Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

As we reach the culmination of another regular season and celebrate the accomplishments of the student-athletes, coaches, and sports officials during the past several months, it is a great time to reflect upon the past season, revel in the excitement of postseason play and look forward to interscholastic athletics and activities in the future.

If you are reading this program, you are a part of the game. It might be because you are participating in it in some way, as part of a team, the officiating crew, or the event staff. It might be because someone you love is participating as an athlete, coach, or contest official this week. It might be because you want to support your community or your alma mater. It might simply be because you love high school sports and want to witness the thrill and purity of high school athletics. Regardless of your role, you are important in this landscape and are representing someone and something bigger than yourself.

We all hear a great deal about unsportsmanlike behavior during athletic events. By definition, “unsportsmanlike” is a term that is reserved for participants in a contest. However, we tend to group in boorish behavior of spectators as unsportsmanlike. In truth, what we see and hear in the stands can simply be termed as “bad behavior” – disrespectful, degrading, offensive, threatening, aggressive or otherwise negative. This behavior can be directed at opponents, coaches, and contest officials. When you are the one participating in this behavior, it does not just reflect poorly on you – it reflects on the very community you are representing and supporting. This behavior, that is posted, reposted, and shared on social media has all too often become the norm and it is up to every one of us to turn the tide.

In his book, *A Lifetime of Observations and Reflections On and Off the Court*, legendary basketball coach John Wooden wrote: “Some say I believe in old-fashioned traits: courtesy, politeness, and consideration. I do believe in these qualities, but they are not old-fashioned. They never go out of style – even when they seem to be increasingly scarce. I believe they are still common. We just see their opposites so much that we think that’s all there is. People like to help, to be polite, to be considerate. I believe it’s human nature. And it’s a funny thing: when you start displaying courtesy, politeness, and consideration, people start displaying then right back.”

The world of education-based athletics and athletics is an amazing laboratory for lifelong learning. It is not just in the academic classroom where we learn lessons and those lessons are not just reserved for student-athletes. This educational content extends to the stands of a game or event, wherein we all become teachers and simultaneously students. As fans of our classmates, family members, neighbors, schools, or communities, we should strive to get back to the old-fashioned traits Coach Wooden held in such high esteem.

While we too frequently see the opposite of these ideals on social media, it does not give anyone the proverbial green light to act in the same way. We need to positively represent the students, schools, and communities we support, and we need to positively represent ourselves. While we can learn a lot from the behavior of the people around us, we can also be the one who is the model of positivity for everyone else around us.

We are all in this together. Let’s enjoy the competition, positively cheer for our teams, and give the game the respect it deserves.

2021-22 State Championship Recap

Pecos Boys Win A-2A Championship

The morning started with the Class A-2A runners. Penasco senior Gilbert Valdez was out to win his second straight cross-country title and he did it. Valdez said he wanted to reach the 16-minute mark and he hit it right on, crossing the finish line first in a time of 16:00.88, a personal record. Valdez was 47 seconds faster than the competition in his classification.

“I kept hammering and hammering on the course and heard I had a 200 yard gap and stay focused,” said Valdez.

The Pecos boys won the team title with 50 points, beating second place Oak Grove (105). Penasco was third (127).

Penasco Girls Take A-2A Title

The Panthers won the girls team title. Penasco finished first with 81 points. There were only four points separating first from third in the girls team totals. ATC was second with 83 points and Gateway Christian was third with 85. Individually, Josette Gurule of ATC was the fastest of the bunch. She won the top individual honor in a time of 20:33.82.

“I told myself I was going to hold out until mile number two and then go for it and see what I can do,” said Gurule. “It worked out and I’m so grateful it did.”

2021-22 State Championship Recap

The 3A Boys Crown Awarded to Zuni

Cottonwood Classical Decisive Winner for the 3A Girls

The Boys Class 3A race was the closest of the day. Zuni's Kameron Eustace and Tohatchi's Melvin Scott Junior entered the track side by side for the final lap. Going stride for stride in the final 100 meters, Melvin Scott, Jr just edged out Eustace at the finish line, winning his first state title in a time of 16:35.54.

"I told myself I had to give it my all," said Melvin Scott, Jr following the win.

The Zuni boys blew away the field with a team total of 32 and another first place trophy. Zuni had five of the top ten runners in their race. Tohatchi finished second (45 points), followed by Cottonwood Classical (111).

While the boys 3A race was the closest, the 3A girls race was anything but close. Raylee Hunt of St. Michael's entered the track with no one else behind her, finishing first by over a minute. Her winning time was 19:12.14.

"It feels amazing," said Hunt. "I've put years and years working toward this and I even wrote it on my mirror, I worked so hard and I'm so happy."

Cottonwood Classical girls won the team title with 54 points. Santa Fe Prep was second (100) and Santa Fe Indian School finished third (122).

2021-22 State Championship Recap

Los Alamos Boys Dominate the 4A Competition

Los Alamos Girls Also Take the Blue Trophy

Repeat feat was the phrase in Class 4A. Rendon Kuykendall from Hope Christian was looking for a repeat performance from last season and the defending state champ delivered. He finished first in a time of 15:24.90.

“It’s great and we have a young team and I’m happy how far we’ve come this year,” said Kuykendall.

The Los Alamos boys dominated with 24 points on the day and another first place finish. The Hilltoppers had four of the top six runners, and everyone finished in the top 15. Albuquerque Academy finished second (87) and Hope Christian third (152). The Los Alamos girls also dominated the course. Los Alamos teammates Delaney Ulrich and Kelly Wetteland finished the race side by side. Ulrich edged out her teammate by one second, clocking the winning time at 18:56.33.

“It was great finishing side-by-side because we worked together the whole race and finishing together was really cool,” said Ulrich.

The Hilltoppers made it a boys and girls sweep as Los Alamos won both team titles in Class 4A. Los Alamos had four of the top 9 to cross the finish line. In fact, all of their runners placed in the top 20. The Los Alamos girls had 28 points followed by Albuquerque Academy (49) and St. Pius X (123). It’s the third straight state title for the Los Alamos girls.

2021-22 State Championship Recap

Volcano Vista Boys Take Their First State Title

It was a year of firsts in Class 5A. It was a first for the Volcano Vista boys and girls and an inaugural championship for a couple individual runners, too. Sandia's Steven West capped off his solid season with a state title, his first. West's winning time was 16:00.16, 13 seconds ahead of the competition.

"I've been running since the 4th grade, it's super exciting to see it come to a conclusion," said West following his win.

Volcano Vista won the boys team title with 59 points from the Hawks. Rio Rancho was second with 93 points and Cleveland third with 98. All three of those teams are from the same district.

Volcano Vista Girls Make It a Sweep

Alamogordo's Ellary Battle beat out some tough competition to win her first state title. Battle crossed the finish line ahead of everyone with a time of 18:53.47.

"Going into it, I just wanted to stay up front and stick with the pack," said Battle of her strategy. "I told myself I could do it and it paid off."

The Volcano Vista girls made it a sweep for the Hawks. Volcano Vista totaled 62 points and beat out Rio Rancho (80) and Cleveland (99) for their first title.
