REGD Scottish Charity: SC040107

January 2026

Well, another successful dook took place on 1st January 2026, with some 274 brave souls taking to the water. We have had a wash up meeting after the event and there are a number of things that we could do better and will look to action these points for the 2027 event.

We are now looking forward to doing some training during the winter season and also moving ahead with our preparations for our transition from SASA to BLDSA at the end of Mar 2026.

I look forward to seeing, and working alongside, many of you over the winter months as we move the club forward to a new chapter.

We await the outcome of the Dundee council budget review, which could potentially see the school pools closed at the end of March 2026 as a cost saving measure. If this happens, we will lose our use of St John's High School on a Friday evening, and that would have a huge impact on both our learn to swim and members pool sessions. We

hope the common sense prevails but we will have to move forward with whatever decision is made.

Drop an email to our communications convener, John Walker, via communication@yeaaba.org if you are interested in finding out more about any of our activities.

Or if you want to contact me directly then I'm on johndaviee1969@gmail.com.

BOOKING A TRAINING SESSION IN 2026

Training sessions next year will be via our booking portal (and not through Spond). You only need to book if you are planning to attend a training session, either as a swimmer or a volunteer. (You don't need to do anything if you are unable to attend.)

There is no cost to book onto a session, it merely records who is coming along so the sessions can be assessed for viability in numbers of swimmers and volunteers who are able to attend.

You will be able to book onto a session up to 4 weeks in advance of the session, and booking will close 2 days prior to session to allow time to contact people if there are insufficient volunteers (or swimmers) to make the session happen.

The link for harbour training is

<https://bookwhen.com/yeaabatrainingschedule>

A more detailed guide to booking a training session will be issued in January 2026.

BOOKING A CHAMPIONSHIP SWIM IN 2026

All our championship swims next year will be via our booking portal.

All swims are currently Visible on the site, but bookings will not open until 01 March 26.

The site is automated and swim entries will close automatically on the Date / Time shown on the entry.

Payment is built into the system so that after swim entry information is entered, you will be taken to the payment section to complete the booking.

Booking is not complete until payment is processed. You will receive confirmation of your booking from the system once it is completed.

The details of the swims for booking can be found here:

www.bookwhen.com/yeaaba1884

We look forward to seeing you at our 2026 events.

Treasurers Update

At this time, we have around £17.5K in the bank.

On the left you will see a breakdown of the club's income and expenditure to date for FY 25/26, as at 17 Jan 2026, A bit healthier post the Dook.

BLDSA**TRANSITION UPDATE**

As we progree towards our affiliation to BLDSA, we are about to submit our proposed updated constitution to OSCR for approval, to become effective on 1st April 2026.

We are also getting a second signatory added to the Volunteer Scotland Disclosure Services system in order to begin processing PVG's during February and March as those held by Scottish Swimming on our behalf will lapse on 31st March.

We are still on target to have all our processes in place for 1st April 2026.

YeAABA 50/50 Club

The 50/50 club is open to club members, friends and family, and allows them to participate in a quarterly prize draw (drawn at end Jun, Sep, Dec and Mar each Financial Year). Members can pick any available, free number (between 1 and 100 - see table below for which numbers are currently available) and entry costs £4 / month payable by Standing Order.

Members may have more than one number selected.

50% of the quarterly income received goes to club funds, and the other 50% forms the prize pot for the draw.

There are 3 Prizes each quarter:

1st Prize (46.0% of prize pot)

2nd Prize (31.0% of prize pot)

3rd Prize (23.0% of prize pot)

* Members may select more than 1 number.

* We would prefer payment by Standing Order (SO) directly from your bank. Being a monthly payment, you can then fix the date to best suit your finances. A Standing Order form can be obtained from the treasurer or you can use the one included in this newsletter. (We would ask that monies are paid no later than 23rd of the month so that all monies are in, in time for the quarterly draw.)

* You can join the 50/50 club in Apr, Jul, Oct or Jan (which is the start of a new quarters draw).

* Contributions towards the 50/50 cannot be recorded as Gift Aid notifications to YeAABA.

* Quarterly draws will take place at the end of Jun, Sep, Dec and Mar each year.

How many numbers are available?

The draw itself has the Numbers 1 thru 100 available and the table below shows the current status. If all numbers were taken, then the club would raise £2,400 per annum from this draw.
