elevated with carefully selected piping colors, creating a modern yet timeless look that complements both classic and contemporary bathroom interiors.

Made from chemically untreated organic cotton yarns, this collection reflects a conscious choice for both personal well-being and environmental responsibility.

TEXTURE TOWEL

Crafted from pure, natural cotton, this towel brings understated elegance and everyday comfort to the bathroom. Its 100% cotton composition ensures excellent absorbency while offering a soft, gentle feel against the skin.

The refined surface texture adds a modern character to the design, balancing visual appeal with durability for daily use. Breathable cotton fibers allow for quick drying and a fresh, comfortable experience after every use.

With its timeless color palette and clean aesthetic, it complements both contemporary and classic bathroom interiors. A natural essential designed to elevate daily routines with comfort and quiet sophistication.

TEXTURE TOWEL

COTTON ROBE

Crafted from premium yarns cultivated in the Aegean region, the robe reflects the natural richness of its origin. Grown in a climate ideal for producing exceptionally soft and resilient fibers, these yarns offer a breathable, absorbent, and beautifully smooth texture against the skin. Thoughtful construction ensures lasting softness and structure, so the robe feels just as indulgent over time as it does on day one.

TEXTURE ROBE

This bathrobe is also available in a range of minimal patterns, where delicate, understated lines complement the natural softness of the fabric to create a harmonious aesthetic. Each pattern enhances the comfort and spa-like relaxation the robe provides, while adding a subtle personal touch and style to your bathroom. With its minimalist design approach, the patterns never feel overwhelming—instead, they transform everyday moments into a more serene and refined experience.

TEXTURE ROBE

SPACEDYE TOWEL & ROBE

Completing the experience are the soft, highly absorbent towels, made with the same attention to yarn quality and texture. Whether wrapping up after a bath or starting your morning routine, these towels perfectly complement the robe, creating a cohesive and indulgent at-home spa experience.

Start your day, unwind after a long evening, or savor a quiet moment—this robe and towel set delivers comfort, softness, and understated elegance in every fold, transforming your everyday routine into a true luxury experience.

AIRPLY ROBE

This robe redefines everyday comfort, offering a level of softness and coziness that transforms simple routines into moments of indulgence. Meticulously designed for those who value both quality and relaxation, it quickly becomes more than just a garment—it becomes an essential part of your self-care ritual.

Expertly constructed from four lightweight layers of ultra-fine organic cotton, each robe is thoughtfully pre-shrunk to preserve its natural folds, creating a texture that is simultaneously gentle and inviting. The carefully layered design not only provides warmth without bulk but also allows the fabric to move effortlessly with your body, offering a supple stretch that enhances comfort in every motion.

CHECK WAFFLE ROBE

Discover the art of subtle luxury with our Check Design Waffle Robe, where thoughtfully blended colors meet the timeless comfort of a waffle weave. Each hue is carefully chosen and woven together, creating a refined patchwork that is both visually striking and effortlessly elegant. Crafted from soft, breathable, and lightweight cotton, this robe moves with you, offering a gentle stretch and a texture that feels soothing against the skin. The waffle weave adds depth and character, giving each fold a natural, relaxed sophistication.

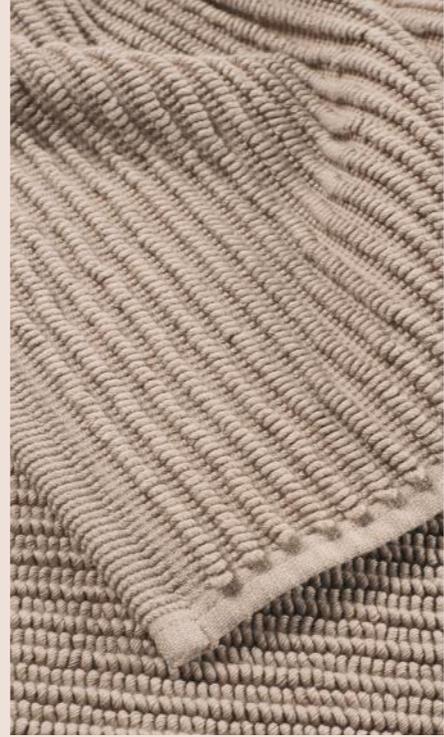

Step out of the shower onto a bath mat that feels like a gentle embrace. Crafted from organic long-staple Turkish cotton, it's soft, absorbent, and built to last. Thoughtfully woven in the Aegean region, its simple, timeless design brings warmth and comfort to your everyday routine. Everyday luxury, made for you.

