EDUCATION RANGE

targus.com.au
targus.co.nz

IT'S OUR RESPONSIBILITY.

Targus design and create products with innovation that is focused on the priority of protecting students and teachers productivity, well-being and most of all, their safety.

Over engineered to out perform their purpose, Targus products exceed military standards of quality and assurance to ensure educational institutions uphold their own levels of safety and social responsibility.

Design sketches from our Anaheim, California studio

THE TARGUS RESPONSIBILITY HERE'S WHY.

We're pioneers of the laptop carry case category, having worked closely with schools, corporations and education resellers to constantly improve and evolve our product designs for over **40** years.

Targus cases are over engineered to include military standards with specifically selected materials, padding and fittings that are superior in longevity and durability compared to standard laptop cases.

We independently have our products drop and compression tested to provide unmatched protection, reduce student down time and alleviate the hassle of repairing or replacing devices.

ENVIRONMENTALLY RESPONSIBLE

Targus Education Cases are made out of recycled water bottles. Targus endeavours to have a supply chain which is equally capable, efficient and ethical, with compliance to leading standards and certifications. We're on a journey on creating products that are environmentally responsible from manufacturing to distribution.*

BOTTLES ARE RECYCLED

SHREDDED AND RE-POLYMERIZED INTO PLASTIC CHIPS

HEATED AND SPUN INTO YARN

WOVEN INTO MATERIAL

AND SEWN INTO THE FABRIC OF OUR ECOSMART BAG

WHAT OUR CUSTOMERS SAY ABOUT US

“If it hadn’t been for the Targus bags I’d be spending all day fixing laptops and have no time to do other stuff. The bags protecting laptops properly means I can work on more critical projects.”

– Hugo, IT Manager for Mazenod College (Perth)

SOLUTIONS FOR STUDENTS

T.A.N.C.™

MAX PROTECTION

CONTEGO™

MIDDLE WEIGHT

VERTICAL RUGGED

LIGHT WEIGHT

DOME™

SLIM LIGHT WEIGHT

WORK-IN ESSENTIAL

ESSENTIAL PROTECTION

THE T.A.N.C.™ CASE IS

OVER ENGINEERED FOR PROTECTION

MAKING IT OUR MOST PROTECTIVE CASE YET.

Self healing zips to last an entire school life (up to 24,000 opens and closures) to ensure this inconvenient problem self fixes through open and close

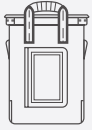

Withstands up to 120kgs of pressure with Patented Protection and a built-in honeycomb shell

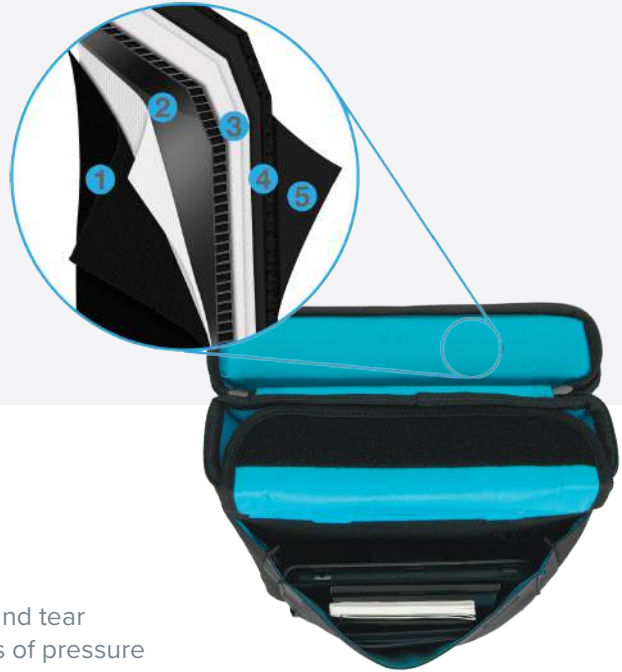

Made from water resistant and eco materials with 2 layers of PU coating for additional durability

FORM-FITTED BAGS

T.A.N.C.™ THE BEST PROTECTION

WITH 5 SHOCK ABSORBING LAYERS

- 1 **Heavy-duty fabric:** Protects against wear and tear
- 2 **Honeycomb shell:** Withstands up to 120kgs of pressure
- 3 **Shock-absorbing foam:** Absorbs drop impacts
- 4 **Padded foam:** Holds and cushions laptop
- 5 **Durable lining:** For laptop scratch resistance

STRENGTH TESTED

COMPRESSION TESTED

Protects against school yard drops and pressures of up to 40kg** caused by typical day to day student usage. T.A.N.C. can even hold up to 120kg** fully distributed load, making it our most protective case yet.

