# eternal BLOOM

Regis Altare, the celestial dragon of boundless power, drifts through his glowing garden, his every step a symphony of starlight and serenity. The radiant blooms sway in quiet adoration, as if the universe itself holds its breath, enchanted by his timeless grace.

Happy Birthday leader! Thank you for all your hard work this year as well, I admire everything thing that you do and appreciate all of your creative works. Wishing you happiness always!

HARURO (@NATTRI6)

Happy 21 years old season 4 ! I hope this 4th season treats you well and is full of smiles and happiness, just like how you treated us slimes with good times and happy memories! Wishing the best for you!

**L**N a quiet glen where the air shimmered with magic, there lived a young tamer named Altare, whose voice was

as soft as the rustling leaves and whose touch was as warm as dragonfire. The smallest of dragons, their scales glinting like precious gems, flocked to him with a trust rarely given, curling around his arms and dozing in his lap. To the villagers, he was a figure of wonder, moving effortlessly among creatures many deemed untamable, his laughter carrying like a melody through the trees.

The dragons spoke to him in their own way—chirps, hums, and the occasional fiery sneeze—and in turn, Altare shared stories of the world beyond the glen, as though weaving a bridge between their worlds. So great was their fondness that even the dragon eggs, cradled in nests of glowing embers, remained

