MESSAGE FROM YOUR PARISH PRIEST

Hristos Voskrese! Voistinu Voskrese!!

Christ is Risen! Indeed He is Risen!

It is with great joy that I greet you on this 63rd Anniversary. I am both deeply honored and humbled to be your parish priest, and I look forward to many celebrations to come. Our beautiful and rich heritage of song and folklore has been essential in maintaining not only our cultural traditions, but our faith in God our Savior. After the devastating defeat at the Battle of Kosovo, our people and our faith were threatened. Our poems, song and dances from that time were written to serve as a remembrance and to glorify God in spite of the defeat. As our people struggled to understand God's will, the music soothed the bitterness of loss. This tradition, strengthened by pain and suffering, preserved the Christian peasant's ethnic freedom, and

most importantly, his faith. As the Psalms proclaim, "Praise the Lord! Praise Him with the sound of the trumpet; praise Him with the lute and harp! Praise Him with the timbrel and dance; praise Him with stringed instruments and flutes!"

God rejoices in our songs of praise and in our active participation and communion with Him and His people. Let us remember this as we join hands in dance. The kolo, a meaning circle, is an exemplary representation of community. Out of love for music and folklore, we dance together in sync. You, members of the Tammies, practice tirelessly to perfect your performance. The dance is only as good as the sum of its dancers. Remember this, dear brothers and sisters: let us be loving to one another and work in harmony for the Glory of God – at home, at work, and in our Church community.

Just as the gusle traveled from village to village, preserving our traditions through its melodies, I congratulate each member of the Tammies as you travel to this city, country and world. To your parents, the committee members, choreographers, directors, instructors, friends, and I commend you for your support. It is because of each of you that we may continue to celebrate this fantastic organization's success and enjoy the richness of our Serbian heritage.

May our Lord Jesus Christ, Who trampled down death by death, continue to bless each and every one of you and our St. Nicholas parish. And may our Lord God grant you all a prosperous and peaceful life, health, salvation and furtherance in all good things and preserve you for many years!

Yours in Christ,
Father Stefan Djorić

GREETINGS FROM THE ST. NICHOLAS SERBIAN TAMBURITZAN BOARD

We have exclusively preserved our mission over the years without any interruption.

We maintain our pride in solely providing a cultural organization for our Serbian Orthodox youth. Our committed Tamburitzaans will bring joy and pride to your hearts as you watch them showcase their special talents on stage.

We thank our committed choreographers, music directors and parents who work tirelessly to continue our mission. Enjoy the show!

Dobro Nam Došli

CARLA TOZZI HUSNICK - CHOREOGRAPHER

Carla would like to dedicate this performance to her very dear parents, Enio and Eleanor Tozzi.†

She has been blessed to have been teaching dance at St. Nicholas since 1987. Her passion was dance and music at a very young age. She participated in several ensembles during her younger years including: I Campognoli Italian Folk Group, McKeesport Junior Tamburitzans, Trafford Junior Tamburitzans, Pittsburgh Philharmonic Tamburitzan Orchestra and Balkan Dancers. Carla's talent and love of performing earned her a scholarship with the Duquesne University Tamburitzans.

Carla has also enjoyed the opportunity to choreograph for the *The Tamburitzans* ensemble (previously Duquesne University Tamburitzans). It has been an extension of all the beautiful years of teaching the younger students here at St. Nicholas. She was taught very early on in her childhood that music and dance touches our souls. It has been a blessing to touch so many young souls throughout her choreographer journey. Carla is grateful for all the students throughout the years along with the many wonderful parents that have become like family to her. Many have opened their hearts and homes to her and to her family. These friendships will last forever.

Carla would like to thank the St. Nicholas Tamburitzans Board and parent group, Father Stefan and the St. Nicholas Church Board for their immense heartfelt support. She is also thankful for Dusan Karas sharing his talents as her assistant instructor. Her mission has been all about the young faces that you are about to enjoy today. Their pride and happiness to perform remains her greatest reward as their teacher, choreographer and mentor.

Carla met the love of her life, Mark, as performers together at Duquesne. They have been married for 34 years and are genuinely proud parents of their three beautiful daughters Zoe, Gianna and Isabella. Life has been a true blessing to her, and she is grateful to have walked through the St. Nicholas doors all those years ago.