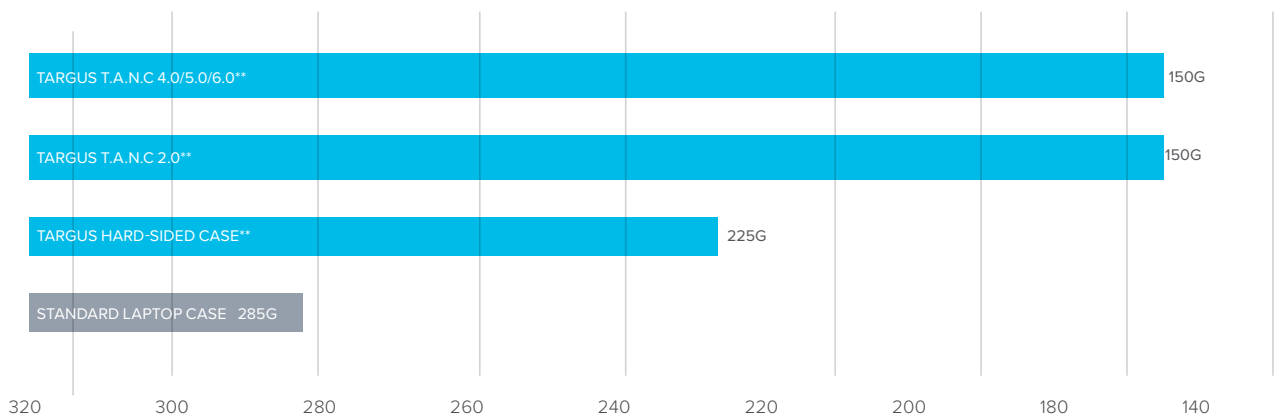

DROP TESTED

At Targus we're so confident in the strength of our carry cases that we commissioned Access UTS Pty Ltd, wholly owned by University of Technology Sydney (UTS), to independently test our cases.

LOW PROTECTION

MAXIMUM PROTECTION

Drop tests were conducted using a tri-axial accelerometer inserted into the carry cases. Each case was subject to 3-5 drops (12 drops for T.A.N.C. 4.0/5.0/6.0) at the height of no less than 0.8 metres (the approximate height of a standard desk or carried with a strap over the shoulder) to measure their cushioning and protective performance. Responses were measured in “Gs” as a value of force, tabulated and averaged. The lower the G-force measurement, the better the protection.

FORM-FITTED BAGS

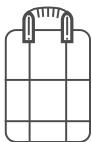

CONTEGO™ BAG IN BAG SOLUTION

WITHOUT THE WEIGHT

Available in 11-12" and 13.3"

- Made from water resistant and eco materials with 2 layers of PU coating
- Thin profile, perfect fit inside school bags
- Smart dual handles and detachable shoulder strap for comfortable carrying
- Soft interior lining to protect devices from bumps and scratches
- Rear large ID window for student timetables

VERTICAL RUGGED

LIGHT, AFFORDABLE PROTECTION

Available in 11-12" and 13-14"

- Made from water resistant and eco materials with 2 layers of PU coating
- Substantial protection with reinforced front and back panels
- Smart dual handles for easy carrying
- Soft interior lining to protect against scratches
- Vertical orientation to easily fit into backpacks

WORK-IN CASES

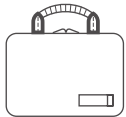

DOME™ PROTECTION

SUPER-SLIM & MINIMAL

Available in 11.6" and 13-14"

- Made from water resistant and eco materials with 2 layers of PU coating
- Patented Dome Protection helps protect screens from impact
- Dual elastic straps to hold devices of multiple sizes in place
- Provides protection and airflow

WORK-IN ESSENTIALS

STURDY & ESSENTIAL PROTECTION

Available in 11.6" and 13-14"

- Sturdy elastic straps anchor device in case; unzip to start work
- Soft touch interior lining helps prevent scuffs
- Large front pocket to store power adapter or accessories
- Adjustable shoulder strap and sturdy carrying handle

CONTEMPORARY BAGS

SAGANO COLLECTION

TRAVEL BACKPACK

For MacBook and Laptops up to 16"

- On-trend two-tone minimalistic design
- Separate laptop compartment with SafePort Sling Protection
- Ergonomic shoulder straps
- Hidden pocket with rain cover
- Workstation with RFID pocket and padded tablet pocket
- 2 exterior front pockets

COMMUTER BACKPACK

For MacBook and Laptops up to 16"

- On-trend two-tone minimalistic design
- Padded laptop compartment
- Padded comfort shoulder straps and back mesh panel
- 1 large exterior front pocket
- Workstation with pen loop, card holder and zippered pocket
- 2 water bottle pockets

CONTEMPORARY BAGS

EcoSmart® Technology has prevented **4 million** plastic bottles ending up in our oceans and landfill.

