### Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

- All dogs in the photo must be UKC registered.
- Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
- If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
- Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: [huntingretrievermag@ukcdogs.com](mailto:huntingretrievermag@ukcdogs.com); or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

## INHERENT RIGHTS AND POWERS OF UKC

*\*(Revised December 18, 2009)*

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- scores;
- disqualifications of dogs for fighting or other reasons;
- errors by the recording person; and
- documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- Bar an individual from entering or participating in any way in any UKC licensed event.
- Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- Falsification or alteration of any reports of wins issued to UKC.
- Falsification or alteration of receipts issued by UKC Judges.
- Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

I am not sure when the phrase "Dog Days of Summer" started or who started it, but as I have gotten older, summer seems to have taken on a whole new meaning. As the temperatures rise toward 100 degrees with

high humidity, I yearn for those cool, crisp days of early fall when you need a light jacket in the morning but can still wear shorts while out training your pup.

Being the president of HRC has kept me busy since our national meeting in St. Louis. I am very humbled to represent our great organization and will do my very best to keep positive momentum flowing and strive to be transparent while doing so.

Mr. Pat Johnson was appointed by the executive committee as interim vice president until the next national meeting. Pat has been a mentor and friend of mine for many years. He brings a huge amount of experience and knowledge from his days as a field representative for multiple regions in HRC. The love he has for dogs and this organization is truly unmatched. We greatly appreciate him stepping up and volunteering to take on another big role in HRC.

Avery Sporting Dog now has our freshly designed camo points and judge recognition jacket in production. If you have fulfilled the requirements for a jacket and have yet to receive yours, please contact Tammy. Avery and David Carrington have worked hard designing HRC, a jacket we hope will be worn with pride.

Joy Freeland (HRC's parliamentarian) has offered to do a parliamentary workshop(s) by Zoom free of charge. The workshop will cover the basics of how meetings should work and the application of Robert's Rules of Order. Anyone who attended our last national meeting knows I need this workshop in the worst way! More details coming soon on this workshop for those who are interested.

The executive committee strives to have an open-door policy. If you have any questions, problems, or concerns, give us a call, and we'll do our best to help you.

I Love HRC, the People, & the Dogs...

God bless you all.

## Pat Johnson, Vice-President

Hello, as the new interim Vice President, I have been trying to get my feet under me. It's already been a busy couple of months!

Hard to believe summer is halfway over. Most of us are in the dog days of summer now and just trying to stay cool. There are a few tests going on, and the fall test schedule will be ramping up across

the country in the next couple of months.

Just remember to have fun at the local club events, be respectful of others, and show good sportsmanship.

Congratulations to everyone who has put new titles on their dogs this year and to the ones who have entered various point clubs. Be safe while traveling to and from the test, and enjoy the dogs. Cooler days are coming, and that means we will be able to get out and take them hunting, and that is where all the hard work and training really pays off. Until next time, enjoy the dogs and HRC events.

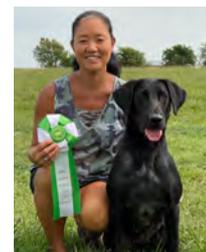

## Sara Krause, Secretary

Howdy from Texas. Since our meeting in June, things have not been as hectic. We are enjoying a quieter summer with not as many hunt tests going on. This is not to say we are not busy because we definitely are. I would like to welcome Pat Johnson to the EC as our interim Vice President. Thank you, Pat, for stepping in and helping us out for the next year. Your years of HRC knowledge and experience are coming in handy.

On a personal note, as anyone who attended the National Meeting knows, I was moving around much slower than normal and using a walking cane. On July 3rd, I ended up having scope knee surgery and had most of my meniscus removed. I am currently on the slow mend from that. There will be at least one more surgery in the future for a full replacement, but not for a while yet.

## Kristine Odden, Treasurer

Greetings from your National Treasurer, Kristine Odden. I write this as we make our way back home to Oklahoma after spending a weekend in Wisconsin with Cranberry Country HRC's inaugural hunt test in mid-July. I was invited to go judge Started while my husband, Cadet Odden, judged Seasoned. We enjoyed the cooler temps and less humidity in Wisconsin, even though several mentioned it was hot for Wisconsin. But more importantly, we really enjoyed our time meeting lots of people, making new friends, and even seeing a few familiar faces! The Cranberry Country Club members made us feel welcome, and their hospitality was fantastic. The grounds were top-notch, even after a torrential downpour during the Saturday banquet. Big shout out to the Hunt Chairman, Hunt Secretary, Committee, and club members for all their hard work all weekend long – it was definitely noticed. It was awesome to see so many members from surrounding clubs support their inaugural hunt test, from running dogs to the raffle to just lending a helping hand. This is why I love HRC – we all become one big family!

**MEMBERSHIP INFORMATION**

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

**ACCOMPLISHMENTS**

Amateur handled through his 1.5x GMPR. Natural point from a very young age. Went 4/4 for his HRCH and 1 master pass. Will continue to pursue his 4X and MH titles this summer with plans of running the TC and the Grand this fall. Hard charger to marks and blinds; quiet and steady at the line. He absolutely loves to play all the games. He has an absolute perfect off switch and lives in the house.

Opening date to enter will be **August 14, 2024.**

REQUIREMENTS AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

**THE PREMIUM REQUIRES THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING INFORMATION:**

**ENTRY FORMS:** must be made online at [www.HRCEntry.com](http://www.HRCEntry.com). The participant will have until **12 noon CST August 28, 2024** to enter to be eligible for entry in this Grand Hunt.

### IN ORDER TO ENTER ONLINE:

- HRC Membership number for both the Owner and the Handler must be valid as of the entry deadline date.
- A valid UKC Registration at time of deadline.
- Only one (1) Handler - the individual actually handling the dog.
- Electronic acceptance of the Release of Liability and certifying the immunizations of the dog are current and appropriate.
- Acknowledgment and acceptance of the terms and conditions of refund policies.

**CONDITIONAL ENTRY:** A Conditional entry may be received on or before **12 noon CST August 28, 2024** without a dog acquiring the necessary 100 HRCH points to enter the Grand event. It is the **OWNER'S** responsibility to ensure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand. Please contact the Secretary to remove the conditional entry from the Grand Hunt. Entry fee less \$75 scratch fee will be refunded to the Owner. **Plaque fees are not refundable.**

### ELIGIBILITY - It is the owner's responsibility to ensure that:

1) his/her dog is eligible to be entered (has earned HRCH); 2) the Owner listed is the Registered Owner on record with UKC; and 3) both the Owner and Handler have provided HRC Membership numbers and both must be **valid as of the entry deadline date of August 28, 2024.**

**ANY OF THE ABOVE ITEMS LISTED IN ERROR SHALL PREVENT THE AWARDING OF POINTS AT THE CONCLUSION OF THE EVENT.**

**LOGISTICS:** Handlers choosing to travel in the same vehicle must make their own logistical arrangements in order for each handler to be at the appropriate series when it is their turn to run.

**FLIGHTS/RUNNING ORDER:** Handlers MAY request being in a Flight with someone else and all reasonable attempts will be made to honor the request. Handlers sequence preference of running their dogs will NOT be accepted. **No changes will be made after the deadline date.**

**SCRATCHES:** Scratches no longer require a Veterinarian's Certificate (Illness, Injury or Bitch in Season). Plaque fees **are not** refundable. Scratches are subject to a \$75 fee after the close of the entries. This fee is not imposed on scratches with replacement dogs. Scratches prior to the close of the entries are fully refundable less any processing fees.

### **Handlers - Check-In and Meeting: Friday, October 18, 2024**

Handler Check-in and Meeting - times will be announced at a later time.

Bird ordering information will be posted on social media at a later date.

### **Handlers must wear Camo/Hunting Attire**

**COURSES:** Ducks, Chukars/Pheasants will be used in all hunts.

**PRIZES:** 40 United Kennel Club Championship Points

**ENTRY FEE: \$400.00**

**PLAQUES: \$42.00** Plaques of participation in the Grand Hunt are available by pre-order only and will be mailed directly to owner/handler by the company. The Grand is not responsible for the plaques. They are ordered through EntryExpress. **Fees are nonrefundable for plaques ordered.**

## **REMEMBER GUN SAFETY & SPORTSMANSHIP!**

A black dog, possibly a Labrador Retriever, is sitting on a grassy hill. The dog is wearing a red collar with a small light. The background shows a vast landscape of rolling mountains under a clear sky. The text "NOT for SALE" is overlaid on the image in large white letters, with "for" in a smaller, italicized font. Below the main title, the author's name "BY LYNNE FRADY" is written in a smaller, white, all-caps font.

**NOT**

**SALE**  
BY LYNNE FRADY

I live in the Blue Ridge Mountains of Western North Carolina. Thanks to far too many travel channel television shows and magazines touting how North Carolina was the place to live, our beautiful mountains are being bulldozed at an alarming rate. Farms that have been a part of the landscape since before my parents were born are slowly disappearing and housing developments or shopping centers are in their place.

I have a personal training client that grew up in New York and has lived in Texas, Maine and several other states. She was asking me what Jim and I had done over the weekend, I told her we spent the weekend at my Moms cutting trees, mowing, weed eating, and some maintenance at the garage, Mom has twelve acres, down from twenty, and this is where I grew up. My Dad and big brother both passed away in 2020 so Jim and I keep it going.

My client looked at me and said “your mother doesn’t need all that, why don’t she sell it, all you ever do is work. Land here is worth a fortune; you’re sitting on a gold mine and your mother could live comfortably in a retirement community or assisted living facility.” I’m sure I looked as if someone had punched me in the gut, I couldn’t reply.

At this point you are wondering why I am writing about this in HRC magazine. Here is why. HRC is more than an organization of folks who love to train and hunt dogs. Each HRC club in every corner of the globe is made up of members that are gracious enough to allow their members to use their land to train and run hunt test.

I can’t personally thank landowners enough for allowing me to run my dogs on their property over the years. Every property has something different to offer which is what you need to train a dog to top level. Here in my area, we have “the sheep farm”. The family that owns it has been allowing us to use their property for twenty years or more. They ask us to lock the gates and be mindful of the livestock. The livestock has changed over the years, and they no longer have sheep. They do not charge us to use their property, we get them a very nice gift card every year which is not enough for their generosity. They have beautiful property and two ponds; at times we train there twice a week.

*Open Space*

Oak Creek Kennels is a few hours from me and the owner Terry and Angela Price (Backwoods HRC, have been hosting training days for many years. His property offers endless possibilities and has technical ponds. Tracy Hayes, owner of Quail Hill Farm Retrievers (co founder: Big Elkin HRC) has beautiful property and ponds and he host training days and hunt test. Crabtree Retrievers is only thirty minutes from me. Owner Chuck Prowler (Cherokee Foothill HRC) offers training days and has pristine mountain property and a sweet little technical pond. I could make a list a mile long of property owners that are the backbone of the HRC.

These properties all offer great opportunities for training dogs but more important the people that own these properties are willing to share what they have worked so hard for....land.

When I first started retriever training there were not a lot of women that run hunt test. I can honestly say the landowners/trainers that I have met over the years have been kind, respectful and have become dear friends. It may be a few days or a few years that I see some of these folks, but we pick up where we left off at our next encounter. My dearest and truest friends are people that I have met training and running dogs. I have been on some amazing hunts over the years with these people and I can’t imagine my life without them.

So, when my client said “just sell it” the answer is NO! This is where I grew up, this is where so many fond memories were made with my dad teaching me how to garden, how to mow, how to drive a tractor, how to work on cars, how to shoot, how to appreciate the land, the wildlife and be a good steward of it.

Country music singer Cody Johnson sings a song “This dirt ain’t cheap”. If you have not heard it, you should listen to. There is no price for my home place no more than there is on any of the landowner properties I know. They would and have risk it all to keep their land and will continue to do so. You can build your housing developments, town homes and shopping centers but you can’t make land. They call it progress. I say keep your progress and your money; I’ll keep the land.

My mom’s greatest pleasure at eighty-six years old, is

*Ladies Shooting Seminar at the “Sheep Farm” (Mintz Farm)*

*Working at the home place*

sitting on her front porch and looking at her property that she and my dad worked so hard for. They were raised in the mountains and have taught us their ways. As for her living in a retirement community, you might as well dig a hole because it would kill her. Her hope has always been to live there and die there.

Is it hard work? Yes. Could Jim and I spend every weekend at the lake with hundreds of others ripping up and down the water in a boat or a jet ski without a care in the world, no. We were not raised that way, we work hard, we take care of our family and what they worked hard for. We appreciate others that do the same, we thank God for

people with those values that share what they have so we can train our dogs and make memories and friendships that will last our lifetime. These people are the backbone of the Hunting Retriever Club. I humbly thank all of the landowners that allow trainers and friends to use their property to train dogs and make lasting memories. Take a kid to your next training day. If they love our sport, they will be the future landowners that will continue the HRC tradition and tell investors "This land is Not for sale".

Until next time, keep your nose in the wind! 🐾

*Thank you to all the land owners that will never give in to investors. You are the backbone of the HRC. These amazing properties are where we all restore our souls and our hope for the future.*

**F**or me, it's the South Platte River in eastern Colorado. But it could be the South Platte in western Nebraska; it could be the North Platte, the Arkansas or the Platte itself, after the North and South join. It just needs to be a cottonwood-lined, wide and shallow prairie river. The river of Eldridge Hardie's hunting paintings, the treed, flowing oasis in an otherwise arid and naturally treeless land. It is always the same, yet, always different. I admit it; I am in love with these river bottoms. I have river bottom fever. I can't stay away, whether it is hunting season or not. From the frozen bleakness of late duck season in January to the lush green of spring to the blistering, humid heat of summer, I have to be on the river bottom. It's a love/hate affair for me, I suppose. I can't say I like the heavy snow and bone-numbing 20 degrees below zero cold of January. But one day when mallards by the hundreds boiled out of the steaming spring creek in the pre-dawn darkness and tried to settle on top of me while I set out decoys, the cold went away momentarily. I detested the hundreds of ticks plucked from my hide and the hides of Labs Amos and Gator during our early habitat projecting days of late spring and summer before better tick repellents came along, grooming myself and the dogs on the ride home like some darned baboon. But, it was a small price to pay for the excitement of seeing the quiet stare returned by the wood duck hen from deep within a nest box, with little fuzzy heads peeking out around her, or a pair of young bucks in velvet. Tamping fence posts or eating dirt hour after hour sitting on the iron seat of a 50+ year old tractor in 90-degree sunshine and unbearable muggy river bottom heat gets old. But somehow the heat goes away when a bobwhite quail pair with their bumble

bee-like young move awkwardly ahead of the tractor, or I see a mamma wood duck and her brood half-swim, half-fly to cover in the creek.

