# Embark upon your next adventure...

Dear Friends,

Travel is truly an enriching part of our lives. It allows us to connect with new worlds, new friends, and each other.

We're excited to present to you the following 2024 educational travel programs. Every trip has been carefully curated, so you can enjoy the best each has to offer. Group sizes are intimate for maximum enjoyment by all. And because you're traveling with fellow alums, you have a bond between you before you set foot on a plane. And one that is surely strengthened by the time you return home.

Here are a few of the highlights you can expect...

**Convenience.** Our experience pays off. Every detail is planned out and taken care of for you. All you have to do is pack your bag. The hard part will be selecting a trip.

**Educational Enrichment.** All trips include educational content and are accompanied not only by knowledgeable expedition leaders or travel directors, but also expert local guides who will enhance each journey.

**Camaraderie.** Once you experience an alumni trip, you will find that there is nothing better than connecting with and sharing your travel experiences with fellow graduates.