TEXTURE BATH MAT

Crafted from organic long-staple Turkish cotton, it's soft, absorbent, and built to last. Thoughtfully woven in the Aegean region, each mat features subtle, elegant patterns that bring texture and character to your space. Its simple, timeless design wraps your daily routine in warmth and comfort, turning everyday moments into quiet luxuries. A bath mat that's more than just practical—it's a touch of calm, beauty, and care for your home.

SOLID BATH RUG

Unimaginably sumptuous and indulgently plush, this bath mat is crafted with a substantial, reassuring weight that immediately signals superior quality underfoot. Its dense construction delivers exceptional sink-in softness, gently cushioning the feet while providing a stable, supportive feel with every step.

TEXTURE BATH MAT

Bring natural luxury to your bathroom with our woven bath mats, crafted from 100% Aegean cotton. The unique textured pattern adds depth and elegance, while the soft, absorbent fibers provide ultimate comfort underfoot. Durable and long-lasting, these mats feature a non-slip backing for safe use, combining style, functionality, and the natural quality of premium cotton. Perfect for modern or classic bathrooms, they create a warm, inviting atmosphere while elevating your everyday routine.

COTTON LINEN SHEET SET
50%Cotton 50%Linen

The Feel

This exceptionally soft, naturally worn fabric is designed to feel even softer and more comfortable with each wash.

The Look

Specially washed for a subtly vintage look, creating a comfortable aesthetic.

Crafted from a refined blend of natural cotton and linen, the Cotton Linen Duvet Cover Set brings effortless elegance and breathable comfort to your bedroom. The fabric's airy structure helps regulate temperature throughout the year, while linen adds a distinctive texture and relaxed sophistication.

Crafted from a refined blend of natural cotton and linen, the Cotton Linen Duvet Cover Set brings effortless elegance and breathable comfort to your bedroom. The fabric's airy structure helps regulate temperature throughout the year, while linen adds a distinctive texture and relaxed sophistication.

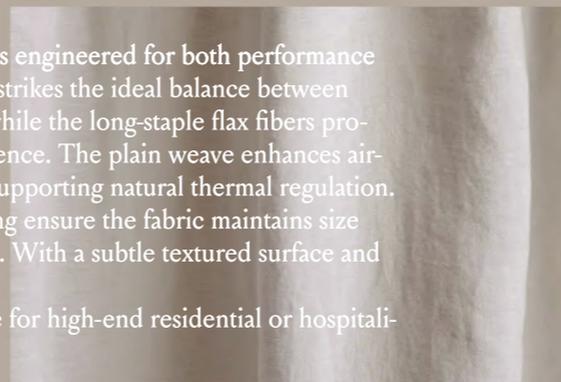

LINEN DUVET SET

- Naturally breathable with excellent moisture absorption and wicking
- Thermoregulating for year-round comfort
- High tensile strength, resistant to pilling and tearing.
- Lightweight yet durable, suitable for daily use. Subtle textured surface for aesthetic appeal.

This 100% linen duvet cover set is engineered for both performance and luxury. The 160 GSM fabric strikes the ideal balance between softness and structural integrity, while the long-staple flax fibers provide superior durability and resilience. The plain weave enhances air-flow and moisture management, supporting natural thermal regulation. Pre-shrinking and enzyme finishing ensure the fabric maintains size and softness after multiple washes. With a subtle textured surface and

fined aesthetics, making it suitable for high-end residential or hospitality applications.

Duolinen duvet set is crafted from a balanced blend of 50% cotton and 50% linen, combining the natural softness of cotton with the airy, textured character of linen. The result is a breathable, durable fabric that delivers comfort while maintaining a refined, relaxed appearance.

The woven plaid pattern is precisely constructed to ensure visual consistency and long-term pattern clarity. Thanks to the linen content, the fabric offers a subtle natural texture, while cotton enhances smoothness and softness against the skin.

