

Getting the most out of Zug life

INTRODUCTION TO OUR MAGAZINE

2025–2026 Academic Year

Zug is a remarkable place on Earth, boasting beautiful lakes and majestic mountains. Alongside these natural wonders, we have an abundance of incredible businesses and opportunities. However, discovering them can sometimes be challenging. That's why we have created this little magazine—to assist both new and seasoned ISZL parents in exploring the countless ways to make the most of life in our extraordinary canton of Zug, Luzern, and beyond!

We warmly welcome the new additions to our listings, and we are committed to ongoing updates throughout the year. If you own a business or know of one that you believe ISZL parents would find valuable, please don't hesitate to reach out. Your contributions will greatly enhance our resources.

Profit-making businesses pay a financial contribution to appear in our listings and proceeds go towards PA supported charitable events. Thank you to all our contributors.

THE PARENTS' ASSOCIATION

The Parents' Association (PA) at ISZL exists to support and build on the strong sense of community spirit here at ISZL. Regardless of whether you have been at the school for years or have just arrived, as a parent you are part of the PA. As a community, we aim to uphold cherished traditions whilst also exploring fresh and innovative ways to support and celebrate our community!

As a PA, we organise and deliver events for all but in addition, we have multiple key channels for you to actively engage with our community.

Our **Community Groups** are there to help connect you to other families from your home or adopted country or language.

Our **Neighbourhood Networks** exist to help you connect to the community where you live.

Our **Class and Grade Rep Network** helps connect you with other families in your child's grade.

Our **Parent-led Clubs and Interest Groups** help connect parents who share similar interests.

"Communication is merely an exchange of information, but connection is an exchange of our humanity."
Sean Stephenson

If you'd like to be part of our team, please reach out to us at pa@iszl.ch

A message from the Parents' Association Chair

I moved from the UK with my family (my husband and our three daughters) to Switzerland two years ago. It was our first international move and we were all excited and a little nervous!

We were so grateful for the wonderful introduction to the school community and have made some wonderful friends. The community reps and neighbourhood networks were so kind and helpful and really made us feel welcome and helped us to navigate this new environment.

As our girls settled into school, I started to wonder how to find a different purpose (in addition to learning German). I had already met many parents on the PA and saw how much effort and energy they put into activities and events that enrich the student and parent experience. When applications opened to join the PA team the following year, I volunteered. In 2024/25, I took on the Communications role and this year I am the PA chair. Over the summer, the team has been working hard to create an updated Connected magazine and an exciting Welcome & Connect Expo for our new families and the ISZL community as a whole. We hope you can join us at this whole school event.

As a team, we're looking forward to meeting our new families and are here to offer support and guidance.

The Connected magazine has been designed with the ISZL community in mind, and it's a good resource for any information or services you require.

We wish you all the best for the 2025/26 school year, wherever you are on your ISZL journey!

Laura Price (and the PA Team)

PARENT TO PARENT: IMPORTANT SCHOOL STUFF

If you are a new parent, we know that you will have information from all sides. We've been in your shoes and can relate to the challenge of navigating through it all. While the information is undoubtedly valuable, it's sometimes difficult to decipher what's important to your personal situation. So here are a few important hints and tips from one parent to another!

Getting information about 'what's going on' at school

- Primary School. Be sure to check the **Parent Portal** for important messages, which is updated daily. The messages often contain crucial updates, sign-ups, and upcoming events that you won't want to miss.
- Middle and High School. The School Bulletin, published twice monthly, serves as the primary source of information for upcoming dates and important details. Schoology is also really important as it's the main tool for your kids too: it contains assignments, grades and lots of information from teachers direct to pupils. Whilst the aim is for Middle and High School students to be more and more self-sufficient, it also helps for parents to be aware of all this information too. You can login to your child's account and see all the information they see, in order to help them get on top of everything that's going on and their academic responsibilities. You can also sign up for daily or weekly summary emails from Schoology - useful for keeping track of any homework!
- The PA Newsletter is also sent to your inbox twice a month to keep you informed of further events and activities!

A few School Tech Tips!

Contact & Directory

Want to find contact information of another parent to arrange a playdate or invite to an event or birthday party? You can find them on the ISZL website. Login to the Parent Portal and search in the **School Directory**.

Events & Activities

Want to be informed on what's happening at school? Go to the ISZL website, where you can access the Parent Zone, login to the Parent Portal and check the **School Calendar**. You can even click relevant calendar categories and sync to your personal calendar.

Lunch Programme

To load up your child's Zug Campus Lunchcard go to the School Website> sign in to the Parent Portal> Services > Lunch Programme> Zug Campus Lunches> Registering for the Hot Lunch Programme, or Topping Up a Lunch Account>Click the green 'Register / Top Up' button

SchoolsBuddy

Want to check out which **clubs** you've signed your child up for or whether they are on this week? Go to SchoolsBuddy (NB there's an app too - it's great!)

