Condizioni di vendita

Le condizioni generali di vendita che disciplinano i rapporti tra compratore e venditore sono quelle previste dal Codice Civile agli art. 1470 e seguenti. In particolare, a deroga e completamento delle disposizioni richiamate, s'intendono accettate da ambo le parti le seguenti clausole:

PREZZI E CONDIZIONI

Il presente listino annulla e sostituisce tutti i precedenti. Il listino prezzi ha validità annuale, salvo comunicazioni. I prezzi indicati escludono le spese relative al montaggio ed installazione del prodotto. I prezzi indicati sono in Euro.

ACCETTAZIONE DELL' ORDINE

L'ordine si considera accettato solo dopo l'emissione da parte del venditore della conferma d'ordine alle condizioni di vendita in essa contenute. Eventuali cambiamenti possono essere fatti solo se la produzione non è ancora iniziata; in caso contrario saranno addebitati i costi sostenuti. Il venditore non è obbligato ad accettare un ordine di acquisto e potrà anche subordinare l'accettazione o l'evasione al pagamento di una parte o dell'intero importo dovuto. In caso di mancata accettazione di un ordine di acquisto, nulla sarà dovuto al compratore, a titolo di rimborso, risarcimento, indennizzo o a qualsiasi altro titolo.

RESA DELLA MERCE

In assenza di accordi scritti, il venditore mette a disposizione del compratore la merce EXW (Ex Works - franco fabbrica). Le merci viaggiano sempre a rischio e pericolo del compratore, anche se vendute franco destino. Il compratore si rende pertanto responsabile della perdita e/o avaria e/o danneggiamento della merce dal momento in cui la stessa è consegnata al trasportatore.

ORDINI MINIMI, TAGLI TESSUTO E FODERE

Per consegne di importo inferiore a € 1.000,00 (netto), sarà addebitata in fattura una quota fissa di € 50,00 (importo netto) per gestione pratica. La merce sarà consegnata franco fabbrica o spedita dal venditore con addebito del costo del trasporto, che verrà indicato sulla conferma d'ordine. La consegna di sole fodere, tagli di tessuto o parti di ricambio potrà essere effettuata a scelta del compratore nelle seguenti modalità:

- a mezzo corriere espresso con addebito dell'intero costo del trasporto, indipendentemente dall'importo della merce trasportata;
- tramite corrieri senza addebito di trasporto, in abbinamento ad altre consegne di modelli in ordine. Il pagamento dovrà essere anticipato.

TEMPI DI CONSEGNA

Le modalità e i termini della consegna sono a discrezione del venditore, che si riserva di evadere l'ordine anche in più riprese. I termini di consegna indicati nelle conferme d'ordine sono puramente indicativi. Sono pertanto escluse penalità e/o responsabilità per ritardi di consegna.

MISURE E FUORI SERIE

Le misure riportate nel listino sono indicate in cm e si riferiscono all'ingombro totale dei modelli, incluse le sporgenze. In considerazione della natura e delle lavorazioni dei materiali utilizzati, sono possibili variazioni dimensionali del +/- 2%. Richieste di eventuali lavori per modifiche "fuori serie" dovranno essere preventivamente autorizzate ed accettate dal venditore e, indipendentemente dalla loro entità e dal tipo di rivestimento, saranno assoggettate ad una maggiorazione di prezzo del 30%.

MODIFICHE

Il venditore, qualora ne avvisi la necessità e per non arrestare il continuo processo di miglioramento ed aggiornamento tecnico della produzione, si riserva di apportare ai suoi prodotti, senza alcun preavviso, tutte le modifiche che riterrà opportune.

DESTRO SINISTRO

L'uso del termine destro o sinistro deve intendersi con riferimento alla posizione della persona in piedi che guarda il modello.