I was a pain ending up with cold-numb fingers, pouring spring water for the third time through the pump to thaw it on a sub-zero February river bottom morning, and then fighting the engine to get it to come to life and run the now thawed-out pump. As I'd drive 90 miles east from home in the dark, week after week to pump, I'd wonder why, and consider staying home next time. Yet a dozen hours later, as the newly pumped water developed a thin skin of ice in the shadows and a pair of mallards pitched in as the western sky lost its color, I knew why I keep coming. Similarly, as I shut down the pump as dusk was fading, with my Lab sitting on the creek bank watching, there is something special about the lonely voices of the coyotes across the river and the screech and horned owls below Black Dog and Wood Duck Ponds announcing they are

ready to launch night patrol. The warm, pumped spring water brings early insect and snail life to the shallow pond areas, and a bit later, the early spring migrants arrive, perhaps even a few pintails. The small water that is unattractive to ducks in the fall now seems to become inviting, as different needs come with the changing season. Later, the first wood duck pairs appear, the screech owls move out of the wood duck nest boxes in response to the nicer weather (or perhaps their timeshare stay is over) and the excitement of spring is on its way. It's positively magic.

But, it's during the late fall and winter that there is a special magic for me anywhere along the South Platte. Twisted and gnarled, the leafless, gray cottonwoods rule the river bottom, grasping skyward at the passing flights of

*For years the riverbank driftwood duck blind was a short distance from a bald eagle's nest. Somehow I got drafted making nest observations for our state's Eagle Watch. Turned out to be a good thing, as I got invited to watch the eaglelets get banded. Amazing!*

ducks and geese. The river and the traffic above the river are an ever-changing mystery. Will the ducks fly? Will the geese use the river today? Will the bald eagles be back to the nest? Did the sandbar shift? The magpies are coming right over the blind; we must be well hidden today. Each dog I've had on the river has been different. HRCH Amos and HRCH Gator were the ones to first work this reach of the river with me. Amos knew the drill exactly, and sought the exact vantage point of the selected

*Just something special about the river, a hunting retriever, snow, and a shotgun. I'm not sure it gets any better. hunting spot, and out hunting, (not at tests!) became a statue, except for the tail-wagging non-stop. Gator, while not as wired in general, was young, and a bit less patient, and shuffled nervously, doing his best to wish the clock hands ahead and the birds to fly. The absolute darkness that made the trip across the river bottom an adventure, slowly gives way to some color and light in the east. The surroundings begin to take on definition, still dominated by the stark cottonwoods. It's quiet. No animal sounds are heard above constant ringing in my gunfire-pounded ears, only the murmur of the water. Later in the season, it will be the distinctive noise of the slush ice moving east, encouraging the efforts of the morning cold to turn the river solid. Then a reedy quack, a turkey waking up or a disturbed bobwhite's call reminds me I'm not totally deaf, and the river bottom is waking again.

Memories. Since Amos and Gator, two more HRCH's, Roux and then Din, and I made memories. Right now, my current HRCH dog, Popi, and I are still making memories. But loss of Din last year reminded me of how many good hunting dogs I've seen pass in recent years, leaving pain, but wonderful mind pictures with their owners. Somehow tonight it's my first two, now-departed, HRCH hunting retrievers, Amos and Gator that come into focus.

The scene that floats into my mind is not my current dog, Popi. It's an earlier day, years ago, and we are in a driftwood blind on a sandbar. The decoys are out, and I don the insulated overalls. I stand suddenly to be sure I'm not too bundled up to swing. The movement keys the dogs, with the gun barrel setting direction. Gator stiffens to see better over his clump of grass. Amos only has

one eye, but he sees the direction of the swing and instantly scoots to where he can see the water in that direction. No further. No comment from me. There is no shot, but had there been, they were both ready. Had there been a left/right double, would Amos have marked the right-hand bird? Today, I don't know. It's his right eye that was removed, along with much of the peripheral vision in that direction, and, being far from young, the hearing is going. Two years ago? You bet your butt he'd mark the

double. (He was a headstrong dog with huge prey drive, but he quickly learned "Mark Left" and "Mark Right" to assist him in hunting and Finished tests.) Amos is going to be in motion as the gun comes up, but he's not going anywhere. Just a bit of a frog in a skillet. He went to the grave with it. I've run under a Finished judge or two that would fail him for that creep. I'm sure he'd be dead in a Grand. I don't give a ruddy rat's behind. I hunt. I'll give him that much if it doesn't hurt the hunting/marking results. He's missed far less than his share of marks over the years. I'll take the failure from the judges who want a statue for his great hunting skill and savvy. I've never had a dog failed purely for that creep (the few times we've had those judges to run under, and had a creep, we had some additional trouble), but I have seen others' dogs failed for nothing more. But, somehow in our hunting tests it

*This ten-year-old hunter has been enjoying the river bottom and experiencing hunting, wood duck nests and creek splashing since about 2, when she went with Mom deer hunting and ended up pictured perched on her mom's 2-pt. Her first actual hunting was this April and she got her Tom with her .410.*

seems as judge I'm not too concerned about the dog that is creeping when the action starts, IF the handler is occupied shooting ducks from the line. Now if that same handler has the gun about half-mounted and is looking at the dog and not the ducks, and hissing "Sit," the handler is telling me the creeping is a problem and it could be penalized, as would any creeping that interfered with the other dog on the line. But, back to the sandbar. I'm a hunter and I know that training and running HRC tests has made these dogs what they are, along with their field experience internships in the river bottom each hunting season. I worry that sometimes tests and judging stray a bit from the pure hunting focus, but hope that the hunter focus of HRC will remain strong and bring things back periodically as they stray a bit. And for me, failing a test or two or delaying a

*Many wonderful hours spent in the river bottom duck hunting and especially when 20 degrees below zero hunting on a spring creek that never freezes. Nice to stand in the water in hip boots to thaw the toes. And the dog can't shake water on you, cause it's immediately frozen!*

title doesn't mean a whole bunch. I've put HRCH titles on all my hunting dogs since HRC came to the area, but I'm after a major league hunting dog that hunts smart and has some leeway to use what the guy upstairs put between his ears. Running those tests and training for them are part of the practice for the real game of hunting. The ribbons and championships are a nifty bonus, and I'd be lying if I said I didn't work hard for them. But they are not something that takes precedence over the real reason I'm part of this hunting retriever movement. Cripes! Here I am standing up in the duck blind, philosophizing. But, HRC is important to us muddy hunters. I can't abide hunting dogs out of control, but I also can't risk overcontrolling my dog if I will have a superior hunting dog. They've got to be allowed appropriate freedom to make some reasonable situational adjustments.

... I'm satisfied my swing is not restricted. I sit. Gator's neck retracts and, without my instruction, Amos edges back to his original position. I'm thinking, "Hey, you

*If Mr. Widgeon isn't one of the more distinguished looking river bottom visitors, I don't know what is. A duck, a shotgun and a duck call with the HRC motto. That about covers the bases.*

better believe HRC training to mark off the gun is important, and these two know about that, as do most HRC dogs with far less experience." I read occasional comments by the serious HT or FT trainer that this HRC swing to the gun business is all a bunch of hogwash and has nothing to do with a hunting dog marking. All I can think when I read that is it has got to be coming from someone who has never done any amount of serious hunting. That, or they ain't got the sense God promised a soda cracker.

It's too early to shoot, but a few flights are heard, and then seen working the river. Hope rises. Will it be a day to remember the hunting, or a day that just adds to the little memories that make the river so

special? It's pleasantly warm, but it is not a duck day on the river. We blew our only chances, but the three of us sit there on a sandbar in the cord grass, enjoying the moment as threads of the wide and shallow river pass on either side of us.

The river continues to change, and we are just now getting comfortably warm in the sun. We reluctantly pick up the decoys, as we have an appointment: Meet Mr. Bob in the snowberries below the cane field at midday. As we sling the decoy bag over our shoulder, we cheer up. It will still be river bottom. It's not the flowing part, but without the water, the quail habitat would not exist.

We've had a day. Bird-less, disappointed with our tactics, timing and shooting; yet still a warm glow and satisfied feeling. A bird or two would have been nice, but the quail tracks showed we were in the right place, just the wrong time. Next time. The old dog, Amos, is too stove up to jump into the truck as we move to check one last covert. Gator will be limping on his sprained toe (from capturing crippled bobs and busting ice to get roosters four days before) after he's been still for a couple hours, but for now, there is only the feel of sand and cover flying under his feet as he and I check one more spot. Finally we give it up and head for dinner. I hurt, and it will be worse in the morning, but, as I strain to lift both big Labs down out of the truck, we're all smiling. The camper is warm; the amber Scotch in the heavy white coffee mug tastes of smoky peat and seems just right. They act like their dog crunchers are pure gourmet eating. Can we keep our eyes open long enough for dinner to heat? Yes, barely. It's 7:30, and we give it up for the night. I'll probably pay for hitting the sack so early by waking up at 2 in the morning, but at least I won't have to listen to the alarm. Tomorrow is another day. The water and cottonwoods promise a day with a perfect morning flight, a covey or two, and perhaps a go at the roosters the bow-

*Somehow trudging through snow from road to get the tractor to open trail to goose pit or duck blind is more fun than eating dirt in the sweltering summer heat cultivating summer fallow food plots*

hunter keeps seeing from his tree stand. 'Course I keep seeing his deer at every turn, so perhaps it evens out.

One last sip of Scotch in the cup. Here's to you, River. May you and your cottonwoods last forever, and may I enjoy you, hunting, and the retrievers for half that long! And, may HRC still be alive, strong and hunter-driven and member controlled, when today's cottonwood seedlings are as large as the biggest, most crooked sentries on the river!

That was more than two decades ago, but it could be today with Popi and me. The river course has eaten deeper into the corner of our place; the sandbars and deep channels lie differently than then. The spring creek has closed in with vegetation and deepened with the over-grazing halted. But, the essence of the river, the hunt and HRC hunting retrievers is as before and has not changed one whit.

Enjoy and hunt those dogs, for far too soon they will be memories, and it would be a shame if you let your busy schedule keep you from stashing away a good supply of hunting memories for those slow times or for while you are making memories with your next dog. Or for us, when we finally age out too much to get to the duck blind or upland field. For those of you making memories for your

first time with a hunting retriever, know that they live far too short a life, and will break your heart when they go far too soon. But know, too, that, difficult as it seems when your eyes are filled with tears and your heart heavy from loss, the best medicine is another dog. It might be a second dog you have or it might be the healing puppy breath of a new partner. But you wouldn't be here reading this if you didn't need a dog in your life and if the retriever is not as important a part of your hunting as is your shotgun and the birds that fly. Don't let your pain prevent you from experiencing the joys of a second dog. I almost let it get to me. It hurt too much to lose the first one. But my kids and wife

*This ten-year-old huntress has been enjoying the river bottom and experiencing hunting, wood duck nests and creek splashing since about 2, when she went with Mom deer hunting and ended up pictured perched on her mom's 2-pt. Her first actual hunting was this April and she got her Tom with her .410.*

pushed, and I'm glad they did. I have buried 5 more on the banks of the pond since I lost my first Lab. I won't lie to you that the pain of losing any other one was any less than losing the first. And with every pup I have to address that. Almost 30 years ago when I picked up Popi's sire, Roux, at the airport as a pup, I bent down to pet him and he gave me a big puppy kiss. And happy as I was to see him, the thought that went through my mind was that I had to be ready to face the day when he would join the other three on the banks of the pond. And it hurt, and a tear came to my eye. But, somehow I know I will get through it, and I will have a full load of Popi memories and joy by then. And, they will last. And, with the memories of the other six, will help sustain me and ease the pain. And, another Lab will come into my life. It won't replace any of those gone before, but will carve out its own little part of my heart. And, more river bottom therapy with the newcomer will get me through to where we are again making memories.

Your special place may not be river bottom, but may be flooded timber, grain fields, grouse woods, prairie potholes, high river bluffs, big water, the salt marshes, or other haunts for waterfowl and upland birds. But, it will be another retriever, of your chosen breed, that will let

your special place provide the therapy needed in your times of pain. Don't fail to give it a chance. Believe it now on an intellectual basis, and plan for it, because those of us who have been through the gut-wrenching pain of the loss of several hunting retrievers will tell you it won't feel like a good idea right at the minute. But, trust us, it is.

I guess I better wrap this up so I can head to the riverbottom in the morning and get on the tractor and springtooth some weeds in unplanted food plots. Popi will be napping in front of the door so she doesn't get left. It will be a short session, as early afternoon we head for Wyoming and another HRC Hunt Test. We're both excited and ready to go!

**Q: Are you a professional or amateur handler?**

A: I'm an amateur handler.

**Q: How long have you been involved with HRC? And how did you get involved?**

A: I joined the HRC back in 2006 after buying two littermates by Kelvinhead Toby (aka Duncan) in 2005. Scott Pannozzo owned Duncan and was training at Green Acres Sportsman's Club and I was so impressed at what his dog could do. I decided that's what I wanted for Jordan and Payton so it was easy to be talked into running hunt tests. Gypsy is now my fifth dog to campaign and I love the sport.

**Q: Who are Gypsy's sire and dam? Are there any other HOF/notable dogs of relation?**

A: Gypsy's sire is GRHRCH(3) BC's Lil Dude Awaiting Sunrise, and his sire is GRHRCH(15) Big Black Dude II HOF. Her dam is GRHRCH(6) UH Yohanna's Lil' Georgia Peach HOF.

**Q: What is Gypsy's personality like? Tell us a bit about her!**

A: Gypsy is really sweet and demands attention! She can be goofy and one of the happiest dogs I've been around. Very earnest when it comes to hunt tests and relentless when it comes to chasing balls. She loves watching the Outdoor Channel and barks at the deer when they run off. She's awesome in the house and sleeps at the foot of my bed. She loves chasing squirrels, but I'm not sure what she'd do if she actually caught one.

**Q: What are her strengths? Does she have any weaknesses that you've had to work through?**

A: Her #1 strength is her marking ability, and I am so impressed with that! That alone gives me a lot of confidence when we sit at the bucket! Her weakness is she thinks she knows more than me, especially when it comes to running a blind. We struggled in the beginning as she gets her feelings hurt when you stop her. I even called her breeder and talk with him, and he laughed. Told me not to worry, as her dad did the same thing, and when she gets older, she'll be a "lining machine!" He was right, she's getting better.

**Q: At what age did she acquire her first title, and at what age was she when entered the HOF?**

A: Gypsy was about 14 months when got her HR Title on October 13, 2019, and a little over 5 1/2 years when she entered the Hall of Fame.

**Q: How has she developed over the years? What's something you see now that you didn't see when she was younger?**

A: She has developed into a great hunt test dog with trusting me and working together as a team. Her casting is better, and believes in me more now than when she was younger.

**Q: Did you train Gypsy? If not, who with?**

A: Dan Ihrke trained her the first three months before bringing her home. I still continue to train with him as I have with all my other dogs.

**Q: How would you explain your relationship with Gypsy?**

A: I think everyone develops a special relationship with their dog. She's such an amazing animal, always by my side and constantly watches me. There's so much satisfaction watching her work and remembering all the time and effort getting her to this point. We connect, and it's a great relationship.

**Q: Tell us your favorite hunting story or a special non-hunt test moment with your Hall of Fame dog.**

A: This past January, we were hunting with my youngest son and his friend, that hadn't hunted with a dog. A pheasant was shot and landed on the other side of a small creek with heavy cover. He was upset to lose that bird and voiced his doubt as I sent Gypsy to retrieve it. When she delivered the bird to him and saw him smiling, that was so rewarding!

