# ANTHONY WAYNE FAMILY WEEK

June 28 - July 4

Anthony Wayne Family Week is an annual event designed to give families a break from the hustle and bustle of school-related activities so they can enjoy quality time together.

---

## Find the General is Back!

The search is on for the third year! You're encouraged to look for 3-D printed General mascot keychains hidden in parks, on pathways, and near local businesses within the district.

It's a screen-free way for families to explore our community and have some local fun together.

Special thanks to AWHS Art Teacher Bryan DeKay, community volunteer Terri Massucci, and activity sponsors Pour Soul Art and Waterville Sweets for making this event possible.

If you find one, [send us an email](#) with your name, the location, and a photo.

---