RECLAMI

Le contestazioni per danni derivati da trasporto dovranno essere comunicate per iscritto al corriere/vettore, con copia per conoscenza al venditore, entro otto giorni dalla data dell'effettivo ricevimento della merce. Eventuali difformità riscontrate tra la fornitura e l'ordine, nonché eventuali vizi o difetti dei prodotti consegnati, devono essere segnalati per iscritto al venditore entro otto giorni dall'effettivo ricevimento della merce. Si accettano esclusivamente reclami corredati dagli estremi dei documenti fiscali di fornitura (ddt, fattura ecc.). Il venditore, previo accertamento dei difetti o vizi nei prodotti o loro parti, si riserva di sostituirli in garanzia. Non si accettano restituzioni della merce se non preventivamente concordate ed autorizzate per iscritto dal venditore.

PAGAMENTI

Le modalità di pagamento ed i relativi termini proposti dal compratore al momento dell'ordine dovranno essere quelli previsti dal venditore, che in ogni caso si riserva di accettarle o meno. Il compratore è tenuto a pagare il prezzo nel termine convenuto, quale risulta dalla fattura di vendita, al domicilio del venditore. Il compratore cade in mora quando non paga entro il termine, e ciò qualunque sia la forma tecnica di pagamento: contanti, ricevute bancarie, bonifici bancari ecc. Dalla scadenza all'effettivo pagamento decorrono interessi moratori come previsto dalla normativa CE2000/35. L'eventuale accettazione di titoli di credito in pagamento da parte del venditore avviene sempre salvo buon fine, senza novazione del rapporto sottostante e senza modifica del foro competente.

Il venditore ha la facoltà di sospendere le forniture quando le condizioni economiche del compratore risultassero tali da porre in evidente pericolo il conseguimento del pagamento. Il ritardo nel pagamento, anche di una sola rata, dà diritto al venditore di richiedere il saldo immediato di tutti i suoi crediti in essere e di risolvere i contratti in corso. Per quanto non previsto, vale il disposto degli art. 1498, 1515 e 1519 del Codice Civile.

RISERVA DI PROPRIETÀ

Le merci rimangono di proprietà del venditore finché non ne sia stato pagato interamente il prezzo. Qualora il compratore le abbia vendute prima di tale momento, il venditore si surrognerà automaticamente nei suoi diritti verso il terzo acquirente e l'eventuale ricavato della vendita sarà detenuto dal compratore in nome e per conto del venditore ed a lui prontamente trasmesso. Saranno a carico del compratore i rischi derivanti da perdita o danni per qualsiasi causa subiti dalla merce. Il compratore è tenuto ad ottemperare agli oneri ed alle formalità previste in materia di riserva di proprietà dalla legge del luogo ove le merci sono vendute.

Condizioni di vendita

CLAUSOLA RISOLUTIVA ESPRESSA E FORZA MAGGIORE

In caso di inadempimento del compratore al pagamento di quanto dovuto, ciascuna compravendita si intenderà risolta di diritto. Se insorgono cause di forza maggiore (quali, a titolo esemplificativo, scioperi, conflitti armati, interferenze di autorità militari e civili, atti terroristici, sommosse, disordini, sabotaggi, calamità naturali, embarghi, incendi anche se dolosi, incrementi inusuali o imprevedibili del prezzo delle materie prime o delle componenti acquistate da terzi), ossia eventi che superino i limiti di prevedibilità e controllo ragionevolmente attribuiti alle parti e senza che a tale evento abbia contribuito la condotta colposa della parte inadempiente, nessun fatto potrà determinare la risoluzione o l'obbligo per la parte inadempiente di risarcire i danni.

Nel caso in cui la causa di forza maggiore persista per un periodo superiore ai 90 (novanta) giorni, entrambe le parti potranno recedere dal contratto con comunicazione scritta all'altra parte, senza che ad alcuna delle parti siano dovuti risarcimenti, indennizzi, rimborsi o somme di altra natura.

RIVESTIMENTI

I metraggi indicati nel presente listino si riferiscono a tessuti in tinta unita e di altezza utile pari a 140 cm. Nel caso di: tessuti di altezza inferiore, tessuti non in tinta unita e velluti si prega di contattare il venditore per stabilire l'esatto quantitativo occorrente. Per i prodotti rivestiti con tessuti forniti dal compratore, sono da ritenersi validi i prezzi indicati nella categoria "COM".

