BISLEY

Made for Life

Life may be unpredictable, but you can always count on Bisley.

We're a design and manufacturing powerhouse. For over ninety years we've been quietly creating innovative products that meet the evolving needs of our working world. And now more than ever, the workspace is ripe for reimagination.

Our success is based on enduring relationships, the latest technology and the best people. We're always pushing the boundaries of manufacturing excellence to bring you furniture that is Made for Life.

A British Powerhouse

Today, we combine this spirit of innovation with a collective knowledge that can only come from experience.

While the world may evolve, our passion for design and care for our people never changes. We are proud of our British heritage and our independence, while our drive, energy and capabilities mean that we can produce whatever you need, in the volumes you need, wherever you might need it.

Quality you can trust

Through nurturing the talents and expertise of our colleagues, we create desirable products recognised as first choice for their quality throughout the world.

Precision engineered and built to last, your Bisley furniture will keep on working as hard as the first day you got it.

We're unashamedly passionate about furniture – it's at the heart of everything we do.

Whether you're in the office or at home, Bisley gives you unique, innovative furniture that doesn't compromise on style – so you can thrive anywhere.

Essentials Lockers

This range offers secure, personal storage a mobile workforce needs to feel at ease, wherever they're working. You can choose from a range of colours, heights, and widths – so you get the best configuration for your working environment.

Personal storage lockers for front-of-house applications, all with an individual lock and barrel key for security. Name slot holders come as standard.

Primary Lockers

Robust, versatile and hard-wearing - lockers crafted for the workplace.

Primary Lockers by Bisley span a wide range of sizes and configurations, allowing you to stow your personal belongings, workwear or equipment as required. With perfect sized compartments to suit every need; whether you're storing uniform and bulky items, to separating your clothes from dirty overalls. Designed for durability, these lockers are aimed at fulfilling tough 'back of house' storage requirements, but the neat and minimalist design means they will look great in changing rooms and customer facing cloakrooms too.

This straightforward locker range is easy to specify. Featuring a smart, grey carcass and a selection of door colours, there is also a range of optional upgrades including benching, feet, sloping tops and a choice of locking options.

Available in single columns or nests of up to four lockers, Primary Lockers work around your space and capacity.

Bridge

Bridge by Bisley, the modern credenza that brings together storage, stowage, and room division in one seamless system.

With the ability to provide multiple functions in multiple spaces, Bridge can be used as an unobtrusive space divider, a meeting room credenza, a 'skyline' style welcome setting, or a spontaneous breakout area. From providing an impromptu place to perch, or a relaxing place to recharge, Bridge's breadth of steel colours, wood textures and vibrant fabrics mean that the fun is in creating exactly what you imagined.

At the heart of our design is stowage. Bridge provides temporary stowage for bags and other personal items and its dual-facing nature gives you flexible options, including a handy lockable space for your valuables and technology, cable management, and decorative display.

A flexible family of sheltered working booths crafted for quiet, Quarters brings a sense of peace and belonging to an office environment.

Developed to provide a haven away from the hustle and bustle of a busy workplace, Quarters booths create a secluded space for individual focused work, a private place to take a call, or a cosy, comfortable meeting space for creative collaboration.

Having an inclusive, light space, where you can also store your belongings, is vital for well-being. The specialised sound dampening panels envelop the storage component, so individuals are always connected to the hubbub of the office but have a buffer – a tranquil and relaxing retreat to work in, whether alone or in groups. Uniquely designed with personal storage embedded for easy access, Quarters ensures that all your belongings are tucked safely away within the booths while you work.

Range Addition Planters

Our beautiful, new planter range can be incorporated into a range of our product ranges, including LateralFile, Outline, Bridge, and Pren. Add a touch of biophilia to your space to really boost employee well-being and introduce calmness and tranquility.

Biophilia is something that many businesses have embraced with open arms. Some spaces are even taking it to the next level by planting full-sized trees in the lobby or reception, while greenery is appearing in lights, fixtures, and furniture throughout the office.

Our range of complementary wooden planters – perfect for bringing the outside in.

Taking inspiration from the stunning, natural world around us, our collection of elegant planters bring a feeling of elegance and charm to any workspace, while also boosting employee wellness. Our planters are designed to enhance the office, providing ample storage facilities while also boosting the look and feel of the space, allowing for a more engaged and productive workspace.

Highly customisable, our selection of planters are available in a variety of finishes to enhance your office aesthetic. Choose to have your planter on castors or a fixed setting to create dedicated working zones or an area to relax or catch up.

Our growing(!) range is sure to amplify any environment - just make sure you choose the sunniest spot to enable your shrubs and people to thrive anywhere.