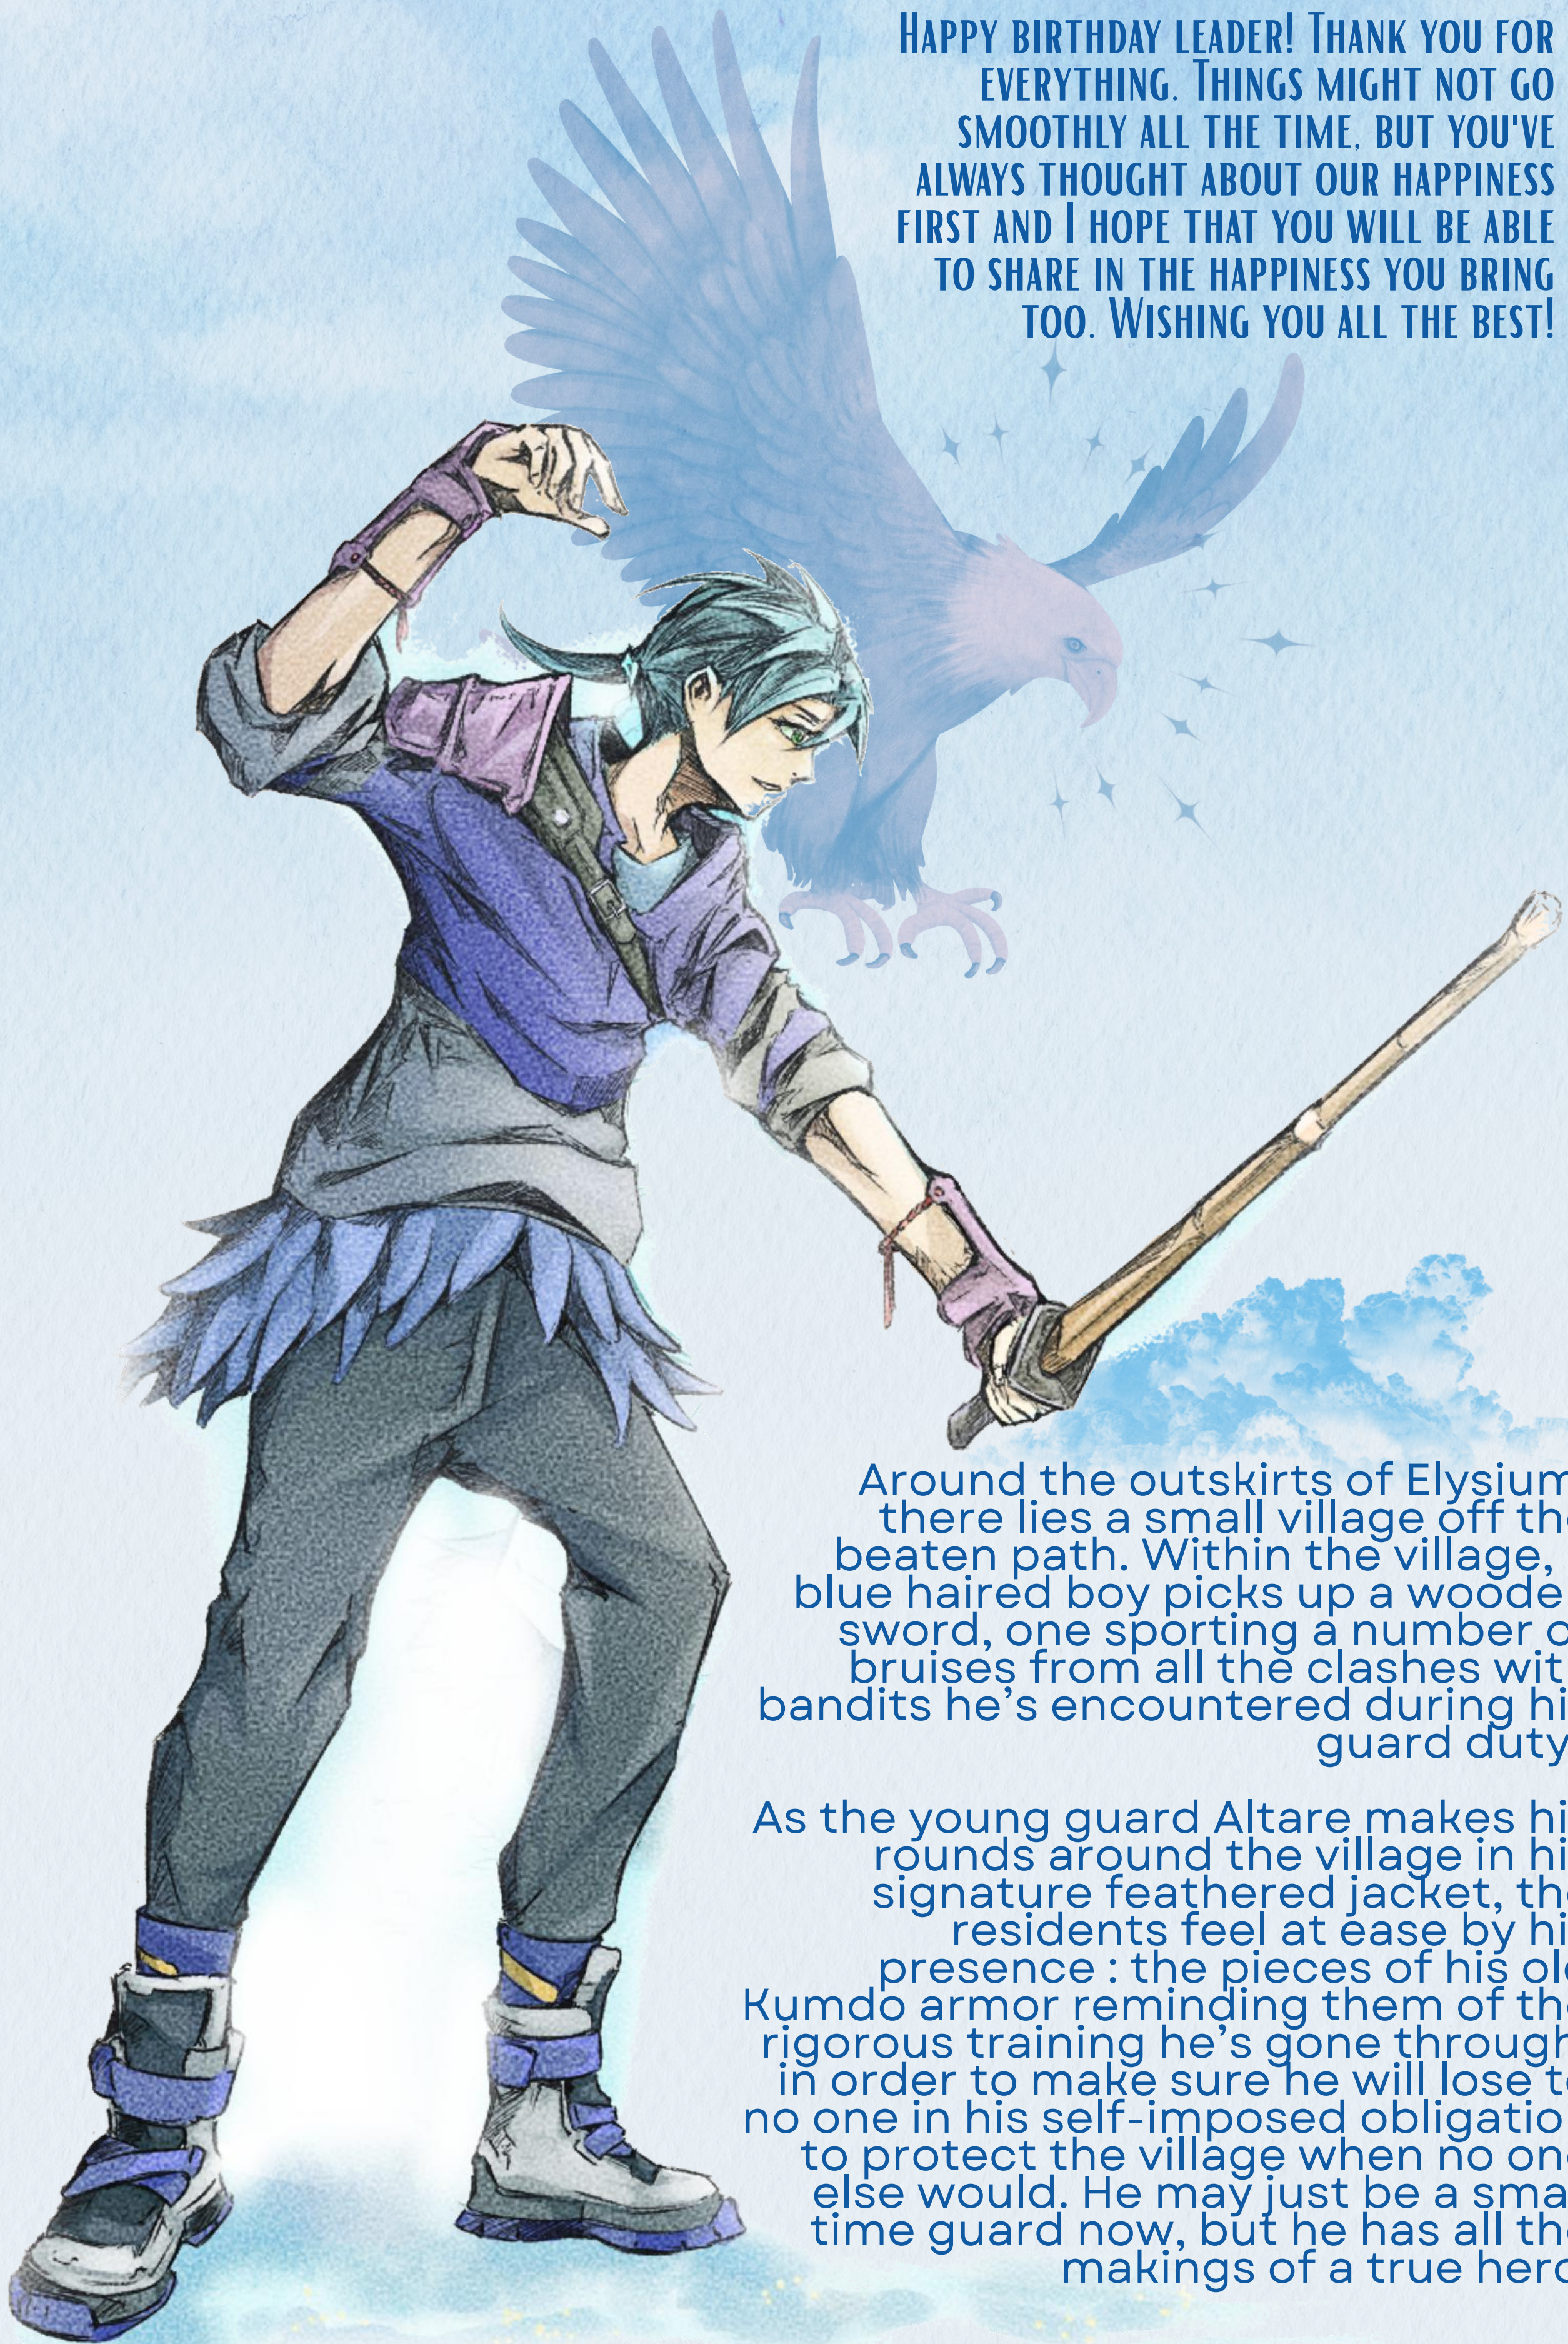

undisturbed in his gentle care. It was said that when a dragonling hatched under his watch, their first sight of Altare's kind eyes bound them to him forever, their flames dancing brighter for it.

**“Every ember holds the promise  
of a Great flame.”**

Altare often whispered, his words a lullaby to dragons and eggs alike. And so, in the heart of the glen, beneath a canopy of starlight and wonder, the tamer and his dragons thrived—a bond as ancient and enduring as the magic of the earth itself.

# AQUILA

HAPPY BIRTHDAY LEADER! THANK YOU FOR EVERYTHING. THINGS MIGHT NOT GO SMOOTHLY ALL THE TIME, BUT YOU'VE ALWAYS THOUGHT ABOUT OUR HAPPINESS FIRST AND I HOPE THAT YOU WILL BE ABLE TO SHARE IN THE HAPPINESS YOU BRING TOO. WISHING YOU ALL THE BEST!

CHILLYFALCON (@CHILLYFALCON)