**Q: Points aside, what, to you, makes Gypsy a Hall of Fame dog?**

A: To me she is a great example of what we are all striving for. We all want that perfect partner beside us when we sit down on that bucket.

**Q: What does having this HOF accomplishment mean to you?**

A: When I bought Gypsy, all I wanted was another yellow lab to run. After she reached 1,000 points before turning 5 was when I realized it was a possibility. I'm not sure how many HOF dogs are handled by women or amateurs. When I first started running the Grand, there were very few women competing which makes me very proud to be in this elite group! Gypsy is now my fourth dog to become a Grand Champion with 1,000+ points, and the HOF is the icing on the cake!

**Q: Reaching the Hall of Fame is no easy feat. What words of encouragement do you have for those striving to reach HOF?**

A: Believe in yourself and your dog, train hard, and anything is possible!

**Q: Do you have any final advice for those just getting into the world of HRC? What advice do you have for someone starting out?**

A: Watch other handlers run their dogs, ask questions, and listen to their advice. The HRC family is the best, everyone is willing to help, and the support is amazing! Remember, we all get a short piece of time so have fun and embrace the time spent with your dog. 🐾

## Honorary, Memorial, and Club Scholarships

*Seventeen of the thirty-five HRC scholarships awarded this year were funded through Honorary, Memorial, or Club Scholarships. The HRC Foundation would like to recognize the people and clubs behind those scholarships. If you or your club would be interested in establishing a scholarship for next year, please check the HRC website or reach out to any Foundation Board Member for more information.*

### • Omar Driskill Honorary Scholarship

We all owe a great deal of gratitude to Omar for founding HRC. What many miss is the fact that it was formed because of his love for a special retriever, a Hunting Retriever Champion in his heart. Some of what I am about to share is from his Presidents message in 1984.

First and foremost, Omar was a very dedicated duck hunter, he sat on the bench a few times for skipping practice to go hunting. Because of his love of hunting, he valued a retriever that could do exactly that, HUNT, thus, here we are The Hunting Retriever Club.

In 1977 Omar trained "Trieven Charger" (Waggs), a male Labrador, every day of the year and hunted him hard every day of the season. He hunted Canada Geese from the North Platte River in Nebraska to the cornfields of Cairo, Illinois. His main hunting was for red-legged mallards in the northeast Louisiana rice fields where in his next to last season (1981), Waggs retrieved 499 of 500 ducks.

In seven years, Waggs had retrieved over 3,000 game birds, 8 mallard bands and no telling how many training birds. He was a dog that earned the right to sleep by your bed and ride on the front seat of your truck. He was more than a companion; he was a family member. You've seen his coat heavy with ice and never a complaint.

Memories of unbelievable retrieves and returning after five minutes with a downed cripple in his mouth are more valuable than any shotgun or 4X4 you may own, this is a Hunting Retriever Champion.

On April 28, 1983, Omar wrapped his hunting coat around and laid him in his grave with a training bumper. Omar's heart was about the size of a plumb, for he had truly known a great Hunting Retriever Champion.

Later that year Omar traveled to Kalamazoo, Michigan to form a National Organization with the United Kennel Club to honor hunting dogs. Things began to roll, and the Ruston Retriever Club held the first sanctioned hunting retriever test in the United States. All for the love of a great retriever Waggs.

And now you know the rest of the story!

## • Ernie Istre Memorial Scholarship

HRC member # 324. This number tells you just how long Ernie Istre had been in HRC. He was called Mr. Ernie or Big E by almost everyone who knew him. He had a love for HRC until he passed.

Ernie ran his first Started test in 1985 with his Chessy, O's Magnum Cocoa Bear. Ernie and Bear went onto Seasoned in 1986, and was the 32nd

dog in HRC history to receive his HR Title. In 1988, Ernie and Bear received the title of HRCH. Ernie dedicated his life to HRC; becoming a Field Rep for Region 10 and also Grand Committee Chairman for over 25 years. Ernie was the face of the Grand for those years.

To this day our club still brings up things Ernie would have done. Sometimes we say "If Ernie was here what would he say about that?" He will always be in our hearts and minds.

On a lighter note. While researching this, Mr. Bob gave us a little story to share with you about a hunting trip he and Ernie took. "One afternoon, we were in a raised deer stand watching a fence line. Boo (Ernie's son) was in a stand on the same tree line about a quarter mile away. We were watching some does in front of Boo's stand expecting a shot. Instead, we got a phone call from Boo asking if we were going to shoot the big buck in front of our stand. Ernie got the rifle out the window, and shot at the deer. The deer never moved. He reloaded and the second shot knocked him down. We climbed down out of the stand, leaving our guns in the stand. We walked over to the deer and reached down to grab his horns. Just before he touched the horns, I saw the deer blink, I hollered and Ernie pulled back as the buck jumped up to run back to the woods. With no guns, we thought he was gone. We heard a shot and the deer fell. Boo had been walking to us and had seen what happened.

On behalf of Cajun HRC, we would like to thank Ms. Becky Istre (Ernie's widow), Arlene and Butch Gandy and Bob Brundrett for all the information they gave us.

## • Roger Davis Honorary Scholarship

In June 1986, a friend called Roger Davis to tell him about a new hunting dog organization that had recently started and a club in Illinois, (Fox River Valley HRC) and was holding a hunt test at the training grounds near Joliet, IL. Roger had a 10-week-old labrador pup and decided to go see what this new club was all about. The 1st person Roger met at the test was Omar Driscoll. Omar walked with Roger and his wife Pat to the different test sites and explained the how's and why's of the testing. Roger was very impressed, especially with the young Started dogs. He remembers telling Pat when they left, "If I can get my dog to do what those Started

& Seasoned dogs were doing, I would have the best hunting dog in my group of hunting friends". A couple of months later, Roger joined Fox River Valley and began his journey in HRC.

In 1990 Roger along with Paul Zelisko formed WISILL HRC. The 1st WISILL informational meeting was held in the conference room at Richard Bong Recreation

Area. Roger and Paul had hoped for a decent turnout but had no idea how many people would show up. They had sent flyers to hunt clubs, dog clubs, and vet offices, trying to reach as many people as possible. When it was time to start the meeting, the conference room was standing room only. The memory of the first WISILL meeting still gives Roger goose bumps today when he thinks about how concerned they were that no one would show up.

Roger also spearheaded the establishment of The Hunting Retriever Club foundation. In 1994, the proposed Articles of Incorporation and By-Laws for the Foundation were developed in preparation of filing for the Exempt Status with the IRS. On May 18, 1995, The Internal Revenue Service approved The Hunting Retriever Club Foundation, Inc. as a tax-exempt organization under Section 501(c) 3 of the Internal Revenue Code.

The first HRC Scholarships were awarded in 1998, with four scholarships and one research grant issued in the amount of \$1,000.00 each. In the years since, The Foundation has awarded 314 scholarships and 22 research grants in excess of \$539,000.00. Thanks to the generosity of our donors and sponsors, in 2024 they were able to provide a record 35 students with scholarships in the amount of \$2,000.00 each. Sponsors that make monetary contributions to The Foundation as part of their annual sponsorship package are recognized with scholarships in their names equivalent to the amount donated.

## • Carol and Rod Rombauer Memorial Scholarship

Carol and Rod Rombauer served as HRC judges for many years. Rod still holds the record for the highest number of recorded judging assignments in HRC, and not all his assignments are digitally recorded. Carol's assignments could not be accounted for by HRC, she passed prior to digitalization of judging assignments. They both worked to initiate recognition of judge's assignments through the judge's jacket program and were recipients of two of the first group awarded. As judges, they excelled in mentoring new and young judges to get the best and fair hunt test for handlers and dogs - keeping the hunt in hunting retrievers.

Their home club was Illinois River HRC. They were

active members of both Gateway HRC and Retrievers Unlimited HRC. They both truly loved HRC, especially the youth. Carol initiated the youth hunts at Gateway HRC, a tradition that continues today. Rod served as a Running Rules Representative for Region 6 for many years until his health forced him to step back. His kind, fair, yet firm actions made all

judges and hunt test participants respect his leadership.

When Carol passed in 2010, Rod Rombauer, Gateway HRC and Retriever's Unlimited HRC came together to set up the Carol Rombauer Scholarship in honor of her. Upon Rod's passing in 2022 his family contacted the HRC foundation to request that he be added to the scholarship. It is fitting and appropriate that they are joined together once again.

### • Carol Ford Memorial Scholarship

The Michigan clubs are proud to fund another Carol Ford scholarship. Collectively the Michigan clubs have raised over \$25,000 in Carol's memory and funded over \$20,000 in HRC Scholarships.

For those who did not know Carol, she spent her life supporting and spreading the HRC message. Carol was all about the little guy, the HUNTER looking for a good bird dog. Sometimes we tend to forget the basics and philosophy of our founding, "Conceived by Hunters for Hunters", Carol never forgot.

Carol served several terms as National Secretary and traveled the US and Canada judging "Started". I once asked Carol why she did not move up from "Started". Her response was "Started" needed a special touch and she wanted to make sure all the newbies got hooked on HRC.

If you were judge in Michigan or Ohio, chances

are Carol apprenticed you in Started. If you had a problem with your test or needed something Carol was your first call. Carol once traveled to Ohio on hours' notice to be the club's Hunt Secretary. That was just Carol, whatever it took.

Carol was an elementary school teacher for over 30 years. I am sure Carol would be humbled and proud to see her memory live on with the HRC Scholarships.

### • Phillip Freeman Memorial Scholarship

Phillip Freeman was one of six founding members of Old South Hunting Retriever Club (OSHRC) which was founded in 1991. He was the club's first President and his wife Carol the first Secretary. After graduating from high school, Phillip went into the Marine Corps. Upon return he went into sales becoming a very organized, persuasive and hard-working salesman. OSHRC benefited from these attributes as Phillip nurtured and grew Old South as a club.

Phillip loved to hunt, grill and socialize; he was known for telling funny stories. He was an extremely hard worker no matter the task at hand; his friends and fellow club members said no job was too big and no work was too hard for Phillip. Jerry Day (also a founding member) gave Phillip his first dog, Magnum, and the rest was history. Phillip's organization was such that it was widely known if a flight manager took a duck call to a site they better not leave until that duck call had been returned to its rightful place in the equipment trailer.

Phillip remained President until his passing on October 10, 1999. Phillip Freeman was a driving force behind Old South and in honor of his dedication and contribution to the Club, the Phillip Freeman Scholarship was created.

### • Tom Hell Memorial Scholarship

Tom was a member of Central Florida HRC and a member of HRC since 2004. Tom served as treasurer of Central Florida HRC from 2016 to 2020. He was a board member and membership chair for the club from 2016 until his passing in July of 2023.

Tom was a big man, but he liked to work quietly behind the scenes. He was always willing to help with anything that was asked of him. Tom was constantly thinking of others over himself.

## • Bob Huschle Memorial Scholarship

Bob and Jackie Huschle were the founders of Retrievers Unlimited HRC along with several other AKC trialers and with the help from officers of Southern Illinois HRC. RUHRC was organized in late 1987 and held its Preliminary Hunt in the Spring of 1988. Of Note: When Bob called Omar about starting RUHRC, Omar said it will never work – we were in AKC

country. All founding members were officers and members of the local River King Retriever Club at the time. We are still going strong after 35 years.

Bob helped many Region 6 clubs get started in the HRC prior to becoming a PR Rep for the region and after officially being appointed PR Rep—clubs such as RU/Gateway; Illinois River; Tri-State; Paducah; Inducky; Trail of Tears; Midway; and Central Kentucky. Bob was later appointed Field Rep for Region 6. He held this position for many years until his health did not allow him to continue.

He judged numerous Grands and helped coordinate Grands across the country. He was a AA Finished judge. He traveled to many areas of the country to judge tests – meeting a lot of friends along the way. There are a lot of National Meeting and Hunt stories that could be told!!

He was a mentor to many of our club members and to other clubs and members across the Midwest. He promoted the HRC whenever possible. Generating new memberships and encouraging new handlers, giving help to many. He was President of Retrievers Unlimited for many years. He would be proud of all our club presidents since. They are carrying on the Retrievers Unlimited HRC traditions that he started in the club. He passed away in 2018. HRC number is 3213.

## • Club Scholarship – Middle GA HRC (In Memory of Mitch Mitchell)

When Middle Georgia HRC held its first organizational meeting, one of the goals we discussed for the club was to be able to fund an HRC Scholarship out of the proceeds from our hunts. Over the years, we have had several opportunities to provide financial assistance to members, friends or local organizations in times of need, but we had never established a scholarship. When one of our founding members, Mitch Mitchell, passed away unexpectedly last summer; it seemed only appropriate that our first HRC scholarship donation be made in his memory.

Mitch was a founding member of Middle Georgia HRC, but his introduction to the sport came much earlier than that. He and his wife Elaine began their journey into hunt tests at Midlands HRC almost 15 years ago and for many

years he was happy ‘just driving Mrs. Daisy’ as he liked to refer to it. You were much more likely to find him supporting her and working behind the scenes at a test than going to the line with his own dog. He was always there moving equipment, rebirding, cleaning up, packing up and whatever else “Mrs. Daisy” asked of him. Elaine was the one person he couldn’t say NO to.

He was not a strong handler; in fact, we often joked that he could undo a season’s training in a single weekend. But on those rare days when it all came together, nothing made him prouder than hearing his name called to pick up a ribbon with his best girl Annie. And on those days when it didn’t, she was still his best girl and the keeper of the coveted spot on the foot of the bed. Come to think of it ... Annie didn’t hear NO very often either.

## • Wayne Gey Memorial Scholarship

Wayne Gey was a 19 year old trapped in the body of a 79 year old man. He had a passion for life and the people he met. At his core, Wayne was a family man and his family reached far and wide. HRC was family to Wayne. He was a member of HRC since 1995. Wayne was a AA Finished Judge and spent numerous weekends in the chair over the years so that others could run their dogs.

Wayne had a love for the dogs and a passion for helping people. He hosted countless numbers of HRC events on his ranch in Montverde, FL over the past 29 years. Wayne courageously battled cancer for the last 15 years of his life before passing away on August 30, 2023. The Gey family is carrying on Wayne’s wishes by allowing Central Florida HRC members to continue to use the property for training and hunt tests.

## • John Wallace Memorial Scholarship

John Wallace served as Field Rep for Region 12 for ten years when he passed away from cancer. His kind, fair, yet firm actions made all judges and hunt test participants respect his leadership.

John genuinely loved dogs. You could see the joy in his face as he ran dogs or served as a judge. He was an excellent

trainer, titling many dogs at all levels.

He also loved kids, as he always took extra time to greet a youngster at a hunt test or offer encouragement to a young participant.

John served as Board members of several of the region 12 clubs within his time in HRC. As Field rep he was one of several people to help bring the Cowtown HRC club back

to an active club. He also served as hunt committee member for Lone Star HRC.

It is only fitting that Region 12 clubs came together to offer this scholarship in honor of our friend, John Wallace!

### • Club Scholarship - Colorado River RC

Colorado River Retriever Club (CRRC) is a family-oriented club with approximately 48 members. CRRC is among the network of Hunting Retriever Club Inc. clubs across the country and is affiliated with the United Kennel Club (UKC).

We were founded in 1987 and originally based from the Richmond area (thus the name Colorado River).

The club's major focus is promoting the philosophy of the HRC whose motto is "Conceived by hunters, for Hunters". CRRC and the HRC believe that a good dog is one of the best conservation tools to the hunter. We train and test our retrievers in true to life hunting situations.

We host both a Spring and a Fall Hunt Test, a yearly Christmas/ Awards Party, a summer get together, monthly meetings and occasionally hold/host other events.

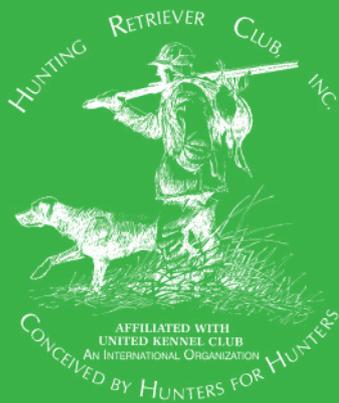

This is a club that welcomes new members with open arms and is full of friendly people. Members often train together and usually have several club training days throughout the year. CRRC's club officers are extremely knowledgeable when it comes to retrievers, retriever training and hunt tests.

---

We've always got something going, whether it's retriever, coonhound, beagle, or another UKC-licensed hunting event. Make sure you check out our calendar to see what the next event is that you and your dog can attend, and we'll see you there!

## ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.
- The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.
- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.

- Very Important! If you are emailing photos, please send each one as a separate attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.
- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- \*If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

# REGION 1

Erica Wilson

**Ottawa Valley HRC - Submitted by Rod Stoddard.**

Hunt tests have started in Ontario, Canada.

Thanks to all Region 1 clubs that have been busy working hard to get their grounds ready. OVHRC had their test June 21 and 22. Thanks to all Judges, volunteers, handlers, and dogs for a great weekend and awesome work by all.

The weather wasn't ideal, as it rained most of the time. Everyone battled through the conditions and made our test on the Pakenham ski hill a success. Many of our members received passes and some titles in Started and Seasoned, at their home club.

Those that came got to experience great test grounds on a ski hill, not just winter activities there anymore. We are starting plans for next year. So, make plans to bring your retriever to the ski hill for loads of fun and retrieving.

Now that our test is over for this year, many club members are preparing to attend hunt tests and get those points and titles.

See you all soon, until next time.

Happy training from OVHRC.

*Congrats Nick on winning the zinger winger from hunt test raffle!*

*Jordan and Wes making pond safe for dogs on top of ski hill.*

*Last of ribbons being handed out at OVHRC Hunt Test. Oh, it stopped raining!*

**Luther Marsh HRC - Submitted by Erica Wilson**

We have started the hunt test season off strong here at Luther Marsh HRC. A number of club members were able to go to Ottawa Valley HRC's regular test and support the first hunt test they have been able to have in over eight years! It was so great to see a club coming back into action.

We are currently preparing for our own hunt test on August 10 and 11. We will be hosting our 30th anniversary and we are over the moon excited for it. We look forward to some amazing tests, exciting new judges, a super-duper raffle and a fantastic dinner on the Saturday night.

We will be hosting a cleanup/training weekend at the end of July. We hope to get the land and water all cleaned up and ready for the hunt test. Club members have been out and about with the amazing weather getting their dogs all geared up for the next few trials of the year. We love seeing the photos of everyone training.

We hope to see you all at our 30th Anniversary Hunt!

towards progress and success over the next two months of hunt tests! .

Rob and Wyatt picking prizes.

Mary Lou and Bruce, our Started judges.

Rob Monico and Euchre running Finished.

Lake Ontario HRC - Submitted by Coady Melvin.

June 1 and 2 have come and passed, along with our annual test. We had a great turnout and weather to boot. We would like to thank all of the hard-working members of our club and the others that came together to make this year's test a success. Special thanks to the judges and bird techs; without them none of this would happen!

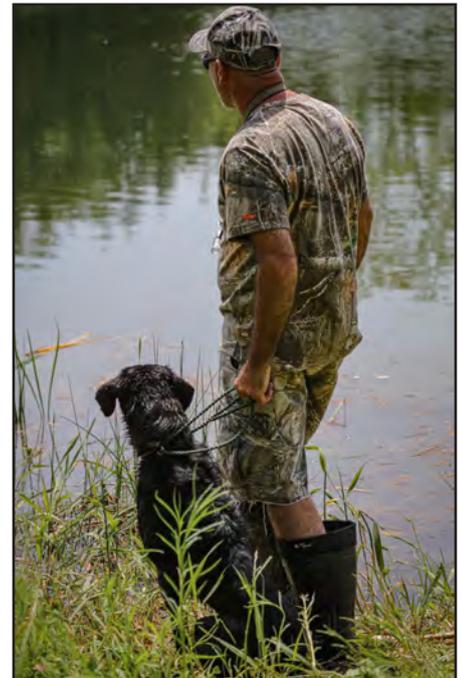

There was an assortment of breeds run with success! Congratulations to everyone who passed and or made progress with their pooch. Finished test was held for 14 labs, two Chessies, one Toller and one Golden. Seasoned test was 12 labs and seven Chessies. Started was very colorful with seven Labs, six Chessies, one Golden and one Spaniel. The club is continuing to grow, and our training days will continue through the summer. Good luck to all our club members working

**Essex HRC - Submitted by Curtis McFadden**

Essex HRC is happy to note that we are well on our way to a fun and exciting Regular test planned for July 20 and 21. We have a new judge starting out in Started, and we are looking forward to seeing all our friends from here and far.

Training has been going steady for all Essex HRC members. We had a good winter, which allowed for us to get some solid training in during the cold months, and then spring and summer rolled around, and it's just as great for training. The rain has been a lot, but we are making do with what we have.

**Nickel Belt HRC - No report submitted.**

**Georgian Bay HRC - Submitted by Mike Masucci.**

It has been a very busy start to the year for Georgian Bay HRC; we have seen an influx of new enthusiastic members who are eager to help the club and the game we love, along with the support of our long-standing members. Georgian Bay's members have been meeting monthly in preparation for our August 31, September 1 hunt test, and many of our members have been all around Region 1 supporting our local clubs. We have training days scheduled and work parties

to boot! It's a great time to be a member of GB! Hope to see you out at our annual hunt test posted on the HRC Website.

### Roxanna Gould

**Conowingo HRC - submitted by Cleo Curry.**

CHRC held our Spring Hunt Test in May in Port Deposit, MD. We would like to thank everyone who participated and helped to make this event a success. Special thanks to Gaby Buck, who allows us to use her beautiful property. Thanks to all the volunteers who commit to helping at each hunt test. We could not put on a successful test without you. Thanks to the judges, who travel and give up their weekend for us. Thanks to the Hunt Test Committee for their countless hours before and after the test to make sure all the details are taken care of. And thanks to the handlers who choose to enter our test. We try to show some appreciation with our fabulous tailgate, and many thanks to everyone who works hard to make sure the tailgate is a success.

Congratulations to all who ran their dogs, and to those who qualified or titled! We had some weather this time, and we were all pretty drenched at some point. But that doesn't stop us.

CHRC holds monthly training on the fourth Sunday of every month. Guests are welcome. Please see our Facebook page or website for more details.

**Guns Up HRC - submitted by Roxanna Gould.**

Guns Up would like to thank everyone who participated in our two-day regular hunt and our four Upland hunts. We realize that we are in a remote area, and we appreciate everyone who made the trip to spend their holiday weekend with us in May. It's always good to see our HRC friends after a long winter. It seems like the Started and Seasoned entries are down everywhere.

One of the things that we should all have on our agenda is to encourage younger people to join us in this sport.

**Hudson Highlands - submitted by Bob Tunney, President.**

HHHRA HRC hosted its third annual Hunt Test at Stewart State Forest in New York on June 29-30. We had quite a large entry of 135 dogs in total for the weekend. Our judges were fantastic and put on very challenging but fair tests with some excellent dog/handler work demonstrated as the teams navigated through the tests. As usual, the HRC family of handlers (both HHHRA members as well as outsiders running their dogs) pitched in to make the tests run smoothly (particularly in the Finished stake). That support and camaraderie is what really makes HRC special, and we are truly grateful for your help. After the test, several new to HRC Started handlers commented on how supportive their judges were and said they were looking forward to advancing their dogs in the HRC program. Several of our members earned titles this weekend: Guy Defeo and Remi (Started), Rene Alicea and Honey (Started), Hugh Wiley and Panda (Seasoned), and although we did not have access to running water at Test HQ,

Suny, SHR Yellow dog's Red Devil Run at first seasoned test.

our Started Judges ensured Guy Defeo got his title bath via bottled water (how considerate!). In Finished, Ken Devincenzi earned two passes with Blue, and John Blanco one pass with Rosey, getting them both closer to HRCH titles. We also had the pleasure of watching our youngest handler Sarah Toohey (18 year old recent HS Grad) handle Peter Slattery's Raven to a Started ribbon. Sarah works at Hudson Farms G&H Gundogs after school, and looks like she is well on her way to becoming an excellent handler and HRC member. Great work Sarah!

**Lake Audrey of South Jersey HRC - submitted by LuAnn Riebel, President.**

Here at Lake Audrey HRC we are getting ready for our annual club picnic on July 13. It's a day that we get together for great food and enjoy a day with good friends.

Lake Audrey HRC trains every weekend, weather permitting. This especially helps those entered in hunt tests, etc. We have many of our members running in different venues, getting passes or titles.

We are working on our August hunt test. It will be Lake Audrey HRC's tenth anniversary! We invite you to come out, celebrate with us, and help make our hunt test a great success!

All of us at Lake Audrey HRC hope that everyone had a great July 4th and a wonderful summer!

**Yankee Waterfowlers HRC - submitted by Chris Rawson.**

We held our 20th HRC hunt test this year on the first weekend of June.

Tony Rotolo, Larry Blasbalg and Marianne Mineo judged Finished. Samantha Johnson, Marianne Mineo and Eric Bartlett judges Seasoned. Missy Bartlett, Pam Kegeles, Jo Ann Reynolds and Eric Carreau were our Started judges.

As always, we are very appreciative to Dr. James Dean for use of his great property, Peake Brook Farm in Woodstock, Connecticut.

New club member Eric Acmpora ran and passed his dog Pepper in their Started first hunt.

Club Secretary Ryan Blanch ran his pup Rip in his first two started hunts and passed both.

YWHRC member Pam Kegeles's dog HRCH UH Brothers Boo on the Bayou passed the Spring Grand, handled by Tommy Balderacchi. Boo also was recognized by the club for obtaining 500 points. Great job Pam and Boo!

We are hoping to host a quad Upland this fall in early October.

We're in the doldrums of summer here at ECHRC and are busy preparing for the upcoming fall season. As is typical every year about this time, we are turning our attention to our Fall hunt test in September. We aim to put on another fabulous event for the region and have our fingers crossed that we will be blessed with ample rain showers between now and test weekend.

In addition to hunt test prep, there is a buzz in the air as members prepare their pups for the upcoming dove and resident goose seasons. Yessir, we all love this time of year as we turn the page and the excitement builds for what we all hope to be a fun and successful fall season both in the field and at the line.

Hello, from Middle GA. It's hot! Our members have been training in the heat, but very carefully. We have also traveled the country participating in the Super Retriever Series. Some of our folks have had consistent success. Region 4/4A was well represented at the HRC national meeting as well. Middle GA gave our first annual scholarship to the HRC foundation, and this year it was presented in memory of Mitch Mitchell. Cooler weather is coming, see you all in the fall!

Greetings, retriever Lovers!

We hope y'all are having a great summer and staying cool. We are looking forward to upcoming fall tests and training days! We want to highlight Marcus Bice, as he was awarded a lifetime membership in the HRC at this year's meeting. He has done and continues to do great things for our sport. We look forward to seeing y'all when it's a little bit cooler and a whole lot closer to duck Season! Train on!

**Central Florida HRC - submitted by Carol Caito. Ray Caito, President.**

Central Florida is hot all year long, but especially during the summer months. This makes training dogs a little more difficult, as there aren't many hours during the day that are 'cool enough' to train. But if you are into dog sports, you do what you have to do to get the training in.

Our June training day was hosted by Ray and Carol Caito at their farm. We had a small number of dogs and handlers attend, but we got some good work in while staying as cool as possible. We set up multiple land marks for the dogs, which could be run in any combination, depending on the level of your dog. We also had several water marks as well as water blinds set up. Everyone got some good work in, and we were wrapped up by noon.

Ray and Carol have been running SRS events throughout the country and Ray continues to have great success. He and Rona got a 6th place finish at the Maple Ridge Retrievers SRS in Mississippi. Also huge congratulations to Ray at the Chesapeake Plantation Outfitters SRS in Georgia where he not only earned a 1st place finish in the amateur division with Rona, but he also earned a 1st place finish in the open division with Traeger. This is the first time that both the open and amateur division have been won by the same person at one event. We are SO proud of you! Keep up the good work.

Clint and MK Beaty's dog Rigg also had success at the Chesapeake Plantation Outfitters SRS with Carter Turner earning a 4th place finish. Congrats to Rigg and Carter!

We are anxiously awaiting some cooler fall weather along with the fall HRC test season in our neck of the woods. Until then, happy training, and we hope to see you soon.

If you're not from around these parts, you might not fully understand that a day which reaches 95 degrees will actually feel like 113 degrees with the heat index. The feel of it though, it's as if you just took a swim in hot water and intentionally did not dry off before putting all your clothes back on and you've found yourself inside an oven that's just about preheated! All that to say, it's hot down here on Johns Island! This summer weather didn't stop us though from having a training day on Saturday, June 15.

We had about 22 folks join us, and everyone had a great time. We got to catch up with old friends as well as make some new ones. A few new club members even! One of the highlights was seeing so many young pups introduced to retrieving for the first time! A huge thank you goes to Doug Heaton of Dakota Prairie Retrievers, our President, who has the patience of a saint and a sixth sense of magical dog

communication. It was also only possible with the hard work and help of our members and the gracious hospitality of the landowners who allow us to be active on their "Eden."

A great Training Day couldn't be had without a good meal to share! We grilled burgers, hot dogs and even had local boiled shrimp. It was the choice you had to make between three different homemade bundt cakes that was the most difficult part of the day. Very thankful to the Aimer family who brought their dog Scout out for the first time and those cakes they shared!

Enjoy our photos taken by Katie Burke during our training day printed here. We invite you to check out our Facebook page to see the recap video Andrew Scherl posted for an even bigger peek into that incredible, fun, hot, June Saturday on Johns Island with the Lowcountry Retriever Club!

We are looking forward to helping support 'Hunting for the Cure, Retriever Jamboree' that our friends at Midlands HRC are hosting in August. We are planning more Saturday training days in the near future as well as our next Hunt Test, so we hope to see you soon!

Training Day Lunch was delicious! We grilled hotdogs & hamburgers, and also had local boiled shrimp. Topped that off with a choice of homemade cakes that our new friend brought to share!

Lots of folks came out! Even added a few new members to the Club!

