Tennessee State Fair Competitions

To win the Best of Tennessee Championship Awards at the Made in Tennessee State Fair competitions, only items in approved categories that win first place or best of show at a 2021 Tennessee County Fair (or county competition if a county does not currently have a county fair) can be entered in the 2022 competition. This competition is not open to the general public. This is to represent the best of the best of Tennessee and exhibitors must win at their local Fairs to be able to compete to win top state awards.

In order for each county in Tennessee to showcase its best at the Tennessee State Fair, a representative from each Fair or the County Extension Agents would need to gather their winners' items in the approved categories and enter them in the Tennessee State Fair competitions.

All competitions in the Livestock Competition Section (page 66-69), Motorsports Section (pages 79-83) and the Tennessee State Competition section of this catalog (pages 85-104) are open and any one in Tennessee can enter in these competitions.
