**SAY HI TO MY
BOY!**

**MY LITTLE FLOOF, NIEVE,
IS HAVING A HARD TIME.
HE IS A FLUFFY, SILLY,
AND VERY SPOILED CAT.**

**HE WAS ACTING VERY STRANGE AND DOWN,
WHICH IS EXTREMELY UNUSUAL FOR HIM. WE TOOK HIM TO SOME DOCTORS WHO
EVALUATED HIM FOR FREE, LIKE A VET CLINIC, BUT UNFORTUNATELY,
I DON'T HAVE ANY MONEY FOR EVEN THE BASICS IN THIS MEDICAL EMERGENCY.**

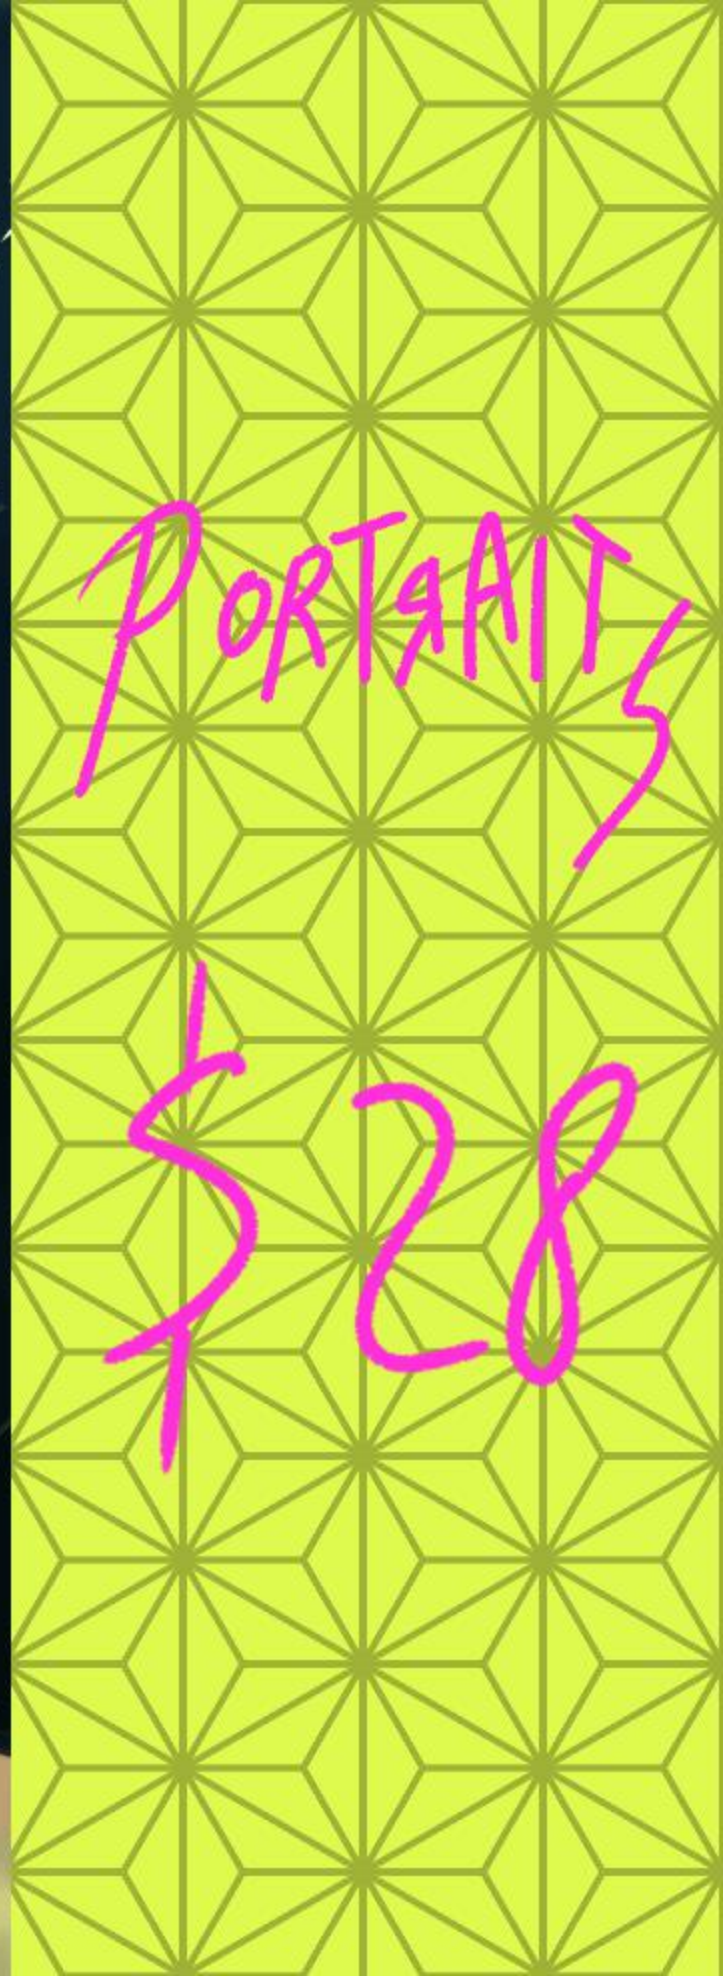

THEY MANAGED TO GIVE HIM PAIN RELIEF,
AND IN HIS EYES,
I COULD SEE HE WAS TELLING ME HE WANTED
TO KEEP LIVING. I COULDN'T SAY NO TO SOMEONE
WHO HASN'T GIVEN UP.
SO, EVEN THOUGH I HAVE MY OWN HEALTH LIMITATIONS
AND CAN'T WORK A NORMAL JOB,
I WILL FIGHT FOR HIM JUST AS HARD AS HE IS FIGHTING.

My Commissions & Support Info

Slots are open on a first-come, first-served basis. Once you pay in full, you'll receive your slot number and will be able to track your commission's progress in real time, with all updates always current.

Please note: no refunds will be issued, as the funds are immediately used to cover essential expenses for my cat, Nieve. So, kindly be certain of your purchase before paying—

At the moment, I am only accepting portraits and YCH (Your Character Here) commissions. For smaller contributions via Ko-fi: for every \$8 donated, you'll receive a simple sketch as a thank-you gift, and you'll be able to suggest ideas along with other supporters.

I reserve the right to decline any commission request that doesn't align with my interests or values.

Once your turn begins, you'll receive a sketch for approval. You may request adjustments at this stage. During the refinement phase, only light changes are allowed—such as minor details or color tweaks. No new poses, compositions, or major changes can be made after the sketch is approved. Once the piece is finalized, no further changes will be possible.

Before we begin, please be clear about what you want and provide as many references, materials, and a detailed description as possible. I'll review everything with you personally to ensure the best outcome and your full satisfaction. If I don't receive enough information to understand your vision, I'll take creative liberties to bring your idea to life.

Feel free to reach out anytime with questions about my work, Nieve, or me. Please keep in mind that due to time zone differences or occasional health issues, I might not reply immediately. However, I will respond, and if I'm unable to do so myself, I'll arrange for someone to help clarify any concerns.

I do have some health limitations, but rest assured, it's never my intention to delay your work. The estimated turnaround time is around two weeks, though in rare cases it may extend up to two months.

Please keep an eye on my calendar and updates for the most accurate timing.

Lastly, if you can't commission right now, sharing my work or giving a like means the world to me—that's more than enough support!

Wishing you a wonderful day! ♥