I tessuti devono sempre pervenire al venditore in porto franco; su tali tessuti dovrà essere indicato il "diritto" o il "rovescio" e, in caso di tessuto fantasia, "alto" e "basso". In caso contrario, saranno a disposizione del compratore per il ritiro. Il venditore può rifiutarsi di usare il tessuto se non adatto ad essere lavorato; in questo caso tutte le spese di restituzione sono a carico del compratore. Per questo motivo, si consiglia di inviare un campione del tessuto, per poter eseguire le opportune verifiche di lavorazione.

IMPORTANTE: trattandosi di tessuto fornito dal compratore, il venditore non si assume alcuna responsabilità sulle caratteristiche tecniche e quindi sulla qualità dei materiali e nemmeno sul risultato estetico del prodotto.

COORDINATI E COMPLEMENTI

Per i rivestimenti coordinati con tessuti di diversa categoria, aggiungere una maggiorazione del 15% (20% per i letti) sulla categoria superiore, con l'eventuale aggiunta di un cuscino arredo. In caso di utilizzo di due tessuti diversi ma della stessa categoria, ove non indicato nelle informazioni del prodotto, considerare una maggiorazione del 15% (20% per i letti).

TOLLERANZE

Per ragioni tecniche e produttive, non è possibile garantire nel tempo l'uniformità e la costanza delle tinte dei materiali usati, quali ad esempio tessuti, pelli, essenze, lacche, vetri, ecc., perciò i colori a campionario sono da ritenersi assolutamente indicativi.

Anche nel caso della sostituzione delle fodere di rivestimento, a causa della fisiologica deformazione delle imbottiture determinata dall'uso prolungato nel tempo, potrebbero riscontrarsi, soprattutto nelle sedute e negli schienali, delle piccole difformità dimensionali. Con l'ordine il compratore accetta tali tolleranze.

USO E MANUTENZIONE

Attenersi scrupolosamente alle specifiche indicazioni riportate in etichetta e/o scheda tecnica che accompagna il prodotto. Il venditore declina ogni responsabilità per gli eventuali danni derivati dal mancato rispetto delle indicazioni di cui sopra.

GARANZIA

Garanzia di due anni a partire dalla data indicata sulla fattura, che copre i soli difetti di fabbricazione, come previsto dalla legge. La garanzia consiste nella riparazione o sostituzione di elementi difettosi, accertati in sede di collaudo o riconosciuti dal venditore durante il periodo di garanzia. Non sono coperti da garanzia parti danneggiate per cattiva o errata installazione o danni causati da eventi accidentali (cadute, calamità naturali, colpi, ecc.) e ogni difetto non riconducibile a difetti di fabbricazione. La garanzia non copre il prodotto in caso venga smontato o riparato da persone non autorizzate per iscritto dal venditore. Non sono difetti di fabbricazione:

- danni dovuti ad uso improprio (saltare sul divano, salire in piedi sulla sedia, ecc.);
- pelli e cuoio: diverso grado di lucentezza e tonalità rispetto al campionario (si tratta di prodotti naturali), segni naturali, imperfezioni, pieghe dovute alla normale dilatazione d'uso, variazioni di tonalità di elementi prodotti in tempi diversi;
- effetto stropicciato del lino, effetto chiaro scuro, impronte o macchie su velluti e ciniglie;
- schiacciamento delle parti imbottite dovute all'uso (pieghe sul rivestimento);
- nelle parti in legno: variazioni dimensionali determinati da tassi di umidità o secchezze anomali, venature, nodi e altre caratteristiche naturali del legno;
- marmi: sono materiali naturali; per questo motivo le venature e le tonalità di colore presentano delle differenze, che non devono essere considerate un difetto, ma un pregio, che sottolinea la naturalità del prodotto;
- l'esposizione diretta alla luce naturale o lampade potenti può modificare il colore del legno, dei tessuti, delle pelli o del cuoio.

Qualora il venditore accetti di vendere prodotti indicati come "in eliminazione" nel listino prezzi, l'impegno del venditore dovrà intendersi condizionato all'effettiva disponibilità di tali prodotti. Il venditore potrà verificare tale disponibilità anche dopo la stipula della compravendita, senza preavvertire il compratore e senza che il venditore possa ritenersi, in alcun modo, responsabile per l'esaurimento dei prodotti; in caso di esaurimento, si avrà solo la restituzione della compravendita, per il mancato avverarsi della condizione sospensiva, fermo restando l'obbligo per il venditore di restituire la quota di corrispettivo eventualmente ricevuta dal compratore.

