

NATIVE AMERICAN INDIGENOUS STUDIES

Native American Indigenous Studies

Discover, examine, and appreciate the cultures, traditions, and values that reflect many Native American & Indigenous peoples throughout North America.

Get a unique opportunity to learn firsthand about the Indigenous peoples of the area.

The Eastern Shoshone and Northern Arapaho elders represent the wisdom of the past. Their knowledge of tribal traditions and partnership with Central Wyoming College while promoting an interdisciplinary study of Indigenous peoples with the collective goal of fostering Indigenous wellness, political sovereignty, cultural revitalization, and cross-cultural understanding.

The development of leadership among Indigenous students to enhance their academic success and assist them in becoming involved in contributing to their communities is a key goal at CWC.

Non-Discrimination Statement

Consistent with its mission to value diversity and to treat all individuals with dignity and respect, Central Wyoming College does not discriminate on the basis of race, color, religion, sex (including pregnancy, sexual orientations, marital status, or gender identity), national origin, age, disability (mental and/or physical), veteran status, or genetic information in admission, or access to, or treatment, or employment in its educational program services or any other activities. The college makes reasonable accommodations to serve students with special needs and offers services to students who have the ability to benefit. Inquiries concerning:
