## ABOUT US

**"Parijatham FoodWorks"** The catering experts built on a desire to extend the most welcoming, inspiring, and customized catering experience offering services in Chennai. As a catering service provider and kitchen consultant, we have years of experience and make the best arrangement to facilitate our clients and their guests which is all about delighting your taste buds with our premium quality food. Parijatham Foodworks has been the ultimate backend supporter for most of the caterers, food vendors, and other food catering industries with the motive of serving good quality hygienic food at an affordable budget. Our focus is mainly on premium quality, hygiene and fulfilling service.

**We specialize in all major cuisines**

**SOUTH INDIAN**

**NORTH INDIAN**

**CONTINENTAL**

**INDO-CHINESE**

## Key - Promises

- **Ensure excellent customer service**
- **Customized menus to meet industry-specific customer requirements**
- **Maintaining high-quality standards in our kitchen ranges**
- **Facilitating in-house kitchens at customer sites**
- **Maintain high hygiene and quality standards**
- **Customizable food solution programs.**

For our vegetarian guests and clients, we assure that there are separate kitchen areas and utensils for cooking in each kitchen branch location.

## Our vision

In collaboration with **"Parijatham Organics"**, our organic food division, we believe that food enriches people's lives and health physically, mentally, and spiritually. This starts with a focus on nutrition and wellness that ultimately impacts health, happiness, and productivity so we always keep in mind that We provide health-conscious and safe food with delicious and authentic flavors. Our chef's special signature recipes along with on-time delivery performance and customer satisfaction are provided by our experienced chefs and enthusiastic team.

## Corporate Catering

Office Catering

Conferences

Client Meeting

We specialize in corporate catering, both on a regular and occasional basis, such as company parties, team outings, corporate annual celebrations, and all kinds of special corporate occasions where food and beverages are a part of it, for all industries such as corporate offices, hospital, manufacturing, IT and educational institutions in South India.

We undertake Business events with our menus including appropriate and occasion-related food and beverages.

Corporate Events

Annual Celebrations

Board Meetings

Award Nights Town Hall

Exhibitions & Galas

Product Launches

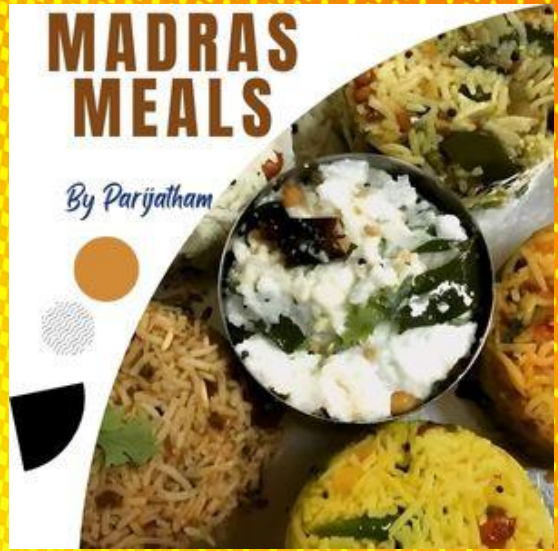

Business Parties

We undertake regular catering assignments for businesses on an as-needed basis. We also deliver food to businesses on a daily basis and ensure that the menu is changed daily to ensure that there is no fatigue and boredom from repetitive menus. We know that food is an important factor in attracting and retaining talent. At the same time, we cater to the different interests of your employees, who come from different states, while keeping nutritional needs in mind.

**We take bulk orders from corporates & companies for sweets and savory foods for festivals and special occasions and we host small office and tea party event with minimum head count of 15 person through our "Fast bites" team from the house of parijatham.**