DANIEL VUCELICH - MUSICAL DIRECTOR

Danny Vucelich has been involved with the St. Nicholas Serbian Tamburitians since he was 9 years old. In addition to performing with St. Nicholas throughout his high school years, Danny has been part of over 10 different orchestras/bands and has sung with 6 different Orthodox choirs. 'Danny V', as he is fondly known, is also a St. Nicholas Sunday School Teacher and has taught various grades over the past 28 years.

Danny is a member of the Tamburitian Association of America. He and his wife, Elaine, are very proud of their '4' children who have gone on to perform with the renowned Duquesne University Tamburitians (currently known as PIFAI Tamburitians) and continue to share their love for the culture by supporting and instructing other Pittsburgh area Junior Tamburitian groups. He looks forward to the day that his grandson, Dejan, and granddaughter, Nika, are on stage following his family's footsteps!

Danny is proud and honored to be the Musical Director for the students of the St. Nicholas Serbian Tamburitians for the past 11 years and prior to that assisting musically in various capacities for many concerts over the last 28 years.

Danny is currently employed by Hitachi Energy as a Sales Operations Business Liaison.

'Mr. Danny' is very proud of his students and wishes them all – especially the graduating seniors – a very successful concert!

DUSAN KARAS - ASSISTANT CHOREOGRAPHER

Dusan Karas, 27, was a proud member of the St. Nicholas Tamburitzans from 2006-2018. With a deep-rooted connection to the group, his passion for Eastern European folk music and dance has been a lifelong journey. Following High School, he went to Duquesne University where he continued that path as a performer with The Tamburitzans, focusing primarily on dance. Dusan has experience choreographing as an assistant choreographer

at St. Sava Camp Shadeland, helping put together their yearly performance for “Tambura Week”. Over the past two years, he has had the opportunity to give back to the community that helped shape him by working alongside Mrs. Carla Husnick on choreography and dance instruction—an experience he was very excited about.

Dusan is taking after his family by dedicating his time and efforts to the group. His grandfather, Dusan Saula, served as a past president of the St. Nicholas Tamburitzans, and his mother, Tracy Saula, followed in his footsteps, also taking on the role of president. She also continues to be an essential part of the group today as their forever “costume guru”, known for her expertise and dedication behind the scenes.

Outside of his Tamburitzan life, Dusan works as an ICU nurse at Forbes Regional Hospital in Monroeville, balancing his career in healthcare with his love for cultural tradition.

NATALIA STEEN - ASSISTANT MUSICAL DIRECTOR

Natalia Steen joined our team of Directors in September 2023 to help our music director, Danny Vucelich. She is honored to be welcomed back this season and continues to work with all three of our groups. Our students love having her assist Mr. Danny with music and vocal instruction.

Natalia has been involved with music and dance since age five. Natalia first started with piano lessons and then added violin lessons weekly. Soon she became proficient on the violin and continues to play to present date. She enjoys working with all our kids on the tamburas and violins. Natalia is a performer at heart and is an alumni of both our St. Nicholas group and The Tamburitzans at Duquesne University. She was a dancer and featured violinist for 6 years with the (PIFAI), Pittsburgh International Folk Arts Institute.

While earning her Bachelor of Science degree in Psychology, she performed and traveled. She was then asked to return for two additional years to perform which enabled her to earn her Masters Degree in School Counseling from Duquesne University School of Education. Natalia is an Elementary School Counselor and truly loves her job.

Natalia is active in our parish and is happy to be a member of our St. Nicholas Choir and a St. Petka Kolo member.

Natalia's world of music extends outside our Monday night rehearsals. She is a member of the Pittsburgh Civic Symphony Orchestra violin section. She performs regular concerts with her mother, Martha, and her sisters, Anna and Mira.

With heartfelt thanks, Natalia is appreciative our group has asked her to return to assist once again. Special thanks to Mr. Danny for asking her to help lead the kids in making wonderful music together. She wishes to congratulate President Amanda, and her parent group for working hard to provide the best environment for our Beginners, Intermediates and Seniors to carry on our tradition.

ST. NICHOLAS SERBIAN TAMBURITZANS HISTORY

St. Nicholas Serbian Tamburitzans became a dream come true for the parents of St. Nicholas Serbian Church in Wilmerding, PA in August of 1963. The group was created by the parents of our Sunday School children with the mission to perpetuate our Serbian heritage while providing a youth cultural organization within our church.

The Tamburitzans were created by our founding officers: +Dusan Saula, president; +Joe Cervo, vice president; +Ann Kukich, secretary; and Mildred Popovich, treasurer.

