How To Join

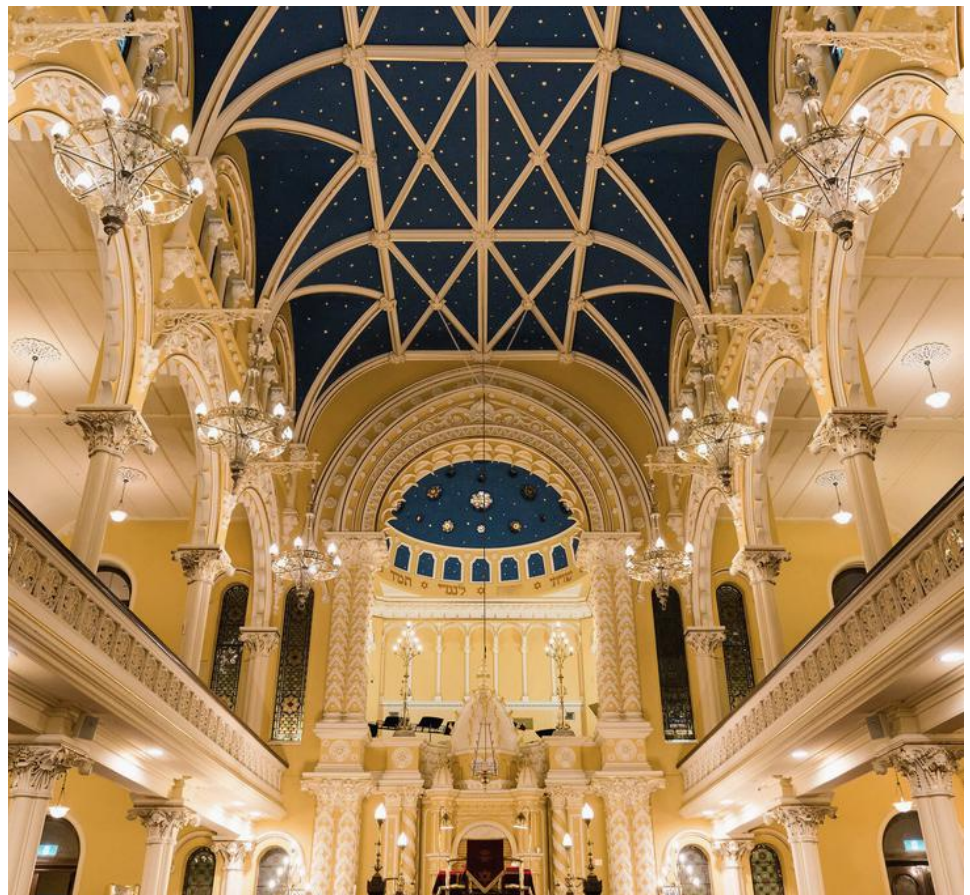

WE C N E S E R U O

The Great Synagogue exists to create a beautiful community for all its members and their families.

The first congregation in Australia, The Great Synagogue Sydney is home to a vibrant and engaged community over eight hundred strong.

It is essential to our mission that we exist for and are open to all Jewish people, and inclusivity is at the heart of what we do.

Our vision is to continue to create and build a strong, inclusive and engaged community that is deeply connected to the traditions and values of Judaism, and that will meet the test of time.

INCLUSIVITY

Everyone should feel welcomed, know that they matter and know they are cared for without judgement.

CULTURE

We embrace our rich culture and embody our values through our actions.

DIVERSITY

We appreciate our diversity and value our differences which bring joy and strength.

TRADITION

We are committed to tradition and our history, we embrace a Judaism that can be lived and enjoyed. We recognise that everyone is at a different stage in their Jewish journey.

COMMUNITY

We are connected as one community, through our services, our values and relationships with each other.

OUR MEMBERSHIP

The Great Synagogue is open to all, and we warmly welcome those who wish to attend our services.

Our historic Synagogue offers a range of membership categories designed to encourage further connection within our community, guarantee seating at our services over peak periods (including High Holidays) and provide additional benefits to members including discounts to attend our high quality events, and pastoral care support.

Membership is available for all halachically Jewish people of all ages and circumstances.

We look forward to having you formally join our Great Synagogue community.
