

# Welcome

to  
First Baptist Church  
Herington, Kansas

February 22, 2026

This Easter season, we trace the unfolding revelation of Christ, from humanity's rebellion against God's rightful rule to the resurrection that vindicates and enthrones the promised Son. Psalm 2 shows us that the nations rage and the King is opposed, but the empty tomb declares that God's decree stands: His Son reigns, and His kingdom cannot be shaken.
