

Slurry Pump Skid Package

AdvanTec Global Innovations exists to enable our individual companies in the global marketplace. AdvanTec's measurable process, utilized within each of our companies, is a proven differentiator. It's our promise. We Deliver. That's who we are.

We're more than a family of companies. We are a collaboration of employees, ever evolving and infused with global resources. Our engineers have over 400 years collective experience and our expert craftsmen have an average loyalty of more than nine years at our manufacturing facilities.

Waterworks pipe Spool

Large Fabrication Bay (420ft x 85ft x 45ft)

## EXTENSIVE CAPABILITIES

- ISO 9001 registered
- Over 100,000 Sf Under Crane
- 9 Acres Of Yard Space
- 35 Ton And 115 Ton Mobile Lift
- 10,000 ft2 Blast And Paint Booth
- Coating And Lining Of Pipe And Valves For Above And Below Ground Applications

All phases of production and manufacturing are done in one location ensuring the quality and delivery milestones for each project are met. Working in this controlled environment eliminates weather delays as well as offering real time production inspections to our clients. If required, changes can be made quickly, without the usual delays.

## MARKETS SERVED

- Oil & Gas
- Municipal Waterworks
- Mining (Tunnel Ribs)
- Marine
- Utilities
- Forestry
- Pulp and Paper
- Power Generation
- Original Equipment Manufacturers
- Contract Manufacturing

# ASME, CWB AND AWS CUSTOM WELDING PROJECTS

- ASME Tanks And Vessels
- ASME Heater Coils
- CS And SS And Alloy Pressure Welding
- Mechanical Skid Packages
- CWB Structural Welding
- API Tanks

## WHO WE ARE

### OUR CERTIFICATIONS

- ISO 9001
- ASME "U"
- ASME "S"
- ASME "R"
- CSA B51: Boiler, Pressure Vessel and Pressure Piping
- ASME B31.1
- ASME B31.3/4
- CWB / CSA W47.1 Div. 2

**CANADA'S SINGLE  
SOURCE INTEGRATED  
SOLUTIONS PROVIDER**

90,000 ft<sup>2</sup> Facility & 9 Acre Yard

6in Triple Coil (8ft Dim, 35ft Long, 30T)

## INDUSTRIAL & MARINE APPLICATIONS

- Heat Exchangers
- Piping/pipe Joints
- Exhaust Systems
- Generator Packages
- ASME Tanks/Pressure Vessels
- ASME Welding

We are LNG storage, transfer and generation integration specialists. Call us to learn more.

With over 600 employees across 5 locations in Canada and the U.S. AdvanTec Global Innovations offers unparalleled synergy and savings to your projects. For projects small or large, when collaboration and integration between different systems is needed AdvanTec has the experience and expertise to deliver value that others simply cannot match.

Proudly part of the AdvanTec family of brands