Music director, +Danny Kukich, and choreographer, Geri (Bossar) Maravich, were consulted to begin creating the foundation for music and dance. They remained our directors for several years with our initial group of “tammies,” approximately 25 students ages 9-17. Performances became a reality and our St. Nicholas Serbian Tamburitzans accepted engagements for St. Sava celebrations, SNF Kennywood/Serb Day events and community heritage days. Annual concerts were soon scheduled and the growth of our group flourished and evolved into what it is today.

Since its inception, many talented music instructors and choreographers have shared their time and efforts with us to continue our mission. Past directors include: +Ron Rendulic, +Don Knezevich, Dan Shebitich, Bill Yurkovac, Randy Lugares, Danny Capuzzi, and Steve Capuzzi.

We are also thankful for the many choreographers who have instructed our children over the past five decades, They include: Marilyn (Chichi) Repasky, +Kathy Rendulic, +Jack Poloka, Milicent Novic, Debra Capolarello, Linda Metala, Erin George, Michaelann Yurkovac, Mary Agnes (Pixie) Potsatko, Donna Vranesevic, Sharon Bozicevic, Susan Williams, Denise Brajovic, Zoran Zgonc, Danice (DeeDee) Brkovich, Tonya Kredell, Valerie Tassari, and Kim Kosovich.

The St. Nicholas Serbian Tamburitzans are currently comprised of three age groups, classified as Beginner, Intermediate and Senior groups. Practice is every Monday evening at our St. Nicholas church hall, which we are fortunate to call our “home.”

Our parent group is still the backbone of the organization, which makes the decisions on managing the group, fundraising, costume and instrument expenses, donations and traveling. The parent group, along with the officers, follow the guidelines of our St. Nicholas Serbian Church, as we remain under the umbrella of our parish. The following have served as parent group presidents throughout the many years: +Dusan Saula, +Mary Visnic, +George Pilipovich, Julie Vucelich, +Olga McWilliams, +George Paich, +Dusan Rebich, Nancy Corl, Mary Ann Tomich, Myra Zdrale, Dennis Evanovich, Nick Jokola, Michael Mochan, +Carol Richey, Donna Capuzzi, Elaine Vucelich, Janet Pribanic, Tracy Saula, Alexis Janiga, and Bati Bajich.

Over the years, our group has been featured as guest performers for many communities in Pennsylvania. In addition, the St. Nicholas Serbian Tamburitzaans have performed in the Canadian cities of Niagara Falls, Kitchener and Hamilton. We have traveled to Detroit, Lackawanna, Washington D.C., Cleveland, Akron, Youngstown, Steubenville, Phoenix, Louisville, Chicago, and Kansas City. Our group was proud to be invited to the State Capital to represent the Serbians at "Christmas: an ethnic experience," sponsored by the then-Governor, Richard Thornburg, at the governor's Heritage Committee event. Our "Tammies" have also participated in the University of Pittsburgh Cathedral of Learning Nationality Rooms annual event. Our group has also been well-received for many years at the McKeesport International Village Festival. The members of our group enjoy sharing our culture with local schools, synagogues, community fairs, and nursing homes.

The St. Nicholas Serbian Tamburitzaans are proud to hold the longest existence of any Serbian community in the United States and Canada. The Serb World Magazine featured our Tamburitzaans in 1991 on the occasion of our 25th anniversary year. We welcome you in joining us for our 63rd anniversary concert – and counting!

She can also often be found adding her soprano voice to the church choir on Sundays.

Shea will be attending the Honors program in the Business School at the University of Dayton this fall.

Shea is super grateful for the unique opportunity Tammies has provided to be so deeply involved in her culture. Dancing a kolo brings her much joy and she hopes her performance today brings you joy. She feels honored to be performing "Niko Nema sto Srbin Imade" in honor of her Djedo, Carl Fix, whose striking rendition can be found on the 1970's "Yugoslavian Journey" album.

Shea would like to thank her parents for their love and support, especially her mother for always having her costumes perfect and providing encouragement! She would like to thank Carla for her amazing choreography and Mr. Danny for cultivating her talents. She would also like to wish her fellow seniors best of luck in their futures.

*So many miles, so many songs,
So many car rides singing along.
Between practice nights and long drives home,
We made memories wherever we'd roam.
Laughs in the car the whole ride through,
The Car Riding Crew will sure miss you!
Senior year came way too fast,
We wish these fun times could always last.
No matter where life takes you to —
Your Car Riding Crew will always love you!*
