Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

As we reach the culmination of another regular season and celebrate the accomplishments of the student-athletes, coaches, and sports officials during the past several months, it is a great time to reflect upon the past season, revel in the excitement of postseason play and look forward to interscholastic athletics and activities in the future.

If you are reading this program, you are a part of the game. It might be because you are participating in it in some way, as part of a team, the officiating crew, or the event staff. It might be because someone you love is participating as an athlete, coach, or contest official this week. It might be because you want to support your community or your alma mater. It might simply be because you love high school sports and want to witness the thrill and purity of high school athletics. Regardless of your role, you are important in this landscape and are representing someone and something bigger than yourself.

We all hear a great deal about unsportsmanlike behavior during athletic events. By definition, “unsportsmanlike” is a term that is reserved for participants in a contest. However, we tend to group in boorish behavior of spectators as unsportsmanlike. In truth, what we see and hear in the stands can simply be termed as “bad behavior” – disrespectful, degrading, offensive, threatening, aggressive or otherwise negative. This behavior can be directed at opponents, coaches, and contest officials. When you are the one participating in this behavior, it does not just reflect poorly on you – it reflects on the very community you are representing and supporting. This behavior, that is posted, reposted, and shared on social media has all too often become the norm and it is up to every one of us to turn the tide.

In his book, *A Lifetime of Observations and Reflections On and Off the Court*, legendary basketball coach John Wooden wrote: “Some say I believe in old-fashioned traits: courtesy, politeness, and consideration. I do believe in these qualities, but they are not old-fashioned. They never go out of style – even when they seem to be increasingly scarce. I believe they are still common. We just see their opposites so much that we think that’s all there is. People like to help, to be polite, to be considerate. I believe it’s human nature. And it’s a funny thing: when you start displaying courtesy, politeness, and consideration, people start displaying then right back.”

The world of education-based athletics and athletics is an amazing laboratory for lifelong learning. It is not just in the academic classroom where we learn lessons and those lessons are not just reserved for student-athletes. This educational content extends to the stands of a game or event, wherein we all become teachers and simultaneously students. As fans of our classmates, family members, neighbors, schools, or communities, we should strive to get back to the old-fashioned traits Coach Wooden held in such high esteem.

While we too frequently see the opposite of these ideals on social media, it does not give anyone the proverbial green light to act in the same way. We need to positively represent the students, schools, and communities we support, and we need to positively represent ourselves. While we can learn a lot from the behavior of the people around us, we can also be the one who is the model of positivity for everyone else around us.

We are all in this together. Let’s enjoy the competition, positively cheer for our teams, and give the game the respect it deserves.

2022 State Championship Recap

The Albuquerque Academy Girls Take Their Sixth Consecutive State Title

For the sixth year in a row, the Albuquerque Academy girls lifted the State Championship trophy and banner in their home pool. The Chargers finished first at the 2022 U.S. Bank State Swimming and Diving Championships with a total of 308.5 points. Eldorado was second with 246 and Los Alamos third with 238. Santa Fe Prep was the small-school state champion.

Academy won the first event of the day, the 200yd medley relay in a time of 1:48.21. Academy's Coralie Norenberg contributed to her team total with a win in the 100yd freestyle event (53.06), Academy's only individual win of the meet.

Los Alamos finished with a pair of double individual medalists, both with the same last name. Kelly Wetteland won the 200yd individual medley (2:03.99) and the Navy recruit also won the 100yd breaststroke event in a time of 1:02.42, just off the state record of 1:02.01. Her sister, Anna, picked up wins in the 50yd freestyle (23.74) and the 100yd butterfly (57.62). The Wetteland sisters were also both on the Los Alamos 400yd freestyle relay team, which won in a time of 3:37.48.

Reese Hinnerichs of Hope Christian walked away with a pair of individual wins. She finished first in the 200yd freestyle race (1:52.18) and the 500yd freestyle event (5:09.73). Hinnerichs also swam the anchor leg of Hope's winning team in the 200yd freestyle relay (1:41.74).

It was the first state championship for Albuquerque Academy head coach John Butcher, who replaced Hall of Fame coach Dave Barney.
