WELCOME TO RYBON

Rybon is a Mumbai-based B2B manufacturer and exporter specializing in men's top wear and hand-painted sarees.

ABOUT US

Rybon is a Mumbai-based B2B manufacturer and exporter specialising in men's top wear, hand-painted sarees, resin products, and cotton macrame decor. We work with global buyers, wholesalers, boutiques, retailers, and private label brands to manufacture handcrafted products with reliable production, consistent quality, and export-ready execution.

Our product range includes men's shirts, t-shirts, artistic hand-painted sarees, resin art creations, and handcrafted macramé products developed using quality materials, skilled craftsmanship, and modern production processes. By combining traditional handmade techniques with contemporary market requirements, we create products that are distinctive, commercially practical, and suitable for domestic as well as international markets.

With a strong focus on customization, private labelling, and dependable service, Rybon aims to be a trusted manufacturing and export partner for businesses looking for handcrafted products made in India.