TUTELA DEI DATI PERSONALI

I dati forniti dal compratore saranno conservati e trattati dal venditore (titolare del trattamento) in banche dati cartacee ed informatiche, con finalità di adempimento agli obblighi di legge, anche di natura contabile e fiscale, nonché statistiche e commerciali, nel pieno rispetto del Decreto Legislativo del 30 giugno 2003, n.196.

L'invio dell'ordine d'acquisto costituisce consenso al trattamento dei dati, per le finalità sopra indicate. Si raccomanda la presa visione della privacy policy completa sul sito www.arflex.com

FORO COMPETENTE

Per qualsiasi controversia che dovesse insorgere tra compratore e venditore, sarà competente in via esclusiva il Foro di Monza.

General sales conditions

The general terms and conditions of sale govern the transaction between the buyer and the seller of the goods in accordance with articles no. 1470 and the following ones of the Italian Civil Code. In particular, notwithstanding the existing provisions and in addition to them, both parties agree on the following clauses:

PRICES AND CONDITIONS

The present price list cancels and replaces all previous ones. The price list is valid for one years, except for different information. The prices do not include assembly or installation costs for the product. The prices are in Euro.

ACCEPTANCE OF THE ORDER

The order is accepted only after the issue by the seller of the order confirmation and under the sales conditions indicated on it. Possible order changes can be done only if the production has not been started yet. In case the production has been already started, the extra costs will be charged to the purchaser.

The seller is not obliged to accept a purchase order and may also make acceptance or evasion under payment of part or the entire amount due. In case of not acceptance of the purchase order, nothing will be given to the buyer, by way of reimbursement, indemnity, compensation or any other title.

DELIVERY

Without having written disposal, the seller delivers the goods ex works EXW. The goods are shipped at buyer's own risk, even when carriage is paid to destination. The buyer is therefore liable for loss and/or damage to the consignment from the time goods are handed over to the carrier.

MINIMUM OF ORDERS, CUT OF FABRICS AND COVERS

For deliveries of less than € 1.000,00 (net amount), a fixed amount of € 50,00 (net amount) will be added in the invoice. The goods will be delivered ex works or sent by the seller with additional freight costs, that will be indicated on the order confirmation.

Extra covers, cut of fabrics or spare parts can be delivered in different ways, as per buyer's request:

- by express courier with the total transport cost charged, apart from the goods amount;
- by our forwarders, without transport cost charges, together with other ordered goods. The payment will be in advance.

DELIVERY TIME

Conditions and delivery terms are to the seller's discretion. The seller reserves the right to carry out an order in successive stages. The terms of the delivery stated in the order confirmations are approximate. Any penalty and/or responsibility for delay in delivery are excluded.

DIMENSIONS AND NON-STANDARD PRODUCTS

The measurements indicated in the price list are in centimeters and refer to the overall size of the models, including protrusion. In consideration of the nature and working of the used materials, +/- 2% dimensional changes have to be considered.

Any operation for "non-standard" products will be subject to a 30% price increase and must receive prior authorization and acceptance by the seller, regardless of their size and the type of covers.

CHANGES

The seller, if he recognized the need and in order not to stop the continuous technical process of improvement and updating of the technical production, reserves the right to change the models without giving prior notice thereof.

RIGHT OR LEFT

The use of the terms right or left must be understood to refer to the position of a person standing up and facing the model.

COMPLAINTS

Claims for damages caused by transport have to be sent in writing to the forwarder agent, with copy for information to the seller, within eight days from the date of goods receipt. Any claim for difference between the delivery and the order, or possible damages of the delivered products have to be sent in writing to the seller within eight days from the goods receipt. Only claims with relevant documentation attached (consignment notes, waybills, invoices, etc.) are accepted. The seller, after inspecting the products or parts of them for flaws or defects, reserves the right to replace them within the warranty period. No goods can be returned to the seller without its previous consent and authorization in writing.