We had all levels show up to enjoy the day of training. Enjoyed watching some Finished level training which inspired goals for our new handlers and hopes for their young pups!

Ran multiple marks; you can see Jeannette Finch getting ready to receive the duck from her Flat-Coated Retriever as she is also getting into the correct line of direction for the next mark.

It was a great day for new pups to get their first taste of what they were bred to achieve!

Training ran smoothly with the help of many hands! You can see in the background a birdboy doing his task while the yellow lab completes hers!

Training in action! Here you see our president, Doug Heaton coaching a handler through proper technique and form as they call their dog back into heel with the retrieve.

**Northeast Florida HRC - report submitted by Susan Poole. John Spivey, President.**

On our June training day, first our dogs ran or swam three marks, then they did a "head swinging drill" in the shade. The purpose was to teach the dog to turn with the handler and follow the barrel of the shotgun. The handler was sitting on a pail with a swivel seat and a helper threw a bird over their heads in the direction they were looking. The dogs caught on very quickly. After training, we held our club's annual meeting. We confirmed our plans to hold a hunt test in February 2025. In addition, two of our members are proud parents of new puppies and possibly future retriever champions!

**Midlands HRC - submitted by Donna White. Steven Highsmith, President.**

With hunt test season over, judging assignments no longer an issue, and some training property available, Midlands was able to hold a Club training day. We couldn't have asked for a better day weatherwise and great attendance from members. Thanks to club member, Beth Johnes, owner of Dry Pond Kennels, we had some nice water to train on. There were all levels of dogs (and handlers) in attendance so they could pick which marks and which blinds they wanted to try. Some choices were a bit difficult, but with help most of the dogs were successful. Thanks to club member Ben Taylor for being photographer of the day.

Yours truly offered to be the chuck wagon cook; Billy Caughman offered to provide hamburgers and hot dogs from his family's meat market; and we also had pasta salad, chips and dessert, provided by Ann Mitchell, was brownies and gluten free peanut butter cookies (which were awesome!) Thank you to all who contributed and helped set up. But the best part of the day, for me anyhow, was two huge baskets of just picked peaches ordered up by Beth. You see, Beth works for Titan Farms, the biggest peach grower in the south. So those peaches were just a phone call away. They weren't all for me of course, so other members got to take some home too. Didn't take much arm twisting. Thank you, Beth, for the use of your property and for the best peaches around.

We have a few club members who reached their goals at an event this spring held by CBSRC Retriever Club. Scottie Hendrix and his dog, Hub, have been busy working on getting their Seasoned pass, and gladly accepted their title ribbon at the May event. Another awesome accomplishment was attained by 90-year-old Larry Domas with his dog Luke. Luke loves his daddy and would rather be in his lap than sitting beside him, so this presented a problem at a hunt test. Situation resolved apparently, because two

passes at CBSRC's May test gave Luke his third and fourth pass for his HRCH. Larry ran under judges Dan Reel and Devon Ruth and Jay Pace and Quint Broome, and is grateful to all of them. He is, however, disappointed that he can no longer be the "official Seasoned test dog!" And then there is Mike Menchinger, who has waited many years to attain his goal with his dog Ruby. Once again, CBSRC comes through and Mike and Ruby reached the 1000 Point Club achievement. Yes, there were many years involved, many miles on the truck and many dollars spent along the way. But this is an honor awarded by HRC to handlers for their dedication to the sport and there are very few people who get there. Congratulations, Mike. Now it's time for a new puppy! And congratulations to all our members who persevered and reached their goals.

On August 17 Midlands, will be hosting a youth event that has been coordinated by our Club President, Steven Highsmith. Hunting for the Cure is a non-profit organization, and Midlands will be hosting 30 children who have or have been affected by cancer. Beaver Creek Plantation in Twin City, GA will be the location where a few Midlands members (and their dogs) and volunteer help will "guide" these children to participate in a mock hunt test scenario similar to a puppy or youth stake event. The children and guides will run UKC registered dogs on two marks, one on land and one on water. This will be followed by lunch, a ribbon ceremony and hopefully a photo shoot!

On the above referenced event, Steven says "This event is intended to give the kids a firsthand experience at seeing what a working dog can do. It is also an opportunity for HRC members to show off the dogs we are so proud of, as well as keeping in faith with what Hunting for a Cure stands for by giving these children an opportunity to experience something that, given the circumstances they might have never been able to do. I am looking forward to a day of smiles, laughter and full hearts." I personally look forward to being able to give an update along with photos on how this whole event went in our next magazine article.

By the time this issue is at your door, summer will almost be at an end. I hope you have survived the heat here in the south or were able to get some relief by heading north like Don and I do for a month in New Hampshire. Midlands is still in the planning stages for our 30th Anniversary Hunt in October so look for more info on social media or in your email. .

The South Florida Hunting Retriever Clubs have begun their training days, starting with a judges seminar conducted by Tracy Stubbs, which provided a comprehensive understanding of judging expectations. This was followed by a mock hunt test training day, allowing participants to put their newly acquired knowledge to the test. We have a full season planned of training days. We are working diligently to prepare our furry friends for the upcoming hunt test season.

**West Mississippi HRC - Submitted by Jim Davis**

West Mississippi HRC held its summer hunt test. We had great weather, not too awfully hot. We purchased large, camouflaged umbrellas with tripod stands for all the bird techs to help with the sun and heat. All flights were full or just about full. Young kids are our future, and we make sure to include them in the weekend. They loved that. Vivian Yarborough, daughter of Jason Yarborough, loved carrying "her" duck around. Kathryn Davis, granddaughter of Jim and Karen Davis, "won" 2 ribbons when she ran Farah Fowler in Started. Papa and Mandy Cielinski taught her how to take the duck away from Farah when she retrieved it, as Kathryn wasn't too sure she wanted to do that part. We had a new Apprentice Judge, Jason Williams. We wish him a LONG judging career with HRC. We hope and pray that everyone has a safe summer.

Plans are once again being made and we are looking forward to the upcoming fall hunt test August 17-18, 2024. Once again it will be held at Ethan Corkren's farm in Brilliant, Alabama. Due to the extreme heat here in the south this time of year, we will be starting at 6:00 a.m. in order to provide the best conditions for our dogs, handlers, and judges.

We would like to say thank you to all of our members and handlers for the continued support to our club and love of what we do. If it wasn't for them, we could not do what we love to do. It was very exciting to see so many new faces at our spring test and look forward to them returning at next month's test. We wish everyone the best of luck this test season and hope to see you soon.

### Deer River HRC - submitted by Billy Carey.

Greetings from Deer River Retriever Club. Our members have been working to beat the heat by training early or late in the day. We have had a couple of training days and continuing our monthly meetings and enjoying the fellowship. We are getting ready for our Fall test September 28 and 29. We welcome all to come and enjoy our test and our Saturday night banquet that we have been providing club members and guests for many years.

### Tennessee River HRC - submitted by Hannah

### Chandler.

Tennessee River's fall test will be held October 5 and 6 in Union City, Tennessee. We hope you will plan to join us.

### West TN HRC - submitted by Jeremy Browning.

By the time this article comes out, West TN's July and August hunt tests will be complete. Thanks to Maple Ridge Retrievers for hosting and thanks to members, judges, handlers, and bird techs for your hard work. As usual, the grounds were spectacular. Members are continuing to train for upcoming hunt tests. If you get an opportunity, join us at a future West TN test.

### Old Hatchie HRC - submitted by Michael Fugitt.

Old Hatchie members are in full swing training and running hunt tests. We are preparing for our fall test which will be September 14 and 15. Details are posted on the HRC website. Sign up early to secure your spot. Hope everyone has a great summer. Stay cool and hope to see everyone soon!

**Music City HRC - submitted by Skip Sparkman.**

Music City HRC is excited to invite you to our 20th Anniversary Hunt Test in late August. We expect to have five to six Finished flights, two Seasoned flights and a Started flight. Entry is via HuntSecretary.com. Walk-ups will be accepted, and every effort will be made to accommodate handlers with entries. There will be plenty of food available with our traditional Saturday tailgate. We hope you can help us celebrate. Flights will begin at 7:30 each day.

**Gun Creek HRC - submitted by Kirk Keene.**

It's a quiet time of the year for the club. Training has become an early morning-late evening affair with the intense heat and humidity. Efficiency in training is critical, in order to get the most out of each session in order to keep our dogs cool.

The club is preparing for our September test at Kevil, Kentucky. Entries are exclusively on HuntSecretary.com, so keep your eyes open if you'd like to join us.

High Flyers HRC - submitted by Kevin Buckley.

By the time this goes to press, High Flyers will have our annual hunt test successfully in the rear-view mirror. Thanks to those that joined us and congrats to those that took home a ribbon (or a lesson)! A special thank you to Holly Costello for stepping up to the challenge of chairing the test this year. We are also encouraged that many club members are giving back to the sport by entering the judging pool.

We continue to have very good turnout at our monthly training days, including many new faces which is always nice to see.

Fall will be upon us before you know it with the start of early season goose, duck, and pheasant in this part of the country. We (and our dogs) look forward to putting all that hard training to work in the field.

The handlers and dogs here at Southwestern PA HRC have been putting in some major work during our monthly training days as we gear up for our HRC Test we will be hosting September 7 and 8 in Springboro, Pennsylvania.

Some of our members have been getting an early start to their ribbon collections for the year, and we couldn't be prouder! Big congratulations to Rob Moffa and SHR Fowl Mouth's Rolling Thunder Roxy for earning Roxy's

Started title this spring. Also, congratulations to Jordan Kiebler and SHR Brantley XV for earning a Seasoned pass earlier this year. Both pairs are well on their way to making a splash in the Seasoned division later this year.

Another exciting development of 2024 for SWPAHRC is the wave of puppies this year. We started the year with one, then there were two, and now we are up to four puppies in our club! These youngsters have been gaining some very valuable experience by watching the older dogs work, taking in the sights and sounds, socializing, and participating at puppy levels. These pups will look much different by the end of the year, so enjoy these cute faces while you can!

Looking forward to watching the next generation of all stars grow up.

Central Michigan HRC - submitted by Shawn Getty. Randy McComas, President.

I would like to thank everyone for all the help to make Central Michigan HRC 30th anniversary a huge success!

All of our judges did an amazing job, the setups were great and well thought out. So many friends in our HRC family came out to support and help. It was a great weekend!

So much work went into this weekend to say thank you to each person would take a day just to right down each name; with that being said, thank you all again so very much for all you do!

The clubs in region 7A seem like one big club working together to make sure no job is overwhelming. I feel like every test is a family reunion.

If you get a chance to come up to Michigan and run a test we would love to meet you.

As I sit down to write this report it is the first time for OHRC as a member of the 7A. No problem here as we train with our Michigan brothers and sisters all the time! Our fall test is all set and ready to go, and will be live before you read this. Our test has been named THE DANCE by my friends Steve and Randy, as it is the last big test in our region; come on out and see why. Great location and great fellowship! OHRC finally has a new member, please join us in welcoming Jamie Spencer to the fold and wish him luck with the game! I wish you all luck with your upcoming tests and hope to see you all at Southern Michigan's test!

**Southern Michigan HRC - Submitted by Linda Baxter. Tim Dawson, President.**

Where is the summer going? As I write this, the Fourth of July holiday is here and gone. Southern Michigan has had an active summer, with members training, club training days, running tests and planning for upcoming events. Congratulations to those who have been successful chasing those ribbons and titles. It's great seeing the members success. Those who fell short of the success, we always learn from our mistakes, and it paints us a clear picture of what we need to work on.

Southern is in the final stages of our hunt test planning. It will be held August 10-11, at the properties of Leaping Water & Mizak farm.

Our 5th Annual Ladies to the Line was held on June 29. Twenty-two ladies came together for a day of lots of fun. We were well treated by the five guys who worked for us so we could run our dogs, have fun & gab. Todd, Case, Tom, Louis, and Patrick, you guys did an outstanding job. Thanks also to the handlers who entered their dogs! We had a number of members receive titles at our test, congratulations! We had a group of members go to Harrisville, Michigan, and run their dogs at the Blind Challenge in June. We have also had weekly club training. It is great to see new faces and dogs mixed in with the regular faces. Remember to keep yourself and your dog cool while training in the heat!

Our May 2024 Hunt Test was a big success thanks to excellent judges, a broad group of club volunteers pitching in to assist and a great collection of HRC participants. We saw some amazing retrieves and fine handling on both land and water. Our junior handlers had a chance to participate in the fun. Good to see the smiles all around as the kids had a chance to participate in the test and awards ceremony. Important to share the HRC experience with new participants both young and old. At our May test, Russ Dusett and T achieved their 500th point. Jack Goss with Captain obtained a Finished title. James Amthor and Willow obtained their Seasoned title. Rocko Khoury and Dottie reached their Seasoned title. Paul Grimm handled Saber to his Finished title. Many of our members enjoyed participating in the Central Michigan Hunt Test later this spring. Congratulations to Sean Houtekier and Grainger for their 1,000th point to go with multiple Grand Passes needed for the HOF. Ken Frazee and Lottie obtained another Finished pass to title at this event. SCF is engaging in improvements and maintenance at our usual training grounds in addition to maintaining our weekly training sessions as much as summer allow.

Yowza...what a fabulous weekend it was for Cranberry Country HRC with its inaugural event July 13 and 14, holding two Finished flights, along with Seasoned and Started at Bally's Gun Dogs in Tomah, Wisconsin. Special guest judges were Kristine Odden, HRC International Treasurer and her husband Cadet Odden from Oklahoma, along with six wonderful judges from HRC Region 8. The whole event ran smoothly with the help of some amazing club members and volunteers including James and Becky Coppersmith, Mike Miller, Nick Schutte, Robert Millane, Chad Nickols, Rob Scripture, Nick Hatch, Dakota Swanke, Kim Buchanan, Janean Marti, and Justin Van De Hay.

A huge shout out to Nelda Bailey, FFA Advisor for Tomah School District and her dedicated group of students who worked as bird technicians in the 97-degree heat index on Saturday and again on Sunday without a single no bird. The judges did some creative set-ups using the defunct cranberry bogs for both land and water with realistic duck hunting scenarios and challenging blinds utilizing the natural features of the area.

One highlight of the weekend was watching

Adam Bally, property owner and President of Cranberry Country HRC dive into the flooded bogs to retrieve a duck decoy dislodged inadvertently by a Started dog that was way out of reach even with a decoy retriever pole for anyone to grab.

The celebratory banquet had fifty-five people in attendance, with delicious food eaten while heavy rains arriving just at the start of dinner pelted the metal roof. There were plenty of beautiful cranberry red ribbons given out to some well deserving teams.

Thanks also to Ken Reinert, HRC Field Representative for advising club officers and the hunt test committee on pulling this off. The club would like to acknowledge the generosity of Adam and Cortney Bally for the use of their property as the home of Cranberry Country HRC and where the hunt tests were held. Even Lane Bally (age 9) got into the action as a bird planter, gopher and ATV runner helping wherever he could when he wasn't eating blueberry cookies or snacking on Gardettos.

