About PPM GOLD MASALE

COMPANY AT A GLANCE

Known throughout the world, PARKASH MASALE is a business that produces and exports traditional Indian spices, pickles, syrups, sauces, canned fruits

and vegetables. Company has 50 years of experience in product processing, marketing, and exportation to a variety of nations.

Without the use of human hands, the processing is carried out in the most hygienic conditions possible with the newest technological equipment. The company conducts regular market surveys and invites renowned chefs to use the products in order to achieve 100% customer satisfaction. Our research and development department creates the best products it can by taking all the data into account.

The Company has been registered as an exporter by Govt Of India and is AN ISO 22000 : 2005 Certified Company.

100% Pure Masale

"Spicing Up Life with 100% Pure Masale"

brings the essence of authentic Indian flavors to your kitchen.

Sourced From the Finest Farms

To assure the best quality, PPM Gold Spices are imported from the best spice-growing regions.

Packed Hygienically

PPM Gold spices are packaged with cutting-edge machinery to minimise human interaction.

LTG

Low Temperature Grinding. LTG makes sure that the spice retains its inherent oils and flavours better.