PAYMENT

Payment conditions and terms proposed by the buyer at the order have to be among the ones foreseen by the seller, who retains the right to accept or reject them. The buyer has to pay the agreed price within the terms stated in the sale invoice, at the seller's place of business. The buyer falls into arrears when he does not pay within the set deadline, regardless of the method whatever cash, bank transfer, etc.

From the expiry date to the real payment, moratory interests become applicable as foreseen by the regulations CE 2000/35. Any acceptance of payment in the form documents of credit by the seller is always subject to collection, without novation of the underlying contract and without any change in the place of jurisdiction. The seller has the right to stop the delivery when the buyer's economic conditions can endanger the payment. In case of deferred payments, for the non-respect of the expiry date, the seller reserves the right to ask for the prompt full payment of the whole residual amount. Any outstanding issue shall be governed by articles 1498, 1515 and 1519 of the Italian Civil Code.

Le vendeur n'est pas obligé d'accepter une commande et peut également subordonner l'acceptation ou l'exécution au paiement d'une partie ou de la totalité de la somme due. En cas de non-acceptation d'un bon de commande, rien ne sera dû à l'acheteur, à titre de remboursement, de compensation, d'indemnité ou à tout autre titre.

LIVRAISON

En l'absence d'accords écrits, le vendeur met à la disposition de l'acheteur la marchandise EXW (départ usine). Les marchandises voyagent toujours aux risques et périls de l'acheteur, même si elles sont vendues franco dépôt. L'acheteur est donc responsable de la perte et/ou de l'endommagement de la marchandise à partir du moment où elle est livrée au transporteur.

MINIMUM COMMANDE, COUPE DE TISSU ET HOUSSES

Pour les livraisons inférieures à € 1.000,00 (net), un forfait de € 50,00 (net) sera facturé sur la facture pour la gestion des papiers.

La livraison des housses, coupes du tissu ou pièces de rechange peut être effectuée au choix de l'acheteur selon les modalités suivantes:

- par courrier express, avec la facturation des coûts du transport, quelle que soit la quantité de marchandises transportées;

TEMPS DE LIVRAISON

Les modalités et les conditions de livraison sont à la discrétion du vendeur, qui se réserve le droit d'expédier la commande en plusieurs étapes. Les délais de livraison indiqués dans les confirmations de commande sont purement indicatifs. Les pénalités et/ou la responsabilité en cas de retard de livraison sont donc exclues.

TAILLE ET PRODUITS SUR MESURE

Les mesures indiquées dans le tarif sont en cm et se réfèrent à la taille totale des modèles, compris les protubérances. En raison de la nature et de la qualité des matériaux utilisés, des variations dimensionnelles de +/- 2% sont possibles. CHANGEMENTS

Le vendeur, s'il l'estime nécessaire et afin de ne pas interrompre le processus continu d'amélioration et de mise à jour technique de la production, se réserve le droit d'apporter à ses produits, sans préavis, toutes les modifications qu'il juge appropriées.

DROIT OU GAUCHE

L'utilisation du terme gauche ou droite doit être comprise comme se référant à la position de la personne debout regardant le modèle.

RÉCLAMATIONS

Les réclamations pour dommages résultant du transport doivent être communiquées par écrit au courrier/transporteur, avec copie au vendeur, dans un délai de huit jours à compter de la date de réception effective de la marchandise. Toutes différences constatées entre la fourniture et la commande, ainsi que tous défauts ou vices des produits livrés, doivent être signalés par écrit au vendeur dans les huit jours suivant la réception effective de la marchandise. Les réclamations seront acceptées seulement suivant la présentation des documents de fourniture fiscale (bon de livraison, facture, etc.). Le vendeur, après vérification des défauts ou des vices des produits ou de leurs pièces, se réserve le droit de les remplacer sous garantie. On n'accepte pas les retours de marchandises, sauf accord préalable et autorisé par écrit par le vendeur.