Anyone who has been involved in starting up a new HRC club knows that it won't get off the ground without the support of other HRC clubs. This included members volunteering to assist with set up and throughout the hunt test weekend, loaning equipment to use, giving advice and financial support by entering the tests and buying raffle tickets. Other HRC clubs in Wisconsin notably represented at the event included Badger State HRC, WISILL, Horicon Marsh HRC, and Muddy Waters HRC. Club officers are already discussing holding our first Upland Hunt Tests yet this year!

Horicon Marsh HRC was busy the last few months getting ready for our regular summer hunt test. Our test was held in June on Father's Day weekend. We had a great amount of dogs running. Many ribbons were given out and a few titles as well. At the Seasoned level, we even had a little entertainment during the water portion of Saturday's test. One of the decoys got hooked on a dog and was pulled out to the middle of the water. One of Horicon Marsh's members volunteered to swim out to get the decoy. He did great, taking whistle commands and hand signals from the handlers on land. Thanks for stepping up and providing some laughs Nick! It was also great speaking with new handlers looking to learn more about the HRC tests. Thank you to all who attended! We look forward to seeing you all again in 2025. A special thank you to our judges, bird techs (who were outstanding and received numerous compliments!), Hunt Test Committee, and club members who helped out. We couldn't have done it without you.

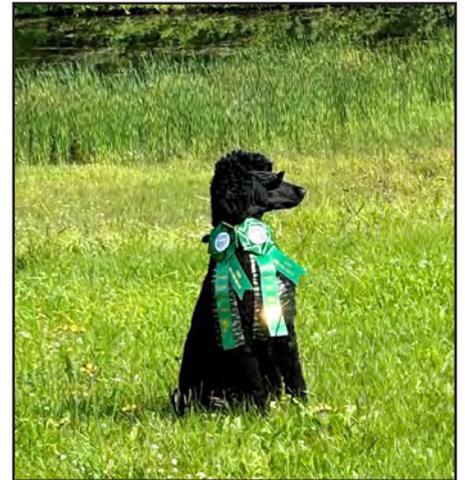

As we wind down the hunt test season, we look forward to continuing our training sessions. We have multiple training sessions a week, allowing our members the flexibility to attend when it is convenient for their schedule. This also allows our members the opportunity to see different training scenarios based on what the group decides to work on during that session.

As September is fast approaching, it is time to put all that training to work, waterfowl season!

Good luck to those who hunt! Be safe and hope you all have a successful season.

WISILL members have been incredibly busy this summer, with the training and testing season in full swing. Their hard work is reaping rewards, evident through numerous hunt test passes and titles being earned.

In early June, WISILL hosted an SRS qualifier. Despite challenging weather, the event was a resounding success, with many handlers praising the quality of the event. Congratulations to all those who placed and qualified for the SRS Crown Championship.

The annual spring hunt test in June at Richard Bong Recreation Area was another highlight. The event saw an excellent turnout, and

everyone had a fantastic time. A big thank you goes to all club members who volunteered and ensured the smooth running of the test, as well as to the judges who set up challenging tests. We are especially grateful to the handlers and their dogs for choosing to spend the weekend with us.

In addition, the annual Youth Seminar at Richmond Hunt Club was a major success. Aspiring young handlers learned the intricacies of training and handling retrievers, resulting in many smiles and laughs. Look for pictures of the youth seminar in the next club report. We extend our heartfelt thanks to Richmond Hunt Club for their continued support of this wonderful event. The future of retriever training looks promising.

Preparations are underway for the upcoming hunt test on August 24th and 25th. These events are made possible by the dedicated members of WISILL and HRC who selflessly volunteer their time and effort before, during, and after each event, ensuring their success.

Gateway is in full swing training and testing. Training days are helping develop members' retrievers into hunting partners both in the field and in tests. As the summer progresses, we will be preparing to showcase our training grounds both in our annual Fall Hunt Test to be held September 28 and 29 and at the Fall Grand to be held three weeks later. Recent rains have helped to fill up the ponds and lakes at the training grounds, and we are hopeful that there will be many options available for water series at the Grand.

**Hoosier Creek HRC - submitted by Jeremy Stolba**

Hoosier Creek Conservation and Retriever Club (HCCRA) kicked off their first HRC Hunt Test May 4-5. Thank you to all the club members and Bird Techs who helped make this test run so smoothly. A huge shout out to Sydney Pickering for all her hard work keeping everything so organized and running smoothly. Saturday morning, we dealt with some foul weather but other than that, things went great. This year was our first year of having a hunt test at Legacy Acres. The grounds have proved themselves to be very challenging and we look forward to being back there next year.

August 16-18, HCCRA will be hosting a Youth Hunting and Retriever Academy at Legacy Acres. This will be a 3-day camp where students participate in shooting sports, duck and goose calling, setting up both duck and goose spreads, and learning all the ins and outs of waterfowl hunting. Conservation will also be a big part of this event. Students will also be learning how to handle and train retrievers. Will set up hunt test scenarios so students can handle dogs. Hopefully this will encourage more youth to get involved in the retriever world. Every night, all the students will learn how to prepare/cook a

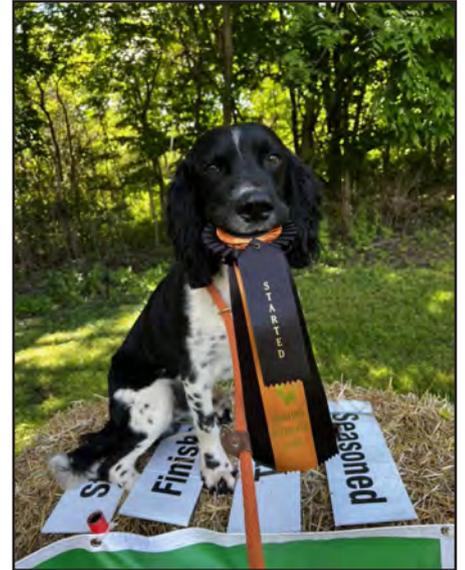

wild game dinner with the help of a professional cook.

On March 30, HCCRA hosted their annual banquet raising \$31,000 to go towards conservation projects and youth programs. We had over 450 people in attendance. Thanks to all our sponsors and committee members for such a great banquet.

HCCRA will continue to have training days the third Saturday of every month throughout the summer. Training days will be held at Legacy Acres. Check on our Facebook page for any cancellations or changes.

The dog days of summer are upon us! We hope everyone is getting belly-up marks and lined blinds this hunt test season. Illinois River HRC has two remaining training days planned for club members in July and August. We have concluded our weekly evening training seminars for our club members this year. Thanks again to Lifetime members, John and Kathy Henderson, for sharing their knowledge and experience. We will conduct our annual firearm raffle at IL DNR waterfowl duck blind draws at the end of July. This raffle is the primary source of funds for our club, and enables us to maintain and grow our training grounds. These funds have also allowed us to recently replace all club wingers, which has been a growing need for the club for a few years. Many thanks are due to our equipment manager, Gene Figge, on his efforts to keep our aging equipment operational for so long. IL River HRC club members continue to serve the HRC community by judging at surrounding hunt tests. Personally, as someone new to "the chair," it has been more rewarding and fun than I ever expected. For those on the fence about entering the judging ranks, I highly encourage it. Thanks to all the clubs in our region and beyond who

Most of the spring & summer have happened and it seems all went well. Mississippi Fly will be holding a test in August, and we are very excited about them getting back in the program. We got really lucky this year with our water situation. Our test grounds are just off the Mississippi River, and there was no flooding in the Spring. Well, that really changed. While the south has been getting really bad storms, we have major flooding; thanks to all the rain up north, our grounds are underwater, and it will be some time for the clean-up to even get started. I hope everyone is safe and things get back to normal soon.

**Retrievers Unlimited HRC - submitted by Stephanie Schroeder**

Retrievers Unlimited has been holding two to three training days a month this summer. Even in the heat, we have had good luck on the mornings we've chosen so far. Always good to have new faces and new young dogs learning. In June, Jeff Augustine hosted a training day/trailer inventory-clean up at his place. We appreciated his hospitality and all the help from our members who helped tackle the trailer. Our judges are approved for fall, finalizing all of the rest of the plans for our test. Our fall test banquet/raffle will be back at the Bull Pen in New Athens, IL, which is always a great host. Other than that, we look forward to the fall and cooler weather, and reaping the benefits of summer training. See you on the hunt test trail (on one side of the bucket or the other).

Summer has arrived in the North Country, and with it this year are record rains, floods and washouts. That's the bad news; the good news is that all of our ponds are FULL, providing for excellent water training. When you spend as much of the year as we do with "hard water," this type of training is very welcome. Taking care of our dogs in the heat is also something to be aware of now and we usually don't have to deal with as much as our friends in the south.

We are deep into the planning stages for our Annual HRC Hunt Test scheduled in August at the Minnesota Iron Range Retriever Club near Virginia, Minnesota. We are fortunate to have excellent and large training grounds to work our dogs as well as hold our Hunt Test. Judges have been secured, birds purchased, and equipment spruced up for the event.

One of the highlights of the event will be our Saturday evening banquet featuring a raffle and silent auction. In recent years, our efforts with securing major sponsorships from local businesses have allowed us to replace old equipment as well as purchase new equipment.

Our training nights, twice a week, feature work for young dogs and trainers on Thursdays

and challenging set ups for our more experienced pups and handlers on Monday.

All of you handlers and trainers from the south wishing to escape the heat should consider vacationing in Northern Minnesota for a week or two to train with us and run a couple of our Region 8B Hunt Tests. We have RV sites on our grounds.

It's hot!

Our June test here at East Arkansas HRC was a huge success. We had three full flights of Finished, along with 40 Seasoned dogs and 30+

Started dogs each day. Our largest test to date. After following our June summer test, we are taking some time off from testing to adapt to heat. Looking forward to fall already!

**Felsenthal HRC - Submitted by Bob Edmondson, President, robertedmonsond@gmail.com.**

Since our last report, we have had to say farewell to Ed Hendricks, a faithful club member who succumbed to cancer. Please remember his friends and family in your prayers.

The weather has been super hot all the way up to and past dark here in our area, so training opportunities have been sparse. We are, however working on fundraisers to aid in buying equipment for future hunt tests. Our fall test at Felsenthal HRC will be October 5 and 6! Hope to see you there. By the time this goes to print, fall hunts will be in full swing. The excitement is always there, as well as the nervous anticipation! Which dog is going to show up today? The champ, or the chump? They always keep us guessing! We'll see! Hope to see you soon at a test!

Blessings to you all!

**South Arkansas HRC - Submitted by Troy Barrios, Roger Morton, President.**

Summer has definitely arrived in South Arkansas. We've been training early and trying to get through before noon. Easier on the dogs and us as well. As I write this, we are waiting on Hurricane Beryl to come through South Arkansas. Hope all is well in Texas. Our fall hunt test is already in the works scheduled for September 21 and 22. We have scheduled all our judges, and are looking forward to another great hunt in South Arkansas. Our club hopes to see many of you then and on the road.

Happy training. Stay cool and safe.

Pin Oak hosted their 12th annual SRS event in early June. As always, handler t-shirts, volunteer t-shirts, and crawfish dinner were provided. This year, Pin Oak member Jim Templeton and Ice won the amateur division. Club member Sean Jackson placed 4th with Cosmo, and 6th with Matey in the amateur division. Congratulations to both!

We had a club training day in June, and our July meeting will be held at the Blue Rock shooting club in North Little Rock.

Jon Schuetz was elected President and Eddie Benetz will serve as Vice-President for the coming year. Dickie will continue as Treasurer and Marty will continue as Secretary. At-large board members are Beth Harrison and Dalton Swindell.

Here's to better training weather and I hope you had a great 4th of July!

Not sure about where you are, but it is HOT here in the ArkLaTex! Please be careful with your outside activities, of which will include Four States hosting a Youth Handlers Camp at Muddy Wing Retrievers on July 27 (I will have some pics to share in the next article) and a Judges/ Handlers Seminar on August 10 at Newton Farms in Rosston, Arkansas. Hopefully by the time our fall hunt test arrives on September 7-8, 2024, it will be a lot cooler, so come on out and join us for a weekend filled with some great dogs earning new titles. Speaking of new accomplishments, congratulations to our club member Sarah Willett and GRHRCHx3 UHCH Calicreek's Shotgun Rider MH has earned their 1000-point status! Sarah thanks Nathan Sloan for helping with this achievement.

### Cadet Otten

The midwestern heat is upon us! Train early and keep those pups cool. The summer brings youth events and opportunities to attract new members to our clubs. I hope your club takes advantage of the time to get ready for the fall hunt test and hunting season!

If you need any help contacting a Region 9A club, please shoot me an email at [cadeto@att.net](mailto:cadeto@att.net). I'd be happy to introduce you and your retriever to any one of the eight clubs in our area.

**Green Country Retriever Club - Michael Bullen, President, [greencountryretrieverclub@gmail.com](mailto:greencountryretrieverclub@gmail.com).**

Here in the Claremore area and surrounding communities, where some of our members live, a tornado and extremely strong winds hit early in the morning on May 26. Several area families lost their homes, and the devastation was awful to see. Our communities are still cleaning up and trying to rebuild their homes and businesses. Fortunately, our members only had minor issues but our thoughts and prayers go out to all who were affected by the tornado and storms. Wishing them the best as they recover from this disaster.

Due to the club's thorough planning, our test ran very smoothly. It was held at the Retriever Academy the first weekend in June, and the weather was beautiful. We had some great judges-Started: Melissa and Larry Fyffe from Texas and apprentice Nathan Atkinson from Arkansas; Seasoned: Karen and Jim Davis from Mississippi; Finished: Russ Harris from North Carolina, Riley Sandall from Nebraska, Stephanie Schroeder from Missouri, and Mark Stites from South Dakota. Over the course of two days, 266 dogs were run and judged. Thank you for giving of your time to judge for GCRC! One group that deserves a huge thank you is our bird techs, the Wyandotte Bears athletes! They have been with us for a few years and do an awesome job! Also, thanks to all who entered and ran their dogs. All the handlers were great and helped if needed. Hope everyone had as much fun as we did!

As usual, Lori Greer and Stephanie Bullen did a great job on our raffle. There was an overflowing table loaded with regular raffle items and several big ticket items. Congrats to all who won something and thanks to all who bought tickets to support our club. Huge thanks goes out to our national and local sponsors for making a donation. We couldn't do it without you.

On Saturday, we held our annual youth test. This year it was an all girls crew. They all did an

awesome job handling their dogs and received a medal for their effort. Thanks to our wonderful judge, Lindsay Mosher, for running and judging the youth test. Congrats to Kenleigh, Codie, Heaven, and Ryan for a job well done. Girls rule!

We are blessed to have so many wonderful friends, near and far, to join us for our test. We always enjoy watching them run their dogs or judge for us or help as needed or just join us to watch and cheer on others. It a great time of family and fellowship every year. There are always a few little bumps in the road, but we just keep on going. We hope you enjoyed the time as much as we did and hope to see you at a training day and at next year's test. Watch our Facebook page for details.

The weekend after our test, some of our club members traveled to the national meeting. Attending were Pat and Rita Johnson, Rusty Noahr, and Mike and Stephanie Bullen. Our very own Pat Johnson was appointed as Interim Vice President of HRC. Congratulations! Also, congratulations to Drew Sherman, son of Corey and Kristin Sherman, and Madison Solis, daughter of Vernon and Janna Solis, for each receiving a \$2,000 scholarship through HRC contributor Purina. Good luck in your future education goals.