Around the outskirts of Elysium, there lies a small village off the beaten path. Within the village, a blue haired boy picks up a wooden sword, one sporting a number of bruises from all the clashes with bandits he's encountered during his guard duty.

As the young guard Altare makes his rounds around the village in his signature feathered jacket, the residents feel at ease by his presence : the pieces of his old Kumdo armor reminding them of the rigorous training he's gone through, in order to make sure he will lose to no one in his self-imposed obligation to protect the village when no one else would. He may just be a small time guard now, but he has all the makings of a true hero.

“ Do you think, my spirit, that the moonlight knows secrets before we do? Perhaps it is the stars that guide, revealing the truths we are yet to understand.”

OF THE COSMOS

Happy Birthday and wishing you happiness as you deserve everyday, leader of Tempus guild. Thank you for your hard work and blissful adventure!

“the sea carries

Dreams of  
the stars above

Secrets of  
the depths below—  
how do you not fall in love?”

With a bright smile and a sparkle in his eye, Altare shares the secrets of the deep blue, enchanting children and adults alike with stories of shimmering coral reefs and playful sea creatures. His words, like the tide, flow with a quiet urgency, teaching the importance of protecting the ocean’s delicate balance. “The ocean is a treasure chest,” he says softly, “and every creature inside is a gem worth saving.”

Happy Birthday!  
Thank you for the adventure!  
CABBAGE (@CABBAGE\_FORYOU)

Altare, the gentle guide of the town's planetarium, weaves tales of the cosmos with a voice as soothing as starlight. Beneath the soft glow of the dome, his passion brings constellations to life, with Aquila the eagle, holding a special place in his heart, reflected in the design of his outfit. For those who listen, his words turn the night sky into a canvas of wonder, connecting hearts to the stars above.

