5 Tribal and Village Area Youth Conferences

@ \$5,000 each = \$25,000

India is home to one of the largest youth populations in the world. Nearly 30% of India's population is under the age of 18, representing approximately 430 million young people. This generation will shape the future of the nation, making youth ministry one of the greatest opportunities for Gospel impact in South Asia.

At Central India Christian Mission, we believe that God has called us to reach this generation while their hearts are still open to His truth. We serve a big God, and because of that, we dream big.

Last year, CICM conducted 10 major youth conferences across seven states of India and three additional district-level regions. The theme was: “Remember Your Creator in the Days of Your Youth” – Ecclesiastes 12:1

These conferences became the largest youth outreach events in the history of CICM.

Through these gatherings:

- **4,032** young people came together for worship, discipleship, and spiritual growth.
- **1,516** youth made significant decisions and commitments regarding their faith and future.
- **257** young men and women dedicated their lives to full-time Christian ministry.

The passion, courage, and spiritual hunger displayed by these young people gave us tremendous hope for the future of the Church in India.

Building on this momentum, our goal for 2026 is to expand the ministry and conduct 22 youth conferences throughout India, reaching even more students, young adults, tribal youth, and future leaders.

These conferences will provide:

- Biblical teaching and discipleship
- Worship and spiritual renewal
- Leadership development and mentoring
- Evangelistic outreach opportunities
- Encouragement for young believers living in difficult environments
- A challenge to boldly follow Christ and impact their Communities

Our prayer is that thousands of young people will encounter Jesus Christ, grow in their faith, and become the spiritual leaders, pastors, church planters, evangelists, teachers, and Christian professionals who will transform India for generations to come.

Jesus called His followers to be the salt of the earth and the light of the world. Through these conferences, we seek to empower a new generation to live boldly for Christ and shine His light throughout India.

Together, we can invest in the next generation and help raise up thousands of young leaders who will carry the Gospel to places where Christ is still unknown.

THE POWER OF ONE LIFE

One conference can change a life.

One changed life can influence a family.

One transformed family can impact a village.

One called and equipped young leader can plant churches, share the Gospel, and influence countless others for Christ.

Together, we can help raise up a generation that knows Jesus, lives for Jesus, and boldly proclaims Jesus throughout India and beyond.

Will you prayerfully consider investing in the next generation today?

YOUR CONTRIBUTION
