Dear Friends and Supporters,

As I reflect on the past year, I am filled with immense gratitude for the compassion and dedication that you, our valued community, have shown to the animals and communities we serve. Your unwavering support has enabled us to provide critical medical care, shelter, and love to over 8,000 animals in need.

Having been in animal welfare for over 25 years, I have witnessed a vastly shifting landscape and can honestly say that we are currently in one of the most challenging periods I have encountered. Shelters are filled beyond capacity on both sides of the border, and the demand for affordable veterinary care has reached an all-time high.

Thankfully, with you by our side, we have tackled these challenges head-on and are making significant strides. We continue to take in, rehabilitate, and rehome the most at-risk animals while addressing the root causes of animal suffering and overpopulation through extensive efforts to provide free and low-cost veterinary care and spay/neuter services.

This year's Impact Report highlights the remarkable work you have helped enable. From truly unbelievable rescue transformations to community clinics that provide the lifesaving care needed to keep animals healthy and in homes with the families who love them, your support has made a profound difference.

We are proud to share our achievements with you, but we know that our work is far from over. With your continued support, we can reach even more lives in the coming year.

Thank you for believing in our mission and for being an integral part of our journey. With your help, we can continue to expand our reach, ensuring that no animal is left behind.

With heartfelt gratitude,

Christi Cambor  
Co-founder, Co-Executive Director

# TRANSFORMATIONS

YOU HAVE HELPED MAKE A REALITY

Frida Today!

## FRIDA

Found starving and covered in mange, Frida also suffered from two broken hips and a fractured thigh bone while nursing a litter of puppies. Today, she is a happy, healthy, full-coated beauty who has found a loving home with another CWOB alumnus.

## CHIKITIN

Sweet Chikitin was found in dire condition—matted, filthy, and suffering extensive burns on his face and ears. After many months of care and multiple surgeries, he is now a joyful and healthy boy, adored by his loving adopter.

## ARTHUR

Gentle Arthur was rescued after a severe attack by a pack of dogs in Mexico, resulting in extensive injuries to his front leg. By the time we rescued him, he was critically ill with sepsis. Thanks to around-the-clock veterinary care and surgery to remove the leg, he not only survived but is now thriving as a vibrant, healthy tripod.

## CHARLES

This handsome boy was rescued from a hoarding situation in Mexico, suffering from end-stage, painful glaucoma in both eyes. Fast forward to today, and he has become an ambassador for all Meximutts, showcasing his resilience and charm to everyone he meets.

## ADELITA

This brave girl was found unable to move, lying on her side in a Mexican landfill with a pup stuck in her birth canal. After lifesaving surgery and months of rehabilitation for meningitis, she has transformed into a carefree, happy-go-lucky girl who is cherished by her adopter.

# PROGRAM

## HOME FOR HOPE

The construction of our brand new facility, Home for Hope, is nearing completion with a projected opening date of March 2025. This state-of-the-art clinic and shelter will be a game changer for animals, significantly expanding our capacity to provide veterinary care and spay/neuter services. Additionally, it will enhance our lifesaving efforts through direct rescue and rehabilitation.

The facility will also function as a training center for animal welfare professionals and veterinarians across Mexico and Latin America, allowing us to make an even greater impact together.

## VOLUNTEER PROGRAMS

Volunteers remain the heart of all that we do! From socializing and exercising the animals in our care to stuffing envelopes, fostering animals in need, providing support at Community Clinics, and folding laundry, they truly do it all. With over 250 active volunteers, their dedication is instrumental in pushing our mission forward each and every day.

# HIGHLIGHTS

## ACCESS TO CARE

Our programs providing free and low-cost veterinary care and spay/neuter services operated at full capacity on both sides of the border. These services are more crucial than ever, given the rising costs of veterinary care and the significant post-pandemic surge in unwanted animals in shelters.

In the U.S., clients often start lining up as early as midnight before a clinic, waiting up to 10 hours to ensure their animals are seen. Meanwhile, in Mexico, our free clinic operates five days a week, now with expanded public medicine capabilities thanks to the addition of a new veterinarian dedicated exclusively to this care.

## SAFETY NET FOR AT-RISK ANIMALS

Our commitment to rescuing the most at-risk animals in the communities we serve remains as strong as ever. We welcomed hundreds of sick, injured, and vulnerable animals from under-resourced areas in both the U.S. and Mexico. Our dedicated medical teams worked tirelessly to heal and rehabilitate these animals, providing them with the care they needed to make a full recovery before finding loving homes.

# IMPACT: 8,285 ANIMALS HELPED

## **7,347** Animals Gained Access to Veterinary Care and Spay/Neuter Services.

Through our free veterinary and spay/neuter clinic in Mexico, along with our low-cost community clinics in the U.S., we provided essential care to 7,347 animals in under-resourced and underserved communities.

## **938** Animals Rescued, Rehabilitated, and Adopted into Loving Families.

We rescued 938 homeless animals from Mexico and overcrowded shelters in California, ensuring they received the care and healing they needed before being adopted into loving families.