1oz SILVERLEAF ESSENCE

1oz CRYSTALBERRY SYRUP

2oz MOONFLOWER NECTAR

## HISTORY

The Starlight Elixir is a legendary drink whispered about in Elysium's taverns, believed to have originated from ancient alchemists who served the celestial guilds. Crafted under the light of the twin moons, it was once a ritual beverage shared before grand quests, meant to strengthen bonds and imbue clarity of purpose.

Using rare moonflower nectar and frost enchanted by starlight, the elixir is said to carry a fragment of the cosmos itself, leaving a misty shimmer in the air as if echoing the stars above. Now, it's a signature creation of the Guild Tempus hall, where Altare occasionally brews it as a gift to his comrades, embodying their shared dreams and adventures.

Happiest Birthday Leader!! So glad to be sailing the same boat with you and the rest of the cultare again this year! Always proud of all that you have achieved, and looking forward to seeing you overcome everything like you have always done before.

**A** AS A LARGE VESSEL COASTS THROUGH THE OCEANIC WATERS, THE ADVENTUROUS SAILOR, REGIS ALTARE, FINDS HIMSELF STANDING AT THE BOW OF HIS SHIP SEEING THE GRAND OCEAN STRETCH FAR BEYOND THE HORIZON. HE CLOSES HIS EYES TO FEEL THE OCEAN WIND BLOWING THROUGH HIS SAILOR UNIFORM. GRASPING AT HIS CERULEAN SAILOR COLLAR, ALTARE FEELS HIS HEART RACE WITH THE THRILL OF FINALLY STARTING HIS VOYAGE AND ADVENTURING INTO THE UNKNOWN.

TAKING A DEEP BREATH, ALTARE'S EMERALD EYES OPEN AS THEY ARE BURNING WITH DETERMINATION AND EXCITEMENT, HE ROLLS UP HIS PALE BLUE SLEEVES AND ADJUSTS HIS BERET WITH A NAVY BLUE RIBBON TIED AROUND IT, READY TO LEAD HIS CREW ON THIS VOYAGE.

**ABOARD!**

**A**LTARE TURNS AROUND SEEING HIS LITTLE, YET VERY CAPABLE CULTARE SLIME CREW WEARING MATCHING CERULEAN BLUE BERETS LOOKING JUST AS EXCITED AS THEIR SHIP'S CAPTAIN. ALTARE SMILES KNOWING WELL HE IS NOT ALONE ON THIS VOYAGE. AT ALTARE'S COMMAND, THE SLIMES GET TO THEIR STATIONS TO MAINTAIN THE SHIP. WALKING ACROSS THE SHIP WITH HIS BOOTS CREAKING ALONG THE WOODEN BOARDS, ALTARE MAKES WAY TO THE SHIP'S HELM TO STEER HIM AND HIS CREW IN WHATEVER DIRECTION THE WIND IS BLOWING.

THIS VOYAGE WILL BE FILLED WITH ENDLESS POSSIBILITIES! BE IT ALTARE AND HIS CREW FINDING UNDISCOVERED ISLANDS CHOCK FULL OF HIDDEN TREASURE OR HAVING ENCOUNTERS WITH DANGEROUS SEA MONSTERS, THERE WILL DEFINITELY BE FUN STORIES TO BRING BACK TO THE MAINLAND!

Happy Birthday to our leader Regis Altare! I always appreciate all the effort you put to make us smile after all this time, that is why I will do the best that I can to make sure you keep smiling yourself! I wish all the good things to happen to you in the good future, you truly do deserve it all! To our shining star, I genuinely thank you from the bottom of my heart.

The Garden of

# Starlit Melodies

Under the glittering stars, Altare stands as a maestro of the cosmos, his wand tracing melodies through the night sky. With each graceful movement, the stars themselves follow his lead, swirling in a dance only he can orchestrate. The universe holds its breath as his music weaves through the heavens, a spellbinding symphony of love and light.

To our precious leader, Happy Birthday!! Wishing that you'll continue to shine bright like a shooting star and be the guiding light that warm everyone's heart. Thank you for everything and thank you so much for being such a huge motivation!