We want to wish good luck to all our friends with your hunt test adventures the rest of this hunt test season! Hope your hard work pays off. Looking forward to seeing everyone for the fall hunt test season. It's always good to see friends and enjoy great fellowship and watch dogs do some awesome work. Until next time, God bless.

Hello from Three Rivers HRC. With summer in full swing, members have been training early in the morning and late in the evening, and trying to keep our retrievers cool in between.

Our monthly training days have been starting earlier, and the focus has been on water work to keep the dogs cool. Some members have been on the road running tests and others fulfilling judging assignments.

We had our EC elections in June and now have a whole new EC. Tab Rains accepted the nomination for President, Carlton Coblenz accepted the nomination for Vice President, Steve Staley accepted the nomination for Secretary, and Melissa Coblenz accepted the nomination for Treasurer.

Members and their retrievers are anxiously awaiting September 1 for opening day of dove season. Before you know it fall hunt test season will be upon us, then we will slide right into some much anticipated cooler temps and making memories with friends and our four legged companions in the duck blind. As always, we wish you great success in your training and tests as well as a summer full of fun.

North Louisiana HRC - Tommy Harp, President, [tommyharp@suddenlink.net](mailto:tommyharp@suddenlink.net).

A big hello from Omar and all North Louisiana HRC members! Our 40th anniversary hunt test was an absolute success, combining both our hunt test along with celebrating 40 years of HRC history where it all began.

So many to thank. The Dugdales, who graciously allow us to use their property and facilities. The Camp Minden Youth Challenge Program for providing cadets who served as our bird techs for the weekend. This is a good fit, as it provides a positive atmosphere for the cadets and we get an opportunity to mentor to them. To our judges, who give their time and knowledge to set up category appropriate tests allowing them to evaluate our retrievers. Every judge that we selected absolutely earned the

right and deserved to judge the 40th anniversary of HRC from their knowledge of retrievers to the quality of the individual that they are. Thank you to Started judges Pam Flotte & Eddie Benetz, Seasoned judges Jeff Holley & Doug Attaway, and Finished judges Derrick Watson, Chad Williams, Dana Giovannello & Glen Scarborough. We want to thank all of the owners and handlers who attend our hunt tests; without you there would be no hunt tests. I want to recognize club officers Dusty Davis, Andy White and Ed Myers who worked and planned for months in advance to make sure that everything runs smoothly. We want to thank Arlene Gandy who stepped in and did an extraordinary job as Hunt Secretary when Ed Myers became ill. Please keep Ed in your prayers as he is recovering. A heartfelt thank you to all of our club members who gave their time and effort in so many ways to make our hunt test a success.

Our Saturday night tailgate was a real celebration. It was a great meal, the warmest atmosphere made special since Omar himself was in attendance. So many enjoyed visiting with Omar. Omar is still a guiding influence in North LA HRC. He is always kept in the loop. When asked if he would like to add anything, he sent the following to us:

"I was able to witness North LA HRC 40th anniversary hunt test. I was very pleased in everything I saw, all the hard work and the attitude of everyone running their dogs to the workers putting on the event. Finished maybe a little bit tougher, no complaints though. As I go through the magazine, I'm so proud of everything HRC is doing. We need to be so proud that we are governed by the democratic process and every club has a vote in what is happening in the HRC program. Remember to keep the hunt in the hunt test and the hunting in our hunting retrievers. Give your dogs a big hug from me and tell them this is from the founder of HRC. God bless!"

We all want to thank Omar for giving us a program to develop great hunting dogs and bring us all together.

We send heartfelt condolences to Robert Haynes on the loss of HRCH UH Greenbrier Flash of Thornlemore, his trusty hunting companion.

Until next time stay safe and may God bless you all!

In May, PHRC held their annual officer elections. We congratulate the following officers elected to the club:

- President: Brent Smith
- Vice President (AKC): Bryan Frierson
- Vice President (HRC): Stefanie Stoll
- Secretary: Alexander Aucoin (Interim: Molly Burns)
- Treasurer: Kristen Stoll

PHRC gave congratulations to the following members: Tyler Davis with a Grand pass, Tony Chittwood and Stefanie Stoll titled Seasoned, and Andre Burvant with a Finished pass. We also welcomed new members: Ken Hardee & Troy LaBorde.

Unfortunately, we said goodbye to one of our members, Tony Chittwood, who recently moved to Texas. We wish him the VERY best. Thank you for all the help you provided to PHRC, you will be greatly missed but know you will continue to shine.

Due to the hot weather in July, we will not be holding our normal training day and club meeting. Look for our dates/times for August.

It has been a little quiet here and probably will be until late August due to the heat and vacations. We did have a recent training day and even cooked burgers. Thank you to Pam Flotte and Jeff Holley for coordinating and cooking, and to the Holley family for hosting us on their property. We had a couple of new members come out with their dogs and we all enjoyed the training and fellowship. Watch for future training day announcements on Facebook.

Our May SRS event was a success. Thank you to the judges, to event chair Bob Nicholson, and to all who came out and helped. We will host another SRS event in August.

Amite HRC will host our fall hunt test September 28-29, and we are already talking about our spring 2025 event which will mark the club's 40th anniversary. We are now planning for both events and are planning on making the 40th anniversary hunt test special. Mark your calendar for these events; we always need help, so even if you are not running, please come out to watch and assist.

Stay up to date for meetings, events, and training days via our Amite River HRC Facebook page. The only way to keep our club successful is to come out, participate, and encourage new membership. Until next time: stay cool, and most importantly, make sure your dogs stay cool. Have a great summer!

After several years of "crawfish-withdrawal," CLRC rekindled our loving relationship with these yummy critters with a spring crawfish boil in the country. These remarkable crawfish were seasoned to perfection and cooked just

right! Thank you, Robbie and Glenda Andries for your friendship and hospitality! The crawfish boil and May club meeting were held in the shade of several massive pecan trees—now how much more Louisianan can you get than that? Our club is making plans for a big celebration marking CLRC's 40 years in HRC. The event is our fall hunt test on August 10 and 11. We have plans for at least three Finished flights, two Seasoned flights, a Started flight, and Puppy Run at our Moreauville, Louisiana location. Saturday evening will begin with our Puppy Run, followed by a tailgate supper, raffle, and ribbon ceremony. Several special raffle items will perk the interest of everyone—look for pictures posted on Facebook in July. Our club meetings are the third Thursday of most months, 7 p.m., at 1889 Monroe Highway in Pineville with a training day on the following Saturday. All retriever enthusiasts are welcome!

Cajun has been very busy for the last few months. We have been working on upcoming events. In June, we had three members go to the National Meeting in St. Louis. We also had a training day that about 20 club members came to. There were four new members, and dogs that ranged from Started to Finished. On August 24, Cajun will be helping the Gueydan Duck Festival put on their dog trials. Brandon Menard and Maxie Hebert are working on a day-long event. We will have a training day, Eye Clinic, Paw Print Genetics kits, and also a Vet Talk on August 31. In March of 2025, Cajun will have their 40th anniversary. We have been working on making this a very special event by talking to original club members.

Big D HRC - No report submitted. William Goodnight, President, BigDHRC.com.

Lonesome Dove HRC - Sharon Freis, President, LonesomeDoveHRC.org.

Summer is here and so is the Texas heat. Due to the heat, just about all training sessions are compressed and to the point; there is no lollygagging in summertime Texas dog training sessions.

Lonesome Dove's summertime meeting and training will pretty much reflect that concept. To speed up our June meeting/training day morning, we divided into two groups, with the younger transition dogs/handlers getting some one-on-one time with our resident pro trainer, Glenda Mitchell. We also had marking concepts set ups for all levels of dogs. The dogs and handlers all seemed to enjoy the learning and training concepts.

In July and August, we are planning some new events. In July, we are planning a Member Appreciation Day with good food and dog games. Hopefully, it will be a good time to chill out and simply have fun for everyone and their dogs. In August, we plan on doing visual demonstrations of judging and hunt test concepts so our members can gain a better understanding of running tests and test day strategies. Our plan is to help handlers understand what the judges are seeing and how they are grading the dog. With members watching "test dogs" run with basically a play-play-by-play announcement of the judges' decisions. New concept, we will see how it goes!

We hope all our HRC families have a safe and happy summertime, and look forward to seeing new and old faces in the fall.

Lone Star HRC - Kyle Krause, President, LoneStarHRC.org.

It is summertime in Texas, which means that June and July are hot for our members and their dogs. But we still got in some training work. At our last training day in June, we worked on simple, non-taxing drills that the club members can also do at home.

On a special note, Lone Star HRC would like to send a special thank you to the Monroe family. Over 25 years ago, the family let the club use their 50-acre property in Wylie as our dedicated training grounds. This allowed club members to have full access for training at their convenience. The property was recently sold to a developer. Fortunately, the club board has locked down another property with about 100 acres. This property has several ponds and land for members to use in their training regimen. We recently had one clean-up day clearing brush around the double-F pond and the swim-by pond. We will be having a few more clean-up days in the future, but the grounds are already open for members for training.

Other exciting club activities are in the planning stages. We are preparing for our annual club member skeet shoot in August as well as our upland hunt test in November.

**Cowtown HRC - Keith Hill, President, CowtownHRC.com.**

The heat of summer is here, and that brings us special awareness of our dogs possibly overheating. When out training, we need to ensure that dog boxes or crates are in the shade, and make the most of the available wind. Both dogs and handlers need to be well hydrated with cool water and to take plenty of rest breaks; we can also shorten marks and blinds. This time of year is also a time to revisit line manners and walking calmly at heel. A well-behaved dog is a well-trained dog. On a recent training day, I was reminded of the need to not train alone, and this has nothing to do with the dog and all to do with the handler. As I was taking my dog Starr through the training setup for the day, I started having a pain in my side and then broke out in a cold sweat. After Starr ran her last blind, I was thinking I hope I can get back to my truck to rest. I was trying to be a tough guy. Well, my training partners Joel Moore and Jay Schwisow noticed I was having difficulty, and asked if I was OK. I answered, I think I just need to rest. Well, I rested through several dogs running and finally announced I think I need medical attention. Without hesitation, they loaded the dogs and we were off to the hospital. Not only did they take me, but they stayed with me until I was diagnosed with Appendicitis and was transferred to a larger hospital for surgery. Joel even called my wife to give her updates. I can't say thanks enough to my friends and training partners who stuck with me. So, be safe this summer and watch for everyone else. Go get ready to run some hunt tests this fall!

**Mount Rushmore HRC - Alan Case, President, [alan.case60@gmail.com](mailto:alan.case60@gmail.com).**

Mt. Rushmore HRC held their back-to-back regular hunt tests on June 1 and 2. Thank you to all who gave of their time to make this happen. Thanks to those who judged (some have been judging for our club for years) we really appreciate you taking the time to do that. Club members who judged were Jenny Malavasi, who judged Seasoned both days, Dale Christensen, who judged Started on Sunday, and Alan Case judged Seasoned one day and Started the next. Our bird techs were the Hill City girls basketball team on Saturday and the Hill City boys basketball team on Sunday. They

did a great job. I also want to congratulate some club members and their dogs. Pete Shattuck and Basin got their first Finished pass at our test. Michael Stasburg and his dogs, Lilly and Luna passed both days and received their SHR titles. Scott and Mary Hoscheid's dogs Edna and Elsie were handled by Scot and passed both days at our Seasoned tests. Alan Case and Zeb passed their Finished test at Hidden Pines HRA and Zeb earned his HRCH title. And last, but not least James Eickhoff was awarded a \$2,000 scholarship from the HRC Foundation this year at the National Meeting. James is the son of Tim and Rachel Eickhoff, who are club members, and they have come and worked our HRC hunt tests as a family for the last 7 out of 8 years. Missing this year, because James's graduation was the same weekend. We wish James all the best in the future. I also want to thank Dale Christensen and Mary Burns for the gracious use of their property and all the work they put into this club and our hunt tests. You two make this a test people want to attend. As a club, we are now doing official bi-monthly training days, and people who live close and can, have been training a couple times a week. Good luck to everyone running tests, and by the time this is published it won't be that long until hunting season.

Here in Colorado, we are currently having hot weather as I am sure many of you are feeling the heat as well. It's time to head to the mountains at the Grand Mesa as Western Colorado is having their test soon, but by the time you read this it will be in the past. It is much cooler up there, at least, for the dogs to run.

In July, we have our annual picnic and auction, which is one of our fundraisers to help pay for the training grounds we lease. It's always a good time to see everyone outside of the testing scenario. We also award hat pins to recognize those who have earned a title or a point club status since our last picnic.

Our fall test is well underway, with the judges selected and the venue. The test will be at Fort Vasquez River Ranch by the river this year, which is where we had it last year. It is scheduled for the end of August. We have developed our own entry system, and it is linked through our website. We have been using this for the past year, and it has been working well with just a few bugs to work out. We always strive to make it better and easier.

The social will be at Jane Evans Cornelius

at Coyote Ridge Ranch. She is gracious enough to let us have it there, and she is a wonderful host. They provide some drinks for the social along with fresh vegetables from the garden. We otherwise have it catered.

With fall approaching, I am sure some are thinking about the hunting season and working their dogs during hunting. They want to get all those retrieves.

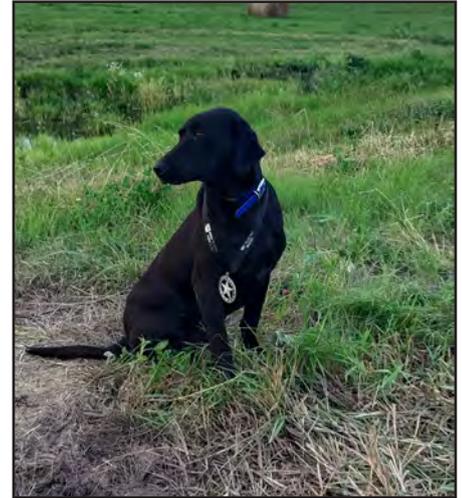

Our membership still continues to grow, and we are grateful for that. We look forward to new members and helping them with their dogs. We hope to get them interested in running a few hunt tests to see what they are like and what their dogs are capable of.

**Salt Valley HRC - Joe Gioia, President, gioia@windstream.net.**

Another SVHRC hunt test in the books, and to say the least it was a bit of a challenge. Four of the tests we put together on set-up day had to be scrapped due to three plus inches of rain, and to add to the fun we had an hour-and-a-half lightning delay first thing Saturday. We had trucks stuck on roads and equipment in fields, it was a little crazy. Everyone from club members to out-of-town judges to visiting handlers pulled together to make for a successful event. Thank you all again! We had a couple of firsts, CJ Bolen on his first judging assignment, and Raylon Van Zee handled families HRCH Ryder at Started. The club made its third 500 point dog in less than two years, as all of you know it takes a team effort to make a good dog. We will be starting our migratory bird hunting with doves, teal, and early goose seasons in full swing, by the time the magazine comes out. Salt Valley wishes everyone a safe and successful season of harvest, and remember to try to introduce someone new into our hunting lifestyle this fall.