PAIEMENTS

Les modes et conditions de paiement proposés par l'acheteur au moment de la commande sont ceux fournis par le vendeur, qui se réserve le droit de les accepter ou non. L'acheteur doit payer le prix dans le délai convenu, qu'il figure sur la facture de vente, au domicile du vendeur. L'acheteur est en demeure s'il ne paie pas dans les délais, quel que soit le mode de paiement technique: argent, virements, etc. À compter de la date d'échéance jusqu'au paiement effectif, des intérêts moratoires sont chargés conformément aux dispositions du règlement CE 2000/35. Eventuelle acceptation d'instruments de crédit en paiement par le vendeur a toujours lieu sous réserve de réussite, sans novation de la relation sous-jacente et sans modification de la juridiction compétente.

Le vendeur a le droit de suspendre les livraisons lorsque les conditions économiques de l'acheteur sont telles qu'elles mettent clairement en danger la réalisation du paiement. Le retard de paiement, même d'un seul versement, donne au vendeur le droit de demander le règlement immédiat de tous ses crédits en cours et de résilier les contrats en cours.

Pour tout ce qui n'est pas prévu, les dispositions des articles 1498, 1515 et 1519 du code civil s'appliquent.

RÉSERVE DE PROPRIÉTÉ

Les biens restent propriété du vendeur jusqu'au paiement entièrement du prix. Si l'acheteur les a vendus avant ce délai, le vendeur est automatiquement subrogé dans ses droits envers le tiers acheteur et les bénéfices de la vente est détenu par l'acheteur au nom et pour le compte du vendeur et lui est transmis sans délai. L'acheteur doit respecter les obligations et formalités prévues par la loi du lieu de vente en ce qui concerne la réserve de propriété.

Conditions de vente

CLAUDE DE RÉSILIATION EXPRESSE ET FORCE MAJEURE

En cas de manquement de paiement par l'acheteur de la somme due, chaque vente sera considérée comme résiliée de plein droit. Si des causes de force majeure surviennent (telles que, à titre d'exemple, les grèves, les conflits armés, l'ingérence des autorités militaires et civiles, les actes terroristes, les révoltes, le sabotage, les catastrophes naturelles, les embargos, les incendies même si frauduleux, les augmentations bizarres ou imprévisibles du prix des matières premières ou des composants achetés à des tiers), c'est-à-dire les événements qui dépassent les limites de la prévisibilité et du contrôle raisonnablement attribués aux parties et sans que la conduite négligente de la partie défaillante ait contribué à un tel événement, aucun événement ne détermine la résiliation ou l'obligation de la partie défaillante de payer des dommages et intérêts.

Si la cause de la force majeure persiste pendant une période supérieure à 90 (quatre-vingt-dix) jours, les deux parties peuvent résilier le contrat par notification écrite à l'autre partie, sans qu'aucune des parties ne doit pas verser de compensation, d'indemnité, de remboursement ou d'autres sommes.

HOUSSES

Les longueurs indiquées dans ce tarif se réfèrent à des tissus unis d'une hauteur utile de 140 cm.

Dans le cas de : tissus d'une hauteur inférieure, tissus non uniques et velours, veuillez contacter le vendeur pour établir la quantité exacte requise.

Pour les produits recouverts de tissus fournis par l'acheteur, on doit utiliser les prix indiqués dans la catégorie "COM".

Les tissus doivent toujours arriver chez le vendeur franco de port ; sur ces tissus doivent être indiqués "droit" ou "inversé" et, dans le cas des tissus à motifs, "haut" et "bas". Dans le cas contraire, ils seront à disposition de l'acheteur pour le retour.

Le vendeur peut refuser d'utiliser le tissu s'il est impropre à la production ; dans ce cas, tous les frais de retour seront chargés à l'acheteur. C'est pourquoi qu'il est conseillé d'envoyer un échantillon du tissu afin d'effectuer les contrôles de production appropriés.

IMPORTANT: puisqu'il s'agit d'un tissu fourni par l'acheteur, le vendeur n'assume aucune responsabilité quant aux caractéristiques techniques et donc à la qualité des matériaux, ni quant au résultat esthétique du produit.

