

Wausau coated

HP INDIGO®

Sheet Products

Printing using a HP Indigo digital press is a cost-effective solution for small to mid-sized production runs. Other benefits include consistent prints, no drying time, and less waste than other printing options. To get the best results, you need the right substrates for your printing job.

As an HP AllianceOne Select Member for Graphics Media, Wausau Coated Products offers a diverse line of pressure-sensitive sheet substrates approved for HP Indigo digital presses. Our inventory of digital press labels includes coated papers, film, and specialty products as well as beautifully textured papers for the wine and gourmet food markets. We work closely with HP Indigo to ensure that our products will consistently perform to your expectations.