**GIMN (@GIMNHA)**

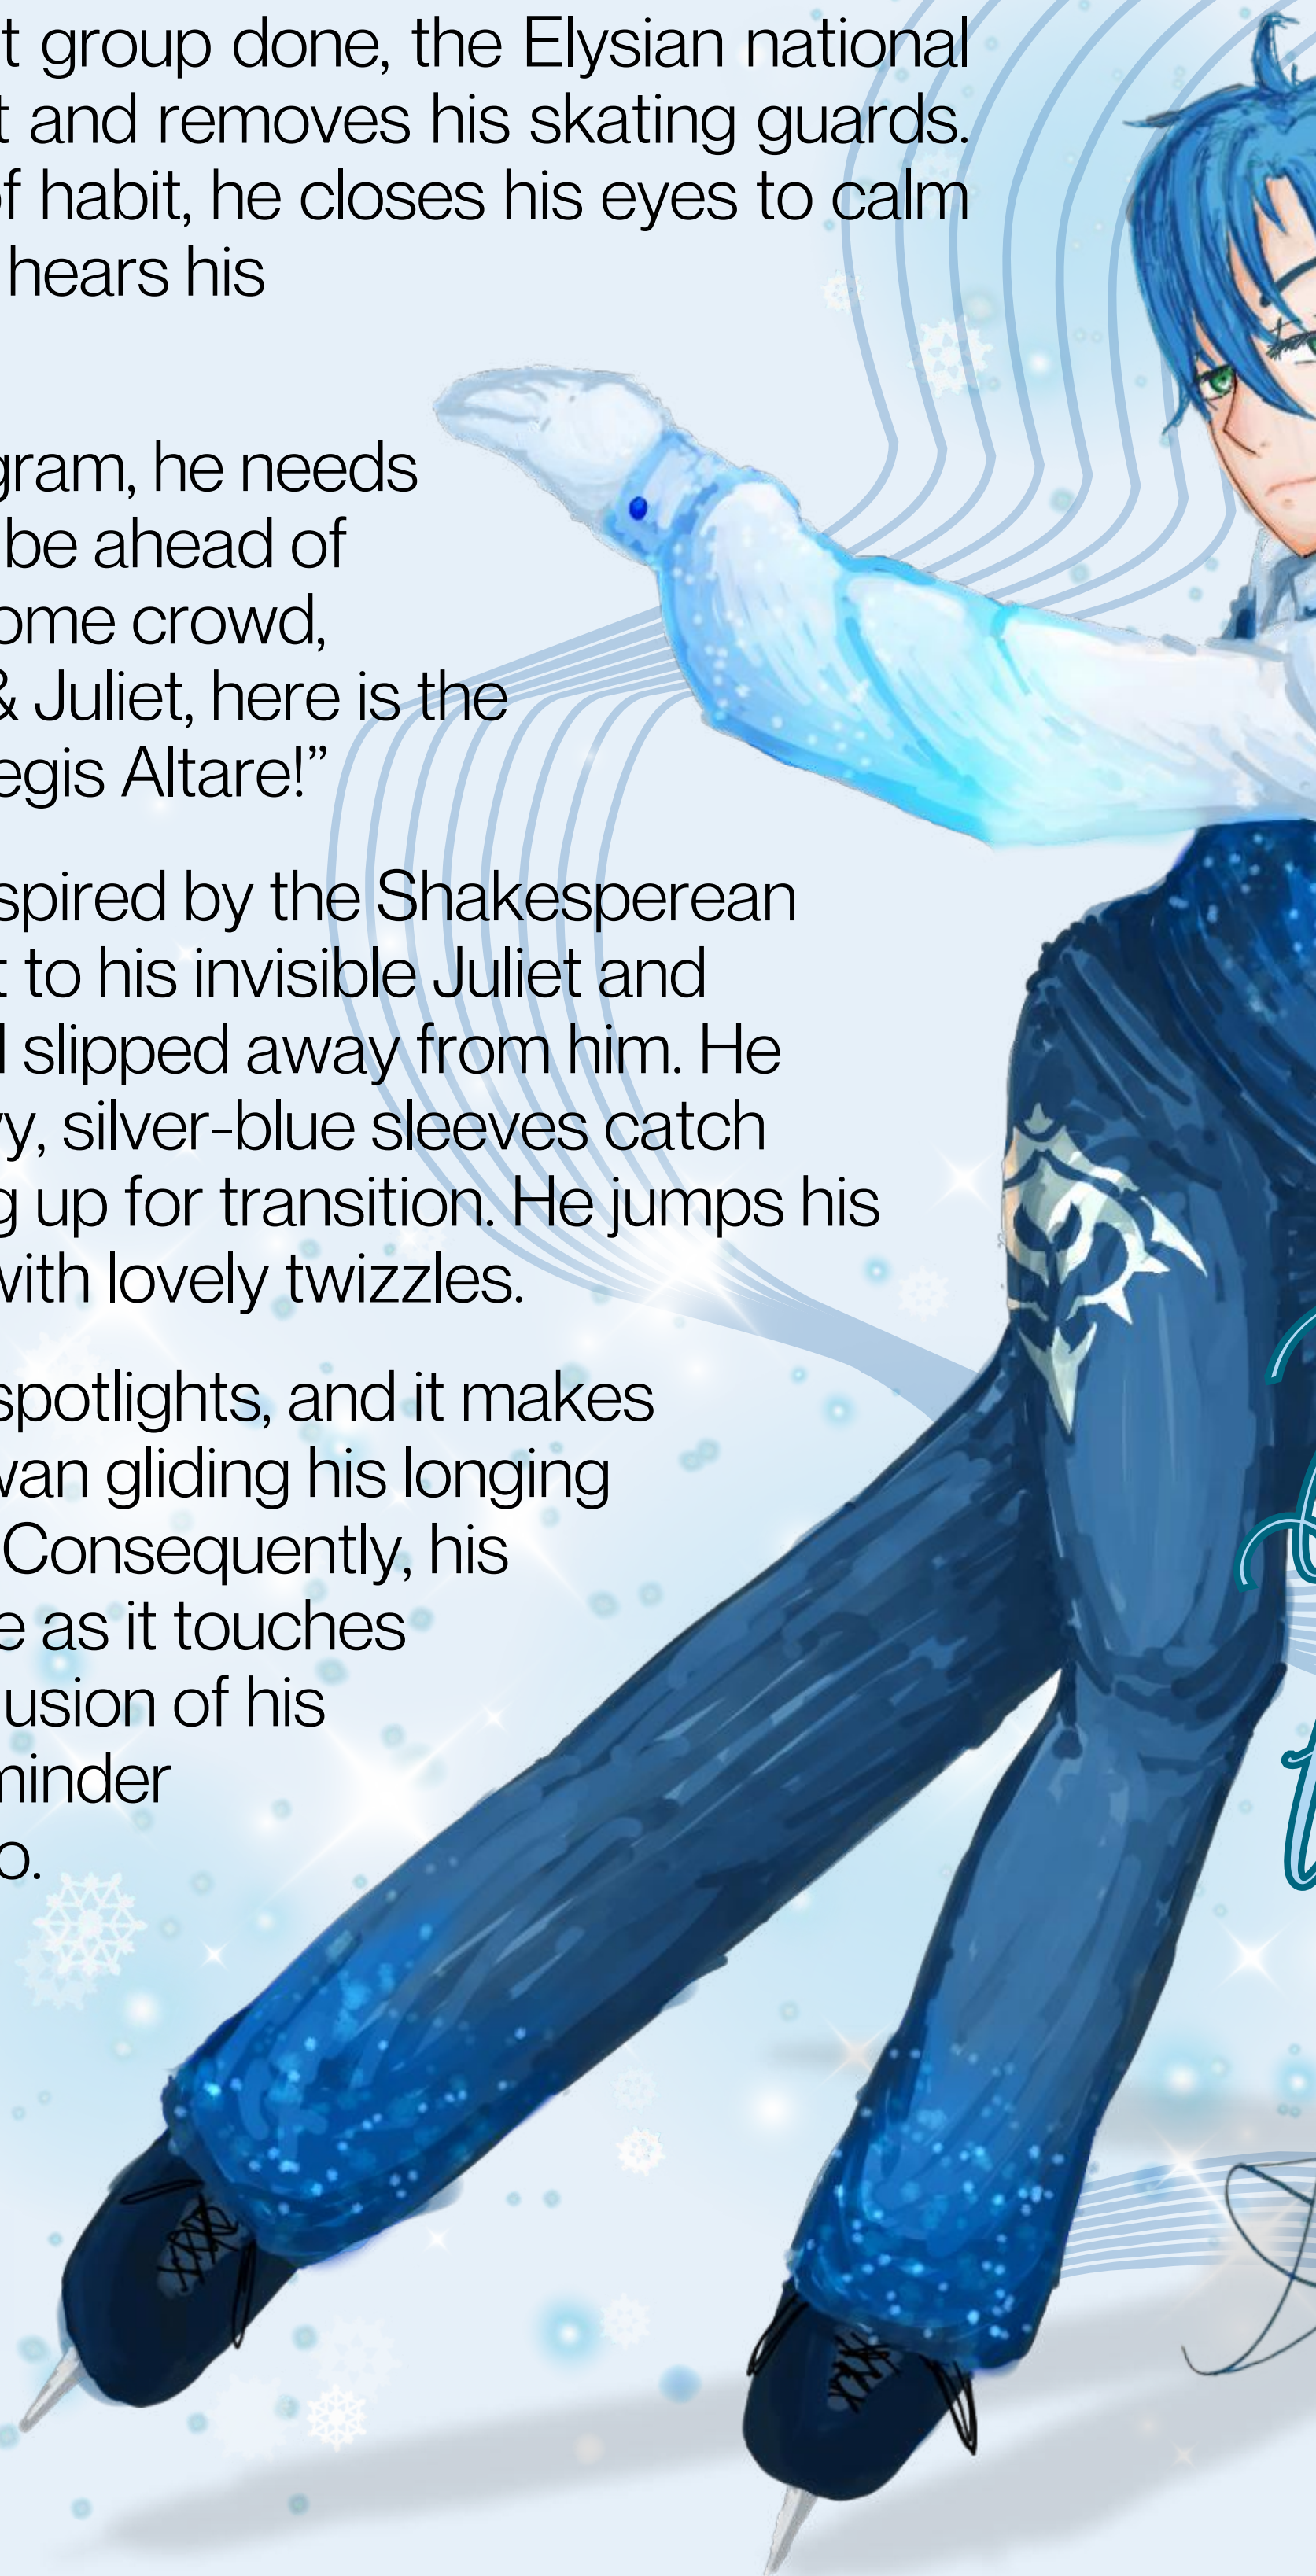

With the third skater of the last group done, the Elysian national champion shrugs off his jacket and removes his skating guards. Smoothing down his hair out of habit, he closes his eyes to calm the storm in his mind. Soon, he hears his cue to enter the ice:

“2nd place after the short program, he needs 170.45 for this free program to be ahead of Kishido Temma. In front of his home crowd, skating to Prokofiev’s Romeo & Juliet, here is the 2023 Worlds silver medalist, Regis Altare!”

Clad in an all-blue ensemble inspired by the Shakespearean protagonist, Altare reaches out to his invisible Juliet and holds his head as if his beloved slipped away from him. He does a cross-over as his billowy, silver-blue sleeves catch the wind then he pushes his leg up for transition. He jumps his first quad on beat and ends it with lovely twizzles.

His glittering vest catches the spotlights, and it makes the skater look like an azure swan gliding his longing and misery through the castle. Consequently, his theme has been trending online as it touches on athlete’s musicality. The inclusion of his emblem on his right leg is a reminder that this is his version of Romeo.

All the anxiety fades away as he finishes his spin with a Biellman and he starts the second part of the program. In this moment, Altare is his own hero.
