ENTRY LEVEL PEELS

POMEGRANATE ENZYME

\$145

The ideal entry-level peel for sensitive skin, this gentle enzyme peel renews and boosts hydration. It features pomegranate enzymes that lift dead cells, while Multifruit BSC, lactic acid, and jojoba esters hydrate, moisturize, repair, and reduce inflammation.

PUMPKIN ENZYME

\$145

The Pumpkin Enzyme & Fruit Acid Peel is a gentle, effective enzyme peel suitable for all skin types, particularly for sun damage and age correction. Comprising 30% pumpkin enzymes, pumpkin extract, and natural fruit acids, it also includes healing Jojoba esters. This peel removes dead skin cells, promotes cellular renewal, enhances hydration, and restores the skin's barrier function.

OXYGENATING ENZYME

\$147

This treatment revitalizes tired skin with natural fruit acids, papaya, pumpkin, and pomegranate enzymes, alongside oxygenating and moisturizing peptides. It promotes skin cell renewal and hydration, delivering noticeable results in just one application.

ADVANCED LEVEL PEELS

CATALYST RETINOL

\$147

The perfect Vitamin A anti-aging peel, perfect for all skin types looking for skin health, repair and correction. Concentrated levels of pure Retinol and encapsulated Retinol, Niacinamide and Natural Fruit Acids work together to counteract skin aging, improve the appearance of UV damage, normalise keratinisation to improve the skin's cellular renewal process, refine and resurface the skin, even out skin tone and provide potent anti-inflammatory activity in even the most weakened skins.

BIO-WHITE PEPTIDE

\$165

This high-strength vitamin C and peptide peel targets pigmented, uneven skin tone, and dull skin. It features a unique biomimetic peptide in liposome for optimal whitening and lightening effects. With concentrated Vitamin C, Resveratrol, Niacinamide, and natural fruit acids, it stimulates cellular turnover while protecting collagen and elastin. The treatment is anti-aging, hydrating, brightening, nourishing, and anti-inflammatory.

ALPH BETA

\$165

The serious resurfacing peel is designed for intense skin correction and transformation. It contains high levels of Lactic Acid, AHA's, Salicylic Acid, and Niacinamide, promoting biomimetic desquamation that rejuvenates skin, reduces fine lines and uneven pigmentation, and enhances smoothness, clarity, and radiance. Ideal for oily, problematic skin needing extreme exfoliation, it's not recommended before special occasions.