SCHRC members have been traveling around Region 13 and are having great success at the recent hunt tests.

Congratulations to Faron Eddy and HRCH Kryo Krithari tis Natty "Rock," as well as Kathi Streeter and HRCH UH U.S. Prime-Cut "Classy" on their new HRCH titles! Also, congratulations to Jane Kerr and HR Diamonds Are Forever Sweet Bond Girl "Carbon" on their Seasoned title. Jane, you are doing a GREAT job with Carbon!

Last, but certainly not least...a very special congratulations and send-off goes out to Alex Gillispie, as he heads off to his first year of college at McPherson College in Kansas. Alex will be playing football as a defensive end for the Bulldogs! GOOD LUCK ALEX & GO BULLDOGS!

Good luck to everyone and we hope to see you at one of the remaining hunt tests this year!

KCHRC members have finally recovered from our spring hunt test, that was held May 18-19, and we have now started holding summer training days.

Our spring hunt test was a big success and such a great weekend! We enjoyed spending time with our HRC Family and watching some very talented retrievers!

We would like to thank our wonderful judges for volunteering their time and setting up some fun and challenging tests, Blackwater Retrievers for the use of their beautiful grounds, our flight sponsors, our local boy scout troop, and last but not least, this test wouldn't have happened if it weren't for the hard work of our members and HRC family that stepped up to help the entire weekend!

A huge thank you to all that came to run their dogs and support our club test!

## REGION 14

Kate Szilard

**Cascade HRC - Pam Ulsh, President,**  
[prescascadehrd@gmail.com](mailto:prescascadehrd@gmail.com).

2024 has been a great year for hunt tests in Region 14. We have finally moved out of the wet and into the sun. Cascade members have been able to run and help out and multiple tests within our region. The tests have been fun and the tailgates relaxing with lots of laughter and stories. Members are looking forward to the remainder of the tests this year before hunting season begins.

Our training days have been well attended and the weather has been dry (and not too hot). We have had the opportunity to meet and work with new handlers and their dogs as well as connect with other members. It has been fun seeing the dogs progress from month to month in their skills and confidence. One of the great things about our club is that everyone pitches in in one way or another. It helps things run smoothly and keeps any one person from needing to do it all.

The club is busy planning our Fall Combined Hunt Test with Whistling Wings for the August 3 and 4. This will be our third year working together, making it possible for there to be tests in April, June and August in our immediate area. A big thank you ahead of time to the judges, handlers, bird techs, marshalls and all of the others who share their time and talents.

Best wishes for good training sessions and opportunities to learn with your dog(s) as well as successful runs at the test(s)

**Lower Columbia HRC - Dave Carey,**  
**President.**

I write this from a blind launching a Seasoned walk-up and diversion bird at the Newaukum hunt test. Watching these young dogs and handlers just coming up from Started, run their dogs for the first or second time. Learning how to run their dog. The excitement of the dog. The anxiety and sometimes frustration with getting the dog to the mark or blind. The obedience at the line. The encouraging moments from the judges; breathe, take your time. All of this is what makes HRC what it is. Love of our dogs and the game we play. Keep the hunt in the hunt test.

**Northeast Washington Gun Dog Club - Submitted by Gina Goodrich. Dave Steinbach,**  
**President, newgdcc.com.**

Greetings from the northeast corner of Washington state! After a soggy and cool start to spring and summer, we are now experiencing record high temperatures in the month of July. But rain or shine, we held and continue to have

training days to give members and their dogs opportunities to improve and set them up for success in upcoming tests.

On June 15, we held our third training day of 2024 at the Burlington Ranch in Chewelah. We have another training day scheduled for July 20, and monthly thereafter through the summer. If you are in the area, feel free to come by and join us! Training days are free for members and there is a small \$10 fee for non-members.

Special thanks to Mark and Allyson Burlington for offering the use of their top-notch training and test grounds in Chewelah. Watch for more information on our Hunt Test which will be held over Labor Day weekend on Saturday and Sunday. We hope to see you there!

Our members and their four-legged partners have been busy! We are so lucky on beautiful Vancouver Island to have such an active retrieving dog community! Many members have been participating in Canadian Kennel Club hunt and working tests, and participating in our club training days. We have also been well represented south of the border by a few of our members who traveled south to Washington, Oregon, and California to attend HRC tests! Congratulations to Sylvia Lawson for finishing Cider's 500 points at the Whistling Wings tests in Monroe, WA! (HRCH UH; GMH NMH Goldngun To The Core Can WCX CD) 500 HRC points! Mary Shillabeer and Ninja also attended the Whistling Wings tests and came home 3 for 3, two Finished and an Upland pass. Rick and Louise Roberts and the GoldnGun crew have also had a busy spring! They had a fantastic weekend at Lower Columbia HRC tests! Boo, Patron, and Selkie were 3 for 3, and Rick stepped in to judge Seasoned both days. Huge congratulations to Rick and Selkie on their 500 Points!!! Wishing everyone a wonderful summer.

Hello from Midway HRC club. We have been enjoying some cooler weather over the last week. Our club is working to get everything in order for our hunt test in September. The 21st and 22nd of September at Habitat Flats Dog Kennels in Marceline, Missouri. Our Premium should be up by the middle of July.

We have several club members enduring the hot humid weather to get their dogs ready for the fall hunt test season. Hope everyone has a good, safe summer of training, and a successful fall hunt test campaign. Hope to see some of you in September at our hunt test.

Thank you from Midway HRC.

**Five Valley Retriever Club - Submitted by Kay Donahue. Ted Hayes, President.**

Hello from Five Valley Retriever Club.

Hunt Tests are in full swing around here and our members have been busy preparing and traveling to tests. Congratulations to all of those who have brought home ribbons and earned titles. When we are able to, we have still been getting together for group training, which is a ton of fun. By the time this comes out, we will have had our annual hunt test up in Butte, Montana at the TSRC property. Big thank you to them for allowing us to use their beautiful property for the second year. We are very appreciative. Look forward to seeing everyone again this year!

Hope everyone is having a good summer.

**South Hills HRC - Submitted by Terri Sanders. Randy Both, President.**

It's been a busy spring for our club members! We held our spring hunt test in April with a really strong turnout. A group of us headed down to Salt Lake City to support Mountain West HRC's inaugural hunt test, and we picked up some ribbons. Then, it was off to Montana to run Treasure State's first SRS test! It was a learning experience for sure! Mike Sanders received a second place finish with Barley, which qualifies her for the Crown at 9 years old, and a fourth place with Pliny. Tyler Stratman received a fifth place finish with Darwin.

Next up, we are planning a quad upland hunt in the fall, which will allow our members to earn some upland titles!

**Treasure State Retriever Club - Submitted by Margo Ellis-Lingohr. Mike Heard, President.**

Well, I guess the biggest news this month is the SRS event we held. What a fun and challenging test is about all I can say. The SRS crew and judges were very helpful for all of our

rookies.

Now, we prepare for our HRC test, but that will be history by the time this gets to print.

I'm sure we will have a ton of pictures to share after that event.

**Mountain West Hunting Retriever Club - Christian Martir, President.**

We at Mountain West HRC have made it through our first hunt test! Starting a new club has proved to not only be a ton of work, but also extremely exciting and rewarding! We founded MWHRC at the end of 2023 with the goal of improving the hunting retriever and introducing the HRC community to Utah. Within a short period of time, our club had plenty of new members ready for their first HRC test. We held our inaugural test on June 1 and 2. We couldn't have wished for a better weekend! Fantastic test grounds, phenomenal judges, awesome helpers from our club, 14A region and Triumph, a youth organization! We had a great turnout of handlers and dogs that made our first test unforgettable! We would like to thank everyone who supported us and our club this year! 2024 was great - 2025 will be even bigger and better!

First I want to say that we lost a very dear

member of our club. Diane Crider was a great friend, club member, one-time club president, and always an advocate for dogs and hunt tests. She was a blessing to many and will be sorely missed by all.

Also, the Western States Boyken Club is remembering the Anniversary of the loss of Chris Benner. We find peace knowing they are watching, advising, and enjoying the hunt from above. RIP.

Region 15 like most of the country has been under a heat advisory, so we are doing what we are getting creative, training early, heading to the mountains, getting tattoos?! We got to do it for the dogs, right?

Copperstate HRC, Roadrunner HRC, and Prado Basin HRC went to Western Colorado HRC for a great Hunt test in the cool mountains. Scott Fowler from the Las Vegas HRC Club got an incredible tattoo commemorating great duck dog and handler work. Western Boyken Club has also been out getting ribbons. Congratulations to all, stay safe, stay cool.

# Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!

This issue contains all 2023 Event Reports processed from May 16, 2024 through July 15, 2024.

## HUNTING RETRIEVER CLUB, INC. **Point Club** RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for

500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRCH title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket

embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/ tcobb@hrc.dog

*Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of July 15, 2024.*

## Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
  2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
  3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
  4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
  5. They are barred from holding office in any UKC approved club or association.
  6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
  7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
  8. They are barred from advertising in any UKC publication or UKC internet site.
- Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

# Registration of Gun Dog Litters Sired by Non-UKC Registered Sires

---

This option allows for litter registration of pups sired by a non-UKC registered sire, provided a copy of the sire's Proof of Registration from an acknowledged registry is included with the Non-UKC Registered Sire Litter Application. As always, the dam of the Non-UKC sired litter must be UKC registered and of the same breed. Please visit us online for a Non-UKC Registered Sire Litter application and details (<https://www.ukcdogs.com/non-ukc-sired-litter-registration>), or contact us directly at the email address noted below.

The fifteen (15) eligible breeds include: Beagle, Boykin Spaniel, Chesapeake Bay Retriever, Curly-Coated Retriever, Flat Coated Retriever, Golden Retriever, Labrador Retriever, Brittany, English Pointer, English Setter, German Shorthaired Pointer, German Wirehaired Pointer, Hungarian Wire-Haired Vizsla, Irish Red & White Setter, and the Vizsla.

## UKC Registration/Point Check Information

### How To Register A Dog With UKC

**Litter Registration** - The preferred and most economical method of registration for breeders. This method of registration must be applied for before the litter turns six months of age, and both the sire and dam must be permanently registered with UKC before the litter can be registered. An Application for Permanent Registration is issued for each puppy in the litter. Form to use: "Litter Registration Application." [www.ukcdogs.com/docs/registration-forms/litter-registration-application.pdf](http://www.ukcdogs.com/docs/registration-forms/litter-registration-application.pdf). Litters may also be registered online at [www.ukcdogs.com/litter-registration](http://www.ukcdogs.com/litter-registration).

**Litter Registration Option for the following breeds when the litter is sired by a non-UKC registered sire:** Beagle, Boykin Spaniel, Chesapeake Bay Retriever, Curly-Coated Retriever, Flat Coated Retriever, Golden Retriever, Labrador Retriever, Brittany, English Pointer, English Setter, German Shorthaired Pointer, German Wirehaired Pointer, Hungarian Wire-Haired Vizsla, Irish Red & White Setter and Vizsla. Online litter applications are not available for this option.

A copy of the sire's Proof of Registration from an acknowledged registry must be included with the application. Submission of a complete 3-generation pedigree for the sire is encouraged, but not required. As always, the dam of the non-UKC sired litter must be UKC registered. This litter registration application can be downloaded from [www.ukcdogs.com/non-ukc-sired-litter-registration](http://www.ukcdogs.com/non-ukc-sired-litter-registration)

**Single Registration** - For dogs over one year of age that were eligible for UKC litter registration but were not litter registered. Also for dogs currently registered with another registry that is acknowledged by UKC. Single registration rules may vary according to breed. Single registration is available online (for most breeds) at, or forms can be downloaded from, [www.ukcdogs.com/single-registration](http://www.ukcdogs.com/single-registration)

**Sole Signatory** - Dogs may be registered to up to four owners, and those owners must determine who will be the person responsible for any changes to a dog's registration status. This process is in no way determined or mediated by UKC. All parties involved will be required to sign a Signatory Designation Form, on which they will consent their agreement of their chosen signatory. The sole signatory policy became mandatory April 15, 2013. A sole signatory is required for all litters and dogs registered to co-owners. Any "and/or" partnerships established prior to April 15, 2013 remain in effect and continue to be enforced. Form to Use: "Sole Signatory Designation Form". [www.ukcdogs.com/docs/registration-forms/sole-signatory-designation-form.pdf](http://www.ukcdogs.com/docs/registration-forms/sole-signatory-designation-form.pdf)

**Performance Listing** - For UKC recognized breeds of unknown ancestry and/or that may or may not have disqualifications as described in the corresponding UKC breed standard, as well as unrecognized breeds (includes mixed breeds). All dogs accepted for Performance Listing (PL) are eligible to compete in UKC Performance Events, but not all breeds are eligible for every event. **To participate in HRC events, PL dogs must meet the requirements to be listed as one of the breeds in the Gun Dog group, and are required to be spayed or neutered.** PL dogs do not carry full registration privileges. No litters may be registered from a PL dog and no pedigrees will be maintained. PL numbers allow UKC to maintain the dog's competition history only. Form to use: "Application for Performance Listing (PL)." [www.ukcdogs.com/docs/registration-forms/performance-listing-application.pdf](http://www.ukcdogs.com/docs/registration-forms/performance-listing-application.pdf)

All forms may be obtained by contacting the Registration Department of the United Kennel Club at 269-343-9020, emailing [registration@ukcdogs.com](mailto:registration@ukcdogs.com) or by visiting the website at [www.ukcdogs.com](http://www.ukcdogs.com).

### How Do I Check My UKC/HRC Hunt Points?

Go to [www.ukcdogs.com/points-check](http://www.ukcdogs.com/points-check) to do an online Points Check; call 269-343-9020; email [huntingops@ukcdogs.com](mailto:huntingops@ukcdogs.com); or write United Kennel Club, c/o Hunting Ops Department, 100 E Kilgore Rd, Kalamazoo MI 49002-5584. UKC will be able to give you the number of points the dog has earned. The dog's UKC registration number, the dog's name, and the owner's name will be needed.

It is important to keep a copy of the pass receipts from all the hunts for your records. Points will not be credited to a dog until the official UKC Hunt Report has been received at UKC

To prevent lost or returned mail, file a Change of Address form with the USPS immediately.

Once submitted, this form becomes the property of UKC and will not be returned.

# A note about photo quality and resolution

## SEE THE DIFFERENCE!

High resolution

Low resolution

Please remember to send unedited images, at the highest size and resolution possible, for ad and cover photo submissions. Images that may look fine on your phone or computer monitor, can appear 'fuzzy' or out of focus when printed at the necessary resolution for publication.

If you are submitting multiple photos, please be sure to name the files and identify them in a manner that indicates which photo is which dog. When emailing photos, be sure to send your photos as jpeg, pdf or tif files as attachments. Do not embed them in the email.

Cover photo submissions may be emailed to: [gsmith@ukcdogs.com](mailto:gsmith@ukcdogs.com)

Advertising photos and material may be emailed to: [huntingretrievermag@ukcdogs.com](mailto:huntingretrievermag@ukcdogs.com)

### ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers. Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

### PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.
