WELCOME TO **FIJI**

WHERE HAPPINESS COMES NATURALLY

Looking for bliss? You've come to the right place. In Fiji, happiness comes naturally. It's in the culture, the family, the warm Bula spirit, the fresh diet, and stunning natural surroundings. Which kind of Fijians happiness experts when it comes to creating unforgettable holiday experiences for guests.

HAPPINESS IS... A FIJIAN THING

Happiness comes naturally in Fiji – but not for the reasons you'd expect. Here simplicity, connection, and contentment trump bank balances, power, and fame. On the islands of Fiji, happiness is:

BEING OUTSIDE. With year-round warmth and a tapestry of soothing blues and greens as your backdrop, Fiji's beauty is breathtaking. With waterfall-fed jungles to palm-fringed beaches and colorful coral reefs, it's easy to see why happiness and Fiji go hand-in-hand.

LAUGHING OUT LOUD. Fijians are famous for their friendliness. A well-timed joke, slightly cheeky comment or over-the-top dance move will do wonders to lighten the mood, bond with strangers and even relieve stress. Next time you're here, join in on the fun!

It's sharing a meal, helping your community, caring for your family, living out their values, and making time to play.

EXPLORE THE ISLANDS

A wide, white sandy beach runs diagonally from the top right to the bottom left. A small wooden boat is on the beach near the top right. Several kayakers are in the shallow water. THE JET SET HUB

So much more than just a stopover port, this international gateway on western Viti Levu is a melting pot of cultures and experiences. On arrival, guests are greeted with the ubiquitous Bula and the happy tunes of local serenaders.

If you're headed this way, it's likely that Nadi will be your first (and last) stop. As the home of Fiji's international airport, this multicultural town links Fiji to the world. It is also your transition port to other parts of Fiji. Whether you're stopping off here at the start or end of your journey, or staying nearby - there's lots to explore in Nadi.

There's no boat ride necessary to get to Denarau just outside Nadi town. Attached to the mainland by a short causeway, this island brims with accommodation options for every type of traveler.

TOP THINGS TO DO IN NADI & DENARAU

- **EXPLORE THE GARDEN OF THE SLEEPING GIANT:** The American actor Raymond Burr's passion for orchids was what gave this beautiful garden at the foothills of Sabeto's 'Sleeping Giant' mountain its start. The main attraction is the 2000 plus orchid varieties but you'll find lots of other tropical and indigenous plants there too.
- **RELAX WITH A MUDPOOL BATH:** For some wallet-friendly pampering, head to Sabeto for a soothing soak in the area's mud and geothermal pools.
- **CATCH A CULTURAL SHOW:** Most resorts on Denarau host a Fijian cultural night that usually includes a traditional earth oven (lovo) feast and dance.
- **BOOK A HELICOPTER:** Take to the skies for the best views of Nadi and its other islands.
