Our Legacy

The Bombay Store enjoys a unique legacy as one of the oldest and most popular lifestyle destinations, with roots tracing back to India's freedom struggle. Incorporated in 1906 during the Swadeshi movement in India, The Bombay Store (formerly Bombay Swadeshi) was founded by the great Indian patriot **Shri Lokmanya Balgangadhar Tilak** to reduce dependency on foreign goods and provide a sustainable platform to Indian artisans.

Over the years, The Bombay Store has had the privilege of thriving under great businessmen like **Sir Jamshedji Ratanji Tata**. Our flagship store at P. M. Road has hosted former **Prime Minister Shri Jawaharlal Nehru**.

The store remains true to its roots and continues to showcase authentic handicraft products from all across India. Our mission now is to give our customers an experience to **"Discover a New India"** through our innovative range of products reflective of a blend of contemporary and traditional Indian culture.

From marble artefacts from Agra, to Pashmina shawls of Kashmir, Dokra art from Orissa, to Kantha work bedsheets of Jaipur; our store is a treasure trove of all things Indian!

Broad categories of products available at The Bombay Store:

Artefacts, Home Décor, Souvenirs, Pashminas and Fashion Accessories

~Our Design Collection~

Raised Gold Peacock

Pretty peacocks in quintessential Gold. This collection is elegant and sure to add a regal touch to your space.

Ajrakh

With origins from thousands of years ago, Ajrakh hails from the desert regions of Kutch, Gujarat. The printing is done by hand with hand carved wooden blocks. It is distinguished by its color - Indigo & Maroon.

Blue Pottery

The Art of Blue Pottery gets its name from the striking cobalt blue dye used to colour the pottery. Blue pottery is famous for its exquisite floral designs. The Bombay Store pays tribute to this traditional art of Jaipur in a contemporary digital range.

King Procession

Portraying the grandeur of a Royal Maharaja Procession, this intricate art is inspired from the miniature paintings of Rajasthan. A scene full of color and vigor makes it a brilliant piece celebrating royal events and religious festivities.

Dwaar

The Bombay Store presents 'DWAAR' the collection of the very Indian doors. These doors are still seen in the houses of Indian villages. Keeping their originality - the artwork has been creatively enhanced to present to you a very vibrant yet a graceful collection - DWAAR!

Sui Dhaaga

Sui Dhaaga is a representation of different embroideries of India, like Kantha, Aari & Sheesha. The design is inspired by ornate patterns and stitches, amalgamated into a beautiful collage.

Fabrication

This collection pays a tribute to the fascinating fabrics of India. From Kanthas to Bandhanis, presenting Indian textiles in their colorful glory.

Kalamkari

Kalamkari is an ancient style of hand painting. The term Kalamkari comes from the words 'kalam' meaning pen and 'kari' meaning craftsmanship. This traditional art largely uses motifs like interlacing patterns of leaves, flowers and creepers, birds like parrots and peacocks, and other intricate leaf designs!

Doodle

A perfect blend of contemporary meets indigenous, as beauty and the universe come together denoted by Paisleys and Mandalas in the Doodle Art collection.

Signature

Presenting the Signature Collection of The Bombay Store. The striking pattern in each elephant is intricately designed by hand with each color carefully picked to compliment the aura and stature of the royal tusker. Vivacious colors and funky elephant prints converge to beget The Trunk Story.