Buses

If your child takes the school bus, make sure you contact buses@iszl.ch to register for the **bus app**, which will give you live location updates.

PARENT-LED CLUBS & INTEREST GROUPS

We have a wonderful and involved parent community at ISZL. It really is what makes ISZL such a great place to be as a parent!

Clubs are run by parents with a strong interest in a particular sport or hobby. Thank you to all these parents who give up a huge amount of their time to run these clubs.

The Dads' club was re-established 2022 and grew from zero to 170 members over the course of the year!

The Höllgrotten Harriers love to integrate with the Swiss community and actively engage in the local Zuger Trophy every year.

A new Spanish-English Language club was set up by proactive parents in January 2024.

We are always on the look out for more clubs and interest groups – we can help you connect to other parents with a similar interest. So if you have a hobby that isn't represented and you want to share, please don't hesitate to email us at pa@iszl.ch or just grab one of the team!

Find further details and contact information is on our PA Web Pages on the school website:

NEW TO SWITZERLAND? READ OUR TOP TIPS!

Greetings! The Swiss greet strangers with a kind “Grüezi” or “Grüezi mitenand” if greeting more than one person.

Driving in Switzerland. Buy an e-vignette for driving on motorways and switch to a Swiss driving license after one year. [Read more here](#) about how to obtain a license. MB Auto offers “Driving in Switzerland Courses” for ISZL drivers in September. [Click here to find out more.](#)

You’ll usually need to pay for parking. However, if you find a parking space marked with a blue line, it’s free if you follow the rules correctly! Find all parking info [here](#).

If you park in a space marked with a white line, you must pay cash at a meter or pay via a parking app – Easy Park, Parking Pay, or P+Rail (at longer-term train station parking lots.) Also pay via Twint (log in and look for ‘parking’).

Public transport is safe, reliable, and clean. The [SBB app](#) is essential for navigating all public transport. Most riders purchase the SBB Halbtax card, which halves the cost of travel. Junior Travel Cards can be purchased cheaply, so children aged 6 to 16 can travel with their parents for free.

Waste Disposal. Purchase the appropriate waste disposal bags (Gebührenkehrichtsack) for non-recyclable waste that are color coded by canton. They can be purchased at most supermarkets and are often shelved behind the counter. Ask a checkout person for Gebührenkehrichtsacke or Müllsäcke, which are expensive because they fund non-recyclable, weekly residential waste pickup and help incentivize recycling. Place non-recyclable waste in black bins or simply curbside on your neighborhood waste pickup day.

Recyclables go to a recycling centre, or ‘Okihof’, located throughout the Kantons. [Click here to find your closest one.](#)

Shopping local. There are many grocery shops – Coop and Migros, Lidl, Aldi, Volg and Spar. For bio (organic) foods, try Alnatura and Reformhaus and look for local farm stores (Hofladen) – a wonderful way to access fresh products and support local farmers. Many operate payment via ‘honesty boxes’ (pay by twint or cash). [Click](#) to find nearby farm shops.

Healthcare. Everyone needs at least basic health insurance. Children see paediatricians as opposed to having a GP for the whole family. It is recommended for residents to get vaccinated against **Tick-borne encephalitis**. Vaccines are available at pharmacies as well as Healthcare Centres. Children receive a letter from their Gemeinde for **free dental** checks each year.

The Swiss love **animals** and have rules around owning them. Dogs must be registered with your Kanton and you pay an annual dog tax. To find out more, read this [guide](#) !

Sundays and bank holidays are **designated quiet days** and ‘quiet times’ apply at lunch time (and overnight). This means you cannot make excessive noise (such as mowing your lawn or in an apartment using the washing machine) during these periods.

EXPLORING THE LOCAL AREA

We live in a beautiful little corner of the world. There are so many things to do and see! You'll quickly discover some great places to explore but here are a few suggestions to get you going!

The Freiruum in Zug, is a popular place for congregating in central Zug. It's free to enter and full of fantastic international food stalls, seating, workspaces, and bars. There's also a great bouldering gym and trampoline park (entrance fees apply for these).

Your Local Badi

During the warmer months, people congregate along the lakes of Switzerland at Badis. Most Badis have restaurants. Some have nominal entrance fees, and some are free. All have water access for swimming, but rarely have lifeguards, so please watch young children. Many have diving boards and paddle board access/ hire.

Baar Lättich

The Lättich swimming pool offers a comprehensive and exciting range of activities all year round for young and old, for families and for athletes.

Höllgrotten Caves

Unique, fabulous and fascinating, this magical underground world is full of small lakes, stalagmites and stalactites. Thanks to cutting-edge LED lighting, visitors can explore the full array of shapes and colours in these natural rock formations.

<https://www.hoellgrotten.ch/en>

HALLE 44

Would you like to explore the beautiful area around Zug with friends by bike? Bicycles are available in HALLE 44 upon reservation (no e-bikes). Whilst you're there, check out their great 'free library' - take up to 10 books for free (and no need to return).