Designed for year-round use, the fabric supports airflow and moisture regulation, helping create a cool, well-balanced sleep environment. Carefully finished edges and durable weaving ensure the duvet retains its structure, color depth, and pattern integrity through regular use and washing.

DUOLINEN CHECK DUVET SET

DUOLINEN DUVET SET

Woven from a 50% cotton / 50% linen blend, this duvet set offers natural breathability, balanced moisture regulation, and a softly structured drape. The precisely aligned plaid weave ensures long-lasting pattern clarity and dimensional stability.

The Feel

Naturally breathable cotton–linen blend with a softly lived-in hand

The Look

Relaxed plaid pattern with a gentle drape and a subtle natural sheen, enriched by the texture of linen

TEXTURE SATIN

Crafted from premium 400 thread count satin fabric, this textile offers a smooth, silky touch with a refined textured pattern. The high thread count ensures exceptional softness, durability, and a luxurious feel against the skin. Elegant and breathable, the textured satin surface adds depth and sophistication, making it perfect for creating a polished, upscale look in any space.

TEXTURE SATIN DUVET SET

Inspired by the refined comfort of Boll & Branch, this 400 thread count satin fabric features a smooth, silky touch and an elegant textured pattern. Designed for exceptional softness and lasting quality, it brings a sense of understated luxury to your living space.

The Feel

DESIGN THAT FITS YOUR LIFESTYLE

Designed Just for You

Featuring timeless stripes and a soft, inviting texture, this throw brings calm elegance to any space. Perfect for sofas, armchairs, or the foot of the bed, it offers cozy warmth on cool evenings while adding effortless style. A decorative yet functional essential.

LINEN QUILTED BEDSPREAD

Made from 100% linen, this cable-quilted bedspread offers natural breathability, moisture regulation, and a softly structured handfeel. The quilted construction enhances dimensional stability while preserving a relaxed, refined drape.

Cable-Quilted Elegance

This quilted bedspread features a refined cable-knit-inspired pattern, adding soft dimension and understated texture to the bedroom. Its structured quilting creates a balanced, tailored look while maintaining a calm and inviting presence on the bed.

Crafted to drape smoothly, the bedspread offers a gently padded feel that enhances comfort without adding excess weight. The neutral tone and tactile surface make it an effortless complement to both modern and classic interiors. Designed for versatile use, it functions beautifully as a lightweight bed cover or an extra layer for added warmth—bringing quiet sophistication and timeless appeal to the bedroom.

AIRSOFT DUVET SET

100% Organic Cotton

The AIRSOFT bedspread features organic cotton fabric on both the front and back, providing a natural, breathable surface with a soft hand feel. The inner filling is made from recycled PES, offering lightweight insulation while supporting responsible material use.

The large-area quilted pattern ensures even distribution of the filling, enhancing dimensional stability and maintaining a smooth, balanced drape across the bed. The quilting also improves durability, helping the bedspread retain its shape and structure during everyday use.

Designed for year-round practicality, AIRSOFT combines breathable natural cotton surfaces with a lightweight recycled filling—delivering comfort, functionality, and a clean, modern aesthetic.

LINEN DUVET & BEDSPREAD

The timeless texture of natural linen meets modern geometric patterns, bringing a refined character to the bedroom. Crafted from 100% linen, this quilted bedspread offers breathable comfort and a naturally balanced feel for year-round use. The carefully designed geometric quilting adds architectural depth to the surface, creating a clean yet striking aesthetic. Linen's unique natural fibers soften over time, developing a lived-in texture that feels personal and effortlessly elegant. With its lightly padded structure, it serves both decorative and functional purposes—adding warmth, structure, and a sophisticated finish to your bed. Designed for those who appreciate natural materials, understated luxury, and contemporary design.

Crafted from 100% pure linen with a 160 GSM weight, this solid-color duvet cover offers a naturally breathable and effortlessly refined sleeping experience. Its lightweight yet substantial feel provides the perfect balance between comfort and durability, making it ideal for year-round use. The clean, minimalist surface highlights the authentic texture of linen, allowing its natural irregularities and soft matte finish to take center stage. Over time, the fabric becomes even softer, developing a relaxed, lived-in character that feels uniquely personal.