ACCESSOIRES ET COMPLÉMENTS

Pour les housses coordonnées avec des tissus de différentes catégories, on doit ajouter un supplément de 15% (20% pour les lits) sur la catégorie supérieure, avec l'ajout éventuel d'un coussin décoratif. Si deux tissus différents de la même catégorie sont utilisés, lorsque cela n'est pas indiqué dans l'information sur le produit, un supplément de 15% (20% pour les lits) doit être ajouté.

TOLÉRANCE

Pour des raisons techniques et de production, il n'est pas possible de garantir dans le temps l'uniformité et la constance des couleurs des matériaux utilisés, par exemple les tissus, les cuirs, les bois, les laques, le verre, etc. Les coloris des échantillons livrés doivent être considérés comme absolument indicatifs.

Dans le cas de remplacement des housses, en raison de la déformation physiologique du rembourrage causée par une utilisation prolongée dans le temps, on peut avoir des petites différences de taille, en particulier dans les assises et les dossiers. L'acheteur accepte ces tolérances avec la commande.

UTILISATION ET MAINTENANCE

On doit suivre scrupuleusement les indications spécifiques données sur l'étiquette et/ou la fiche technique livré avec le produit. Le vendeur décline toute responsabilité pour tout dommage causé par le non-respect des indications ci-dessus.

GARANTIE

Garantie de deux ans à partir de la date indiquée sur la facture, couvrant uniquement les défauts de fabrication, comme prévu par la loi. La garantie consiste à réparer ou à remplacer les éléments défectueux, déterminés en siège ou reconnus par le vendeur pendant la période de garantie. Les pièces endommagées par une mauvaise installation ou des dommages causés par des événements accidentels ne sont pas couverts par la garantie (chutes, catastrophes naturelles, coups, etc.) et tout défaut non dû à des défauts de fabrication.

La garantie ne couvre pas le produit démonté ou réparé par des personnes non autorisées par écrit par le vendeur. Il ne s'agit pas de défauts de fabrication:

- les dommages dus à une utilisation incorrecte (sauter sur le canapé, se tenir sur la chaise, etc.);
- cuirs et cuir seller : différents degrés de brillance et de tonalité par rapport à l'échantillon (ce sont des produits naturels), marques naturelles, imperfections, plis dus à l'expansion normale de l'utilisation, variations de la tonalité des éléments produits à différents moments;
- effet froissé du lin, effet clair et foncé, empreintes ou taches sur les velours et les chenilles;
- l'écrasement des parties rembourrées dû à l'utilisation (plis sur la housse);
- dans les pièces en bois : changements dimensionnels causés par une humidité ou une sécheresse anormale, le grain, les noeuds et autres caractéristiques naturelles du bois;
- marbres : ce sont des matériaux naturels ; pour cette raison, les veines et les nuances de couleur présentent des différences, qui ne doivent pas être considérées comme un défaut, mais comme un mérite, qui souligne le caractère naturel du produit;
- l'exposition directe à la lumière naturelle ou à des lampes puissantes peut modifier la couleur du bois, des tissus, du cuir et du cuir seller.

Si le vendeur accepte de vendre des produits indiqués comme "en élimination" dans la liste des prix, l'engagement du vendeur sera considéré comme conditionné à la disponibilité effective de ces produits. Le vendeur pourra vérifier cette disponibilité même après la stipulation de la vente, sans en avertir l'acheteur et sans que le vendeur puisse être considéré, de quelque manière que ce soit, comme responsable de l'épuisement des produits. En cas d'épuisement, il n'y aura que la restitution de la vente, pour la non réalisation de la condition suspensive, sans préjudice de l'obligation pour le vendeur de restituer la part de contrepartie éventuellement reçue par l'acheteur.

PROTECTION DES DONNÉES À CARACTÈRE PERSONNEL

Les données fournies par l'acheteur seront conservées et traitées par le vendeur (responsable du traitement) dans des bases de données sur papier et informatiques, afin de satisfaire aux obligations légales, aussi que de nature comptables et fiscales, ainsi que statistiques et commerciales, dans le plein respect du décret législatif du 30 juin 2003, n. 196.

L'envoi du bon de commande constitue un consentement au traitement des données aux fins indiquées ci-dessus. On recommande de lire l'intégralité de la politique de confidentialité sur le site www.arflex.com
