THE FEATURE-RICH A4 PRINT PROFESSIONALS

High printing resolution of up to 1200 dpi.

Maximum paper capacity of up to 850 sheets.

USB, network connectivity and Wi-Fi as standard.

Compact design, robust and quiet.

If you're looking for a fast, reliable and versatile A4 black and white printer, you really can't go wrong with the ECOSYS P2040dn and P2040dw. Boasting fast first print times and speeds of up to 40ppm, duplex and network and Wi-Fi as standard* alongside high paper capacities these devices will simplify your workflows with ease. Not only that, these devices incorporate long-life, energy-efficient components, providing low Total Cost of Ownership and making them the reliable printers you would expect from KYOCERA, enabling you to remain productive at all times.

MULTIFUNCTIONALS

A PRODUCTIVITY BOOSTER THAT PAYS OFF

Dual scan document processor supporting A6 originals.

1200 dpi printing quality.

Duplex unit for cost-saving double-sided printing.

Compact design with low-noise printing.

With print speeds of up to 40 pages per minute, short first print and copy times, and professional scanning features such as simultaneous duplex scanning, these devices are ready to become key players in your office. With up to 7200 black and white pages from one toner cassette and up to two optional paper feeders taking the paper capacity to up to 850 sheets, it's easy to see why they will fit into your workflow with ease. And as you would expect of any ECOSYS device, these multi-function devices are extremely reliable, requiring little maintenance and boast a low total cost of ownership, meaning your business remains productive and efficient.