SLIPCASE ECOSMART

Available in 14" and 16"

- On-trend two-tone minimalistic design
- Padded laptop compartment
- 1 exterior front pocket
- Trolley strap
- Comfort carry handles
- Padded removable shoulder strap

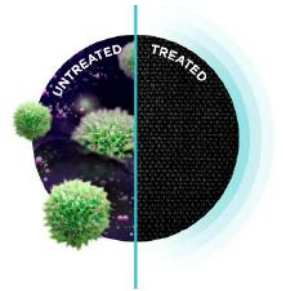

TECH ACCESSORIES

ANTIMICROBIAL MICE & KEYBOARDS

FOR A CLEAN, COMFORTABLE WORKSPACE

DefenseGuard™ Antimicrobial Protection is infused into the product for a cleaner surface: it eliminates and prevents the growth of bacteria on product surfaces and touchpoints

MICE

Put productivity at your fingertips with the Antimicrobial Mice, creating a cleaner surface and works continuously to protect the mice by preventing the growth of microorganisms.

KEYBOARDS

Connect with ease and start your typing with Antimicrobial keyboards, proven to protect against germs as it won't wear off or wash off.

TECH ACCESSORIES

eco/smart[®]
TECHNOLOGY

SUSTAINABLE KEYBOARD & MICE

MADE WITH RECYCLED MATERIALS

- Full-size design with 104 keypad
- Powered by solar cells optimised to harvest light from a variety of light conditions (including indoor lighting)

- Full-size, ambidextrous design fits comfortably in right or left hand
- Easily converts from left- to right-handed use with a simple twist of the top
- Manufactured from 85% post-consumer recycled materials

TECH ACCESSORIES

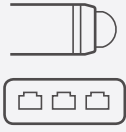

UNIVERSAL DOCKING STATIONS

SINGLE CABLE CONNECTIVITY

- Power and connect almost any laptop to monitors, ethernet, keyboard and more, via a single USB cable
- Universal docking stations suit almost all models of PCs and devices
- Boost work productivity via a dual screen workspace

TECH ACCESSORIES

STYLUS & HUBS

ADD THE PERFECT ACCESSORY

STYLUS PENS

Reduce the spread of germs with individual stylus pens. For use with touch screen devices.

USB HUBS

Connect to screens, keyboard, mice, ethernet and power at the same time.

Perfect for tablets, laptops and 2-in-1 devices that come with limited ports.

TECH ACCESSORIES

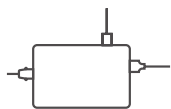

SECURITY

REDUCE THE RISK OF THEFT AND DATA BREACHES

CABLE LOCKS

Compact and tough, our cable locks are easy to use and nearly impossible to destruct.

POWER Solutions

An ideal companion for the students' technology requirement

- Universal laptop charger supporting all major laptop brands
- GaN Charger with interchangeable plugs allowing student to charge the laptop and other devices at the same time
- Powerful USB-C Powerbank enabling student to charge multiple laptops/devices anywhere.

PRIVACY SCREENS

Filters Blue Light, Minimizing Eye Strain

Touch Screen Compatible

Anti-Microbial Coated

Anti-Glare & Non-Reflective

Keep testing safe from prying eyes. With students expected to complete the NAPLAN test online and with NAP (National Assessment Program) supporting BYOD, the security and privacy of on screen data is more important than ever.

ANY SCREEN, ANY SIZE

Targus Privacy Screens are available to fit tablet, laptop and desktop monitor screens from 9.7" up to 27" including the latest devices.

They also act as a dust-resistant screen protector to prevent scratches and damages to your device.

CUSTOM LOGO PROGRAM

Promote your school

Add your school logo on our exceptional bags and cases to showcase your school from Targus. Ask us about heat transfer, embroidery, embossing or monogramming on selected products.
