Q4 2024

*Going National to Save  
10,000 Dogs in 2025!*

# WELCOME PACKO

It's the holidays, almost everybody's favorite time of the year. But, for our furry family members, it is extra special. More snacks, more belly rubs, more fireplaces, more toys, and warm laps to sit in and lots and lots more love!

As I stop to reflect on 2024, I am grateful for the thousands of dogs our charity helped rescue this year. I am also heartbroken for the hundreds of thousands of needy dogs we couldn't help.

Because of the still high need, we are 4Xing our efforts and our goals for next year when we hope to help rescue and incredible 10,000 dogs.

**You read that right...10,000 dogs!**

I could never have dreamed that I would be able to utter these words when I started this mission **to make the world a better place for dogs** a little over two years ago.

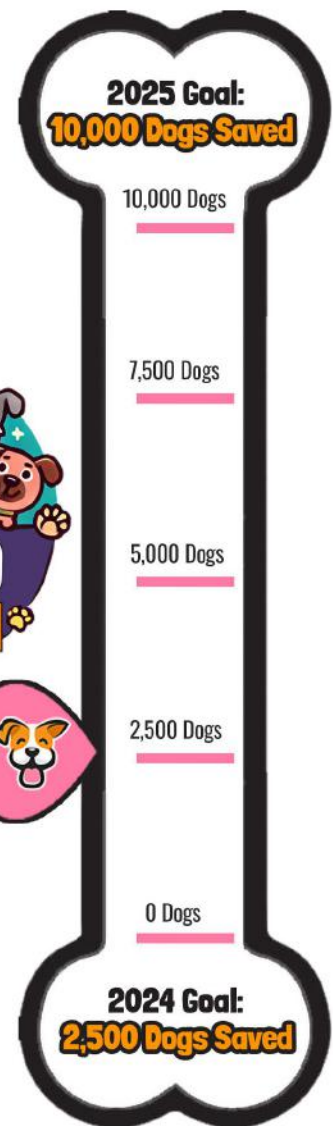

That mission has now turned into a movement and that movement has been joined by **125,000+ community members**, affectionately called The Packo, **10,000+ Hero Club Members**, 4 Packo Partners and 2 Packo Pals.

Over the next year we will actively vet, sponsor and otherwise support **over 100 new dog welfare organizations**, each sharing the same burning desire to find safe and happy homes for every needy dog.

So, this Christmas morning please take a minute to thank your dog for being your kind, happy and joyous best friend and the heart of your family.

Happy Holidays!

# WHAT IS THE PACKO DOG RESCUE NETWORK?

The Packo Dog Rescue Network is a collaboration between our dog charity partners, affectionately called Packo Partners and Packo Pals, and the We Love Doggos Community.

The Network is funded by the We Love Doggos Charity primarily through the support of our Hero Club whose 10,000+ members recommend new charity partners and fund special projects and missions including, facility repairs, dog transports, spay and neuter clinics, medical procedures and more.

I put together this short video to explain more and tell you about the beginning of it all, one fateful trip driving down a rural highway in Northwest Montana.

The difference we make is AMAZING, but don't take my word for it.

Here is Wendy, the Executive Director at the Tobacco Valley Animal Shelter in beautiful Eureka, Montana, our very first Packo Partner, to tell you the difference The Packo Rescue Network has made there.
