

The background of the entire image is a misty, ethereal forest scene. In the foreground on the left, a large, dark, textured tree with rounded, cloud-like foliage stands prominently. The rest of the image is filled with a dense, layered canopy of similar trees, shrouded in a soft, hazy light that gives the scene a dreamlike quality. The overall color palette is muted, with greys, blues, and greens, accented by a warm, golden glow at the top.

Always and Forever

Mackenzie is thrilled to release his limited edition print of 'Always and Forever'

This stunning image captures Mackenzie's pure mastery in pastels, the wonderful blended tones encapsulate both a buttery warmth and crisp coolness adding to this tender winter scene.

*I look out and see a world
covered in fresh white snow
and feel the cold
Yet I am reminded of all the
warmth and all of the love
from within our souls
always & forever...*

- Mackenzie Thorpe

A painting of a sunset over a body of water. In the foreground, a person with long dark hair and a red flower in it is looking out at the water. The water is dark blue with white foam from the lighthouse. In the background, a lighthouse is visible on a small island. The sky is a mix of blue and orange, with white clouds. The overall mood is nostalgic and romantic.

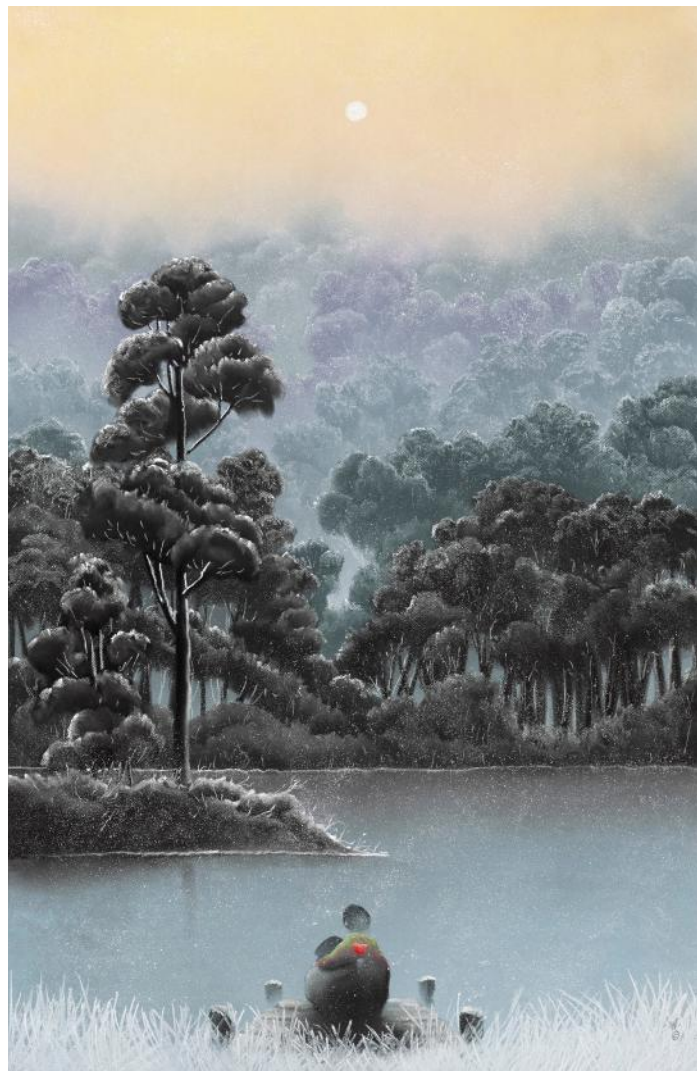

In this image Mackenzie captures both joy and a sense of nostalgia, for those special moments when you are with the one you love, marvelling at the beauty of it all.
